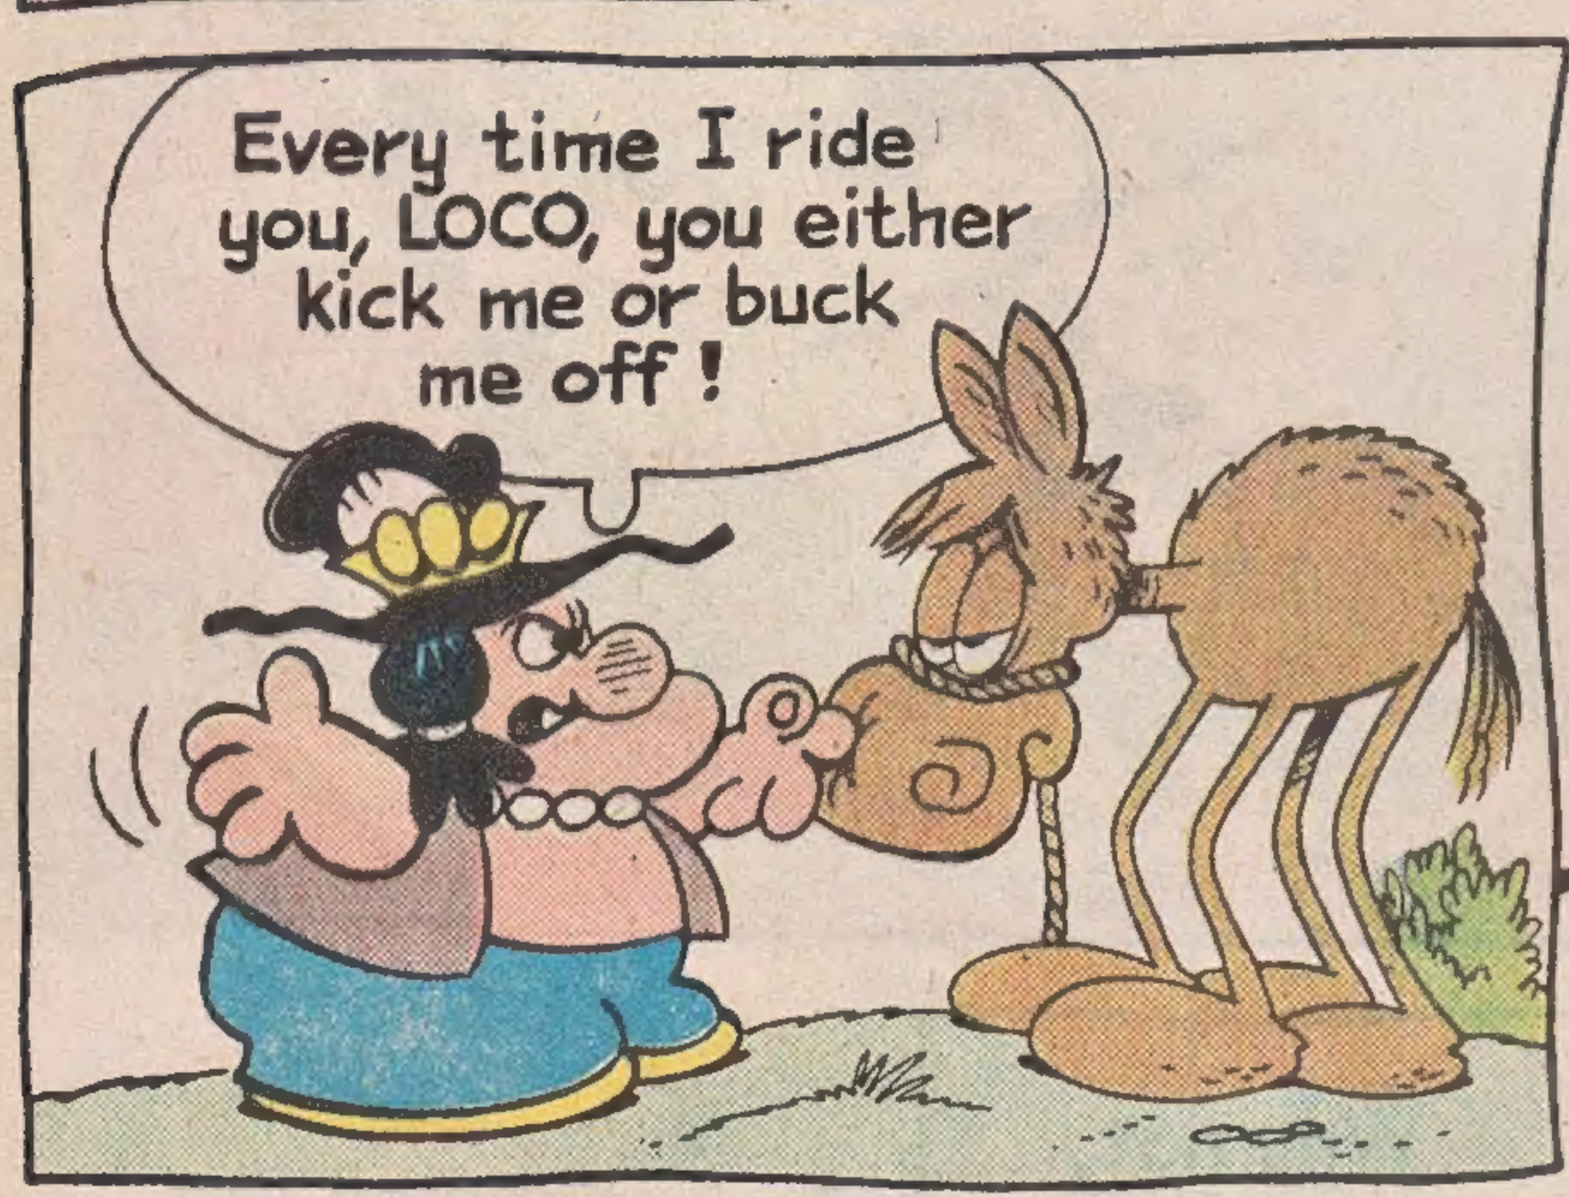
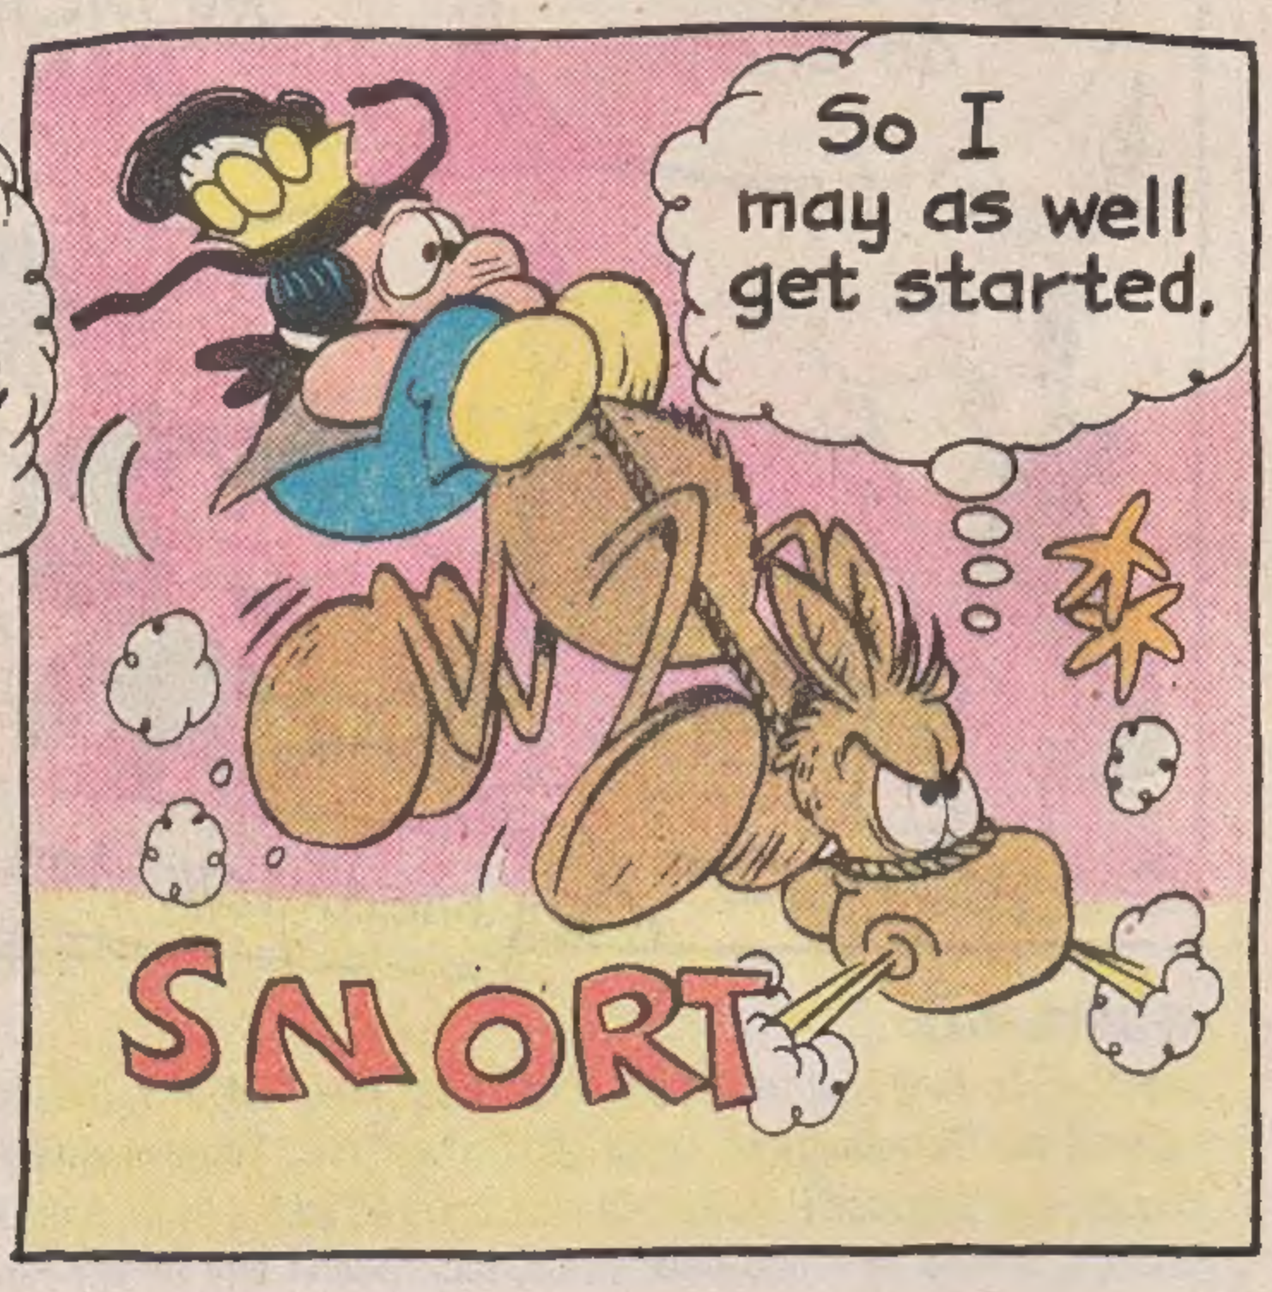
You know... the MEDICINE MAN has a point there, LOCO.
?



Every time I ride you, LOCO, you either kick me or buck me off !

Let's be different today, Old Buddy.

Okay... bucking AND kicking, all at the same time, would be different.



So I may as well get started.

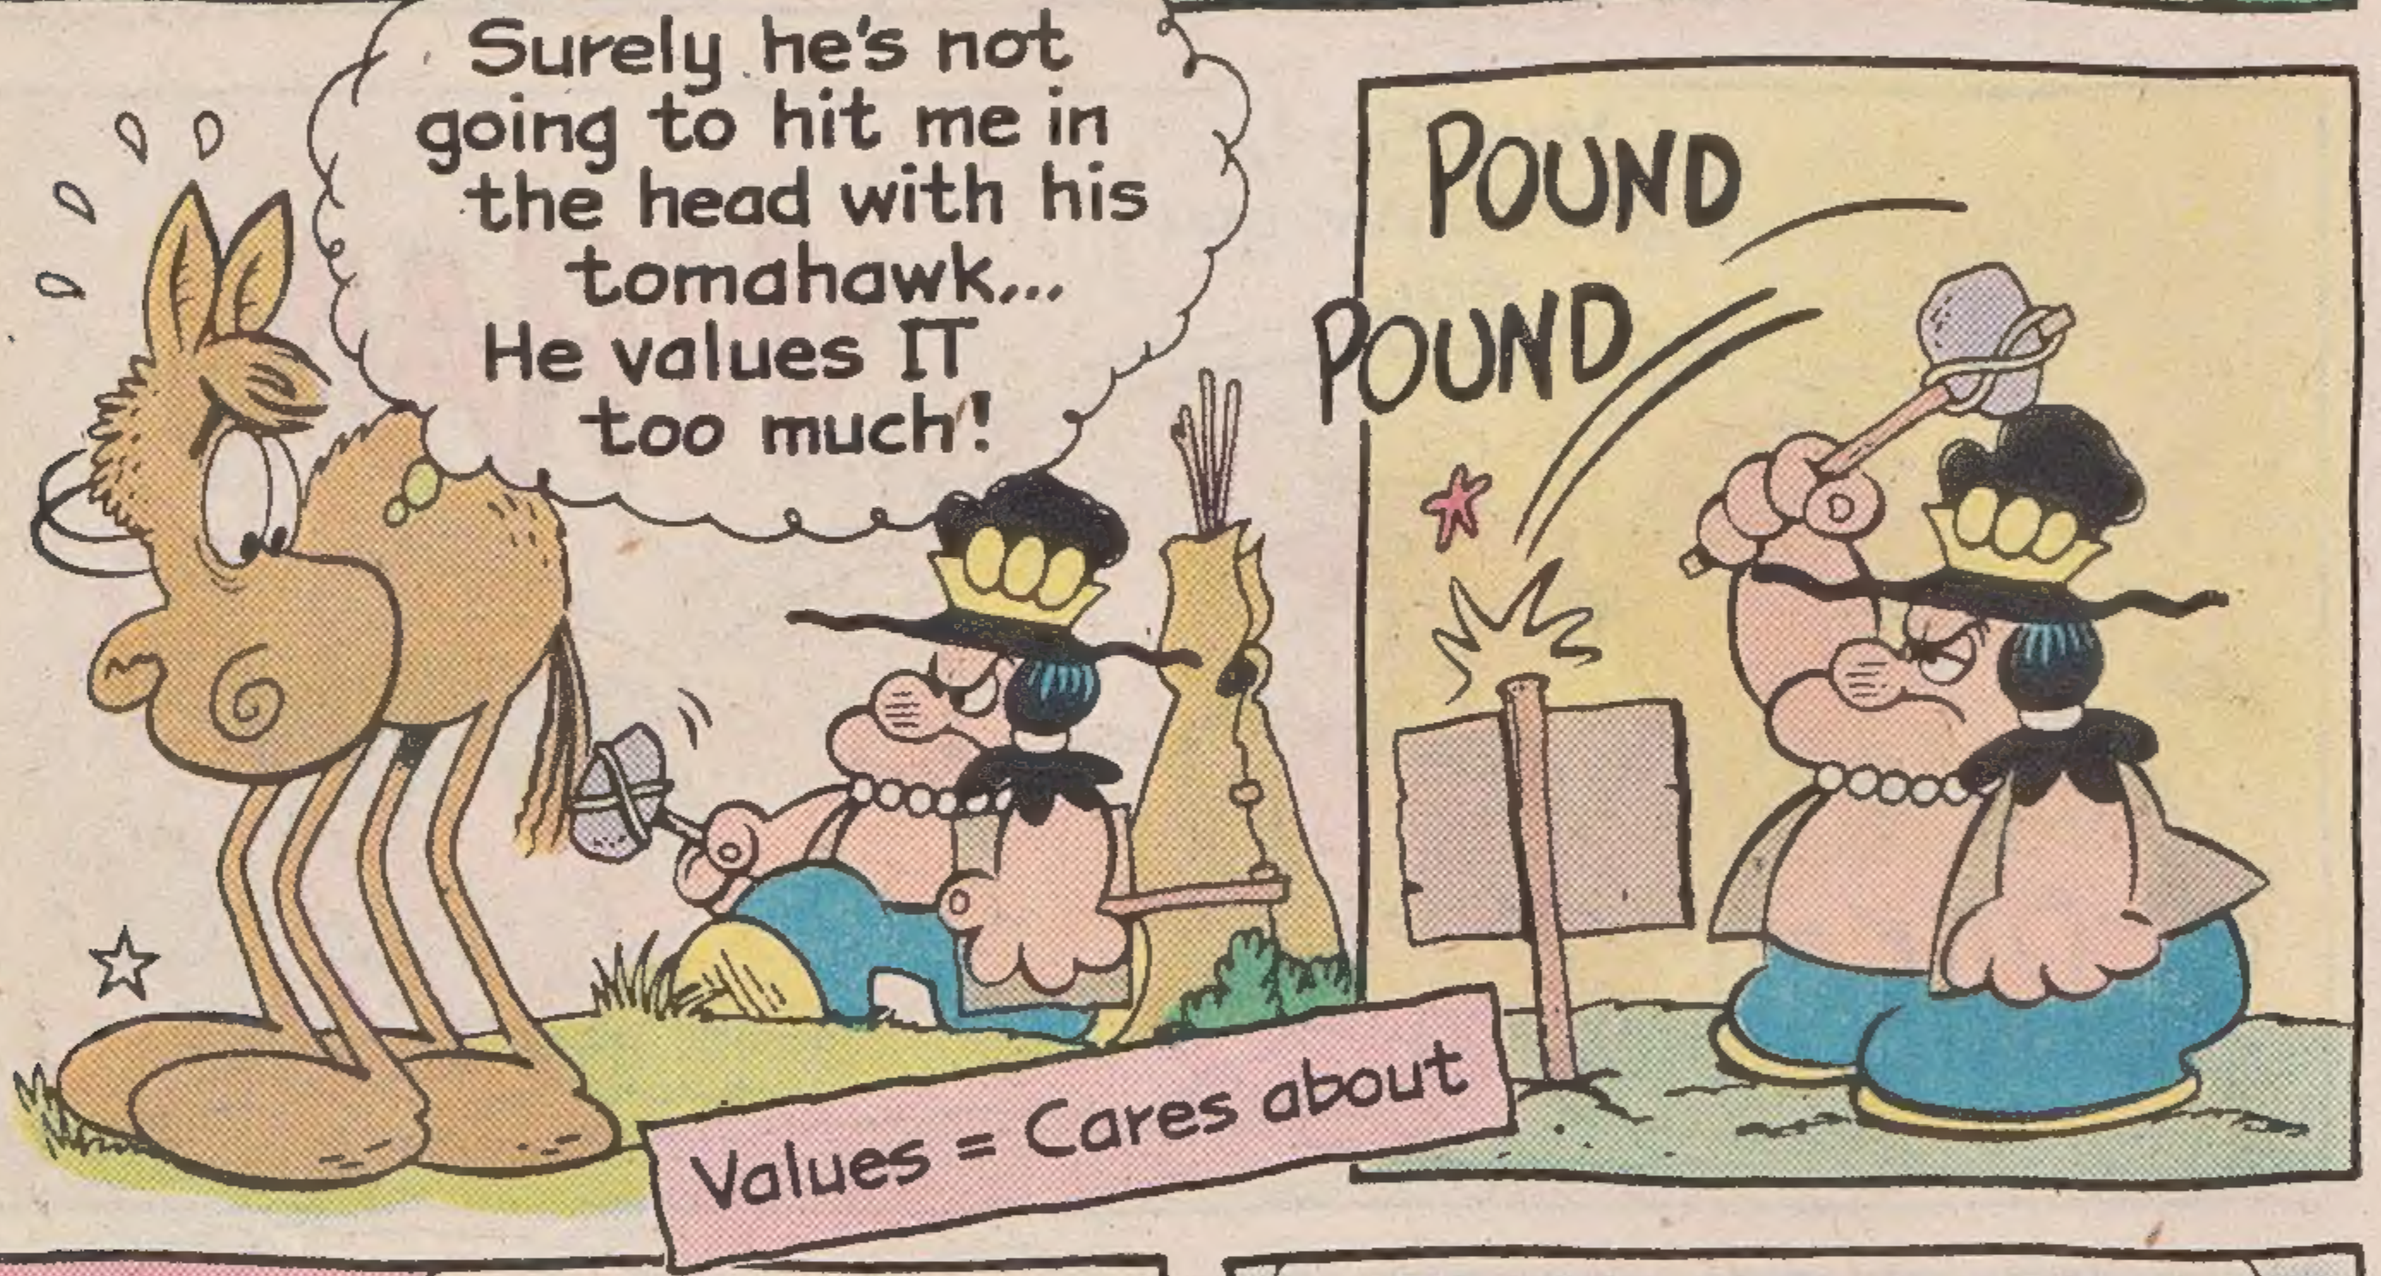
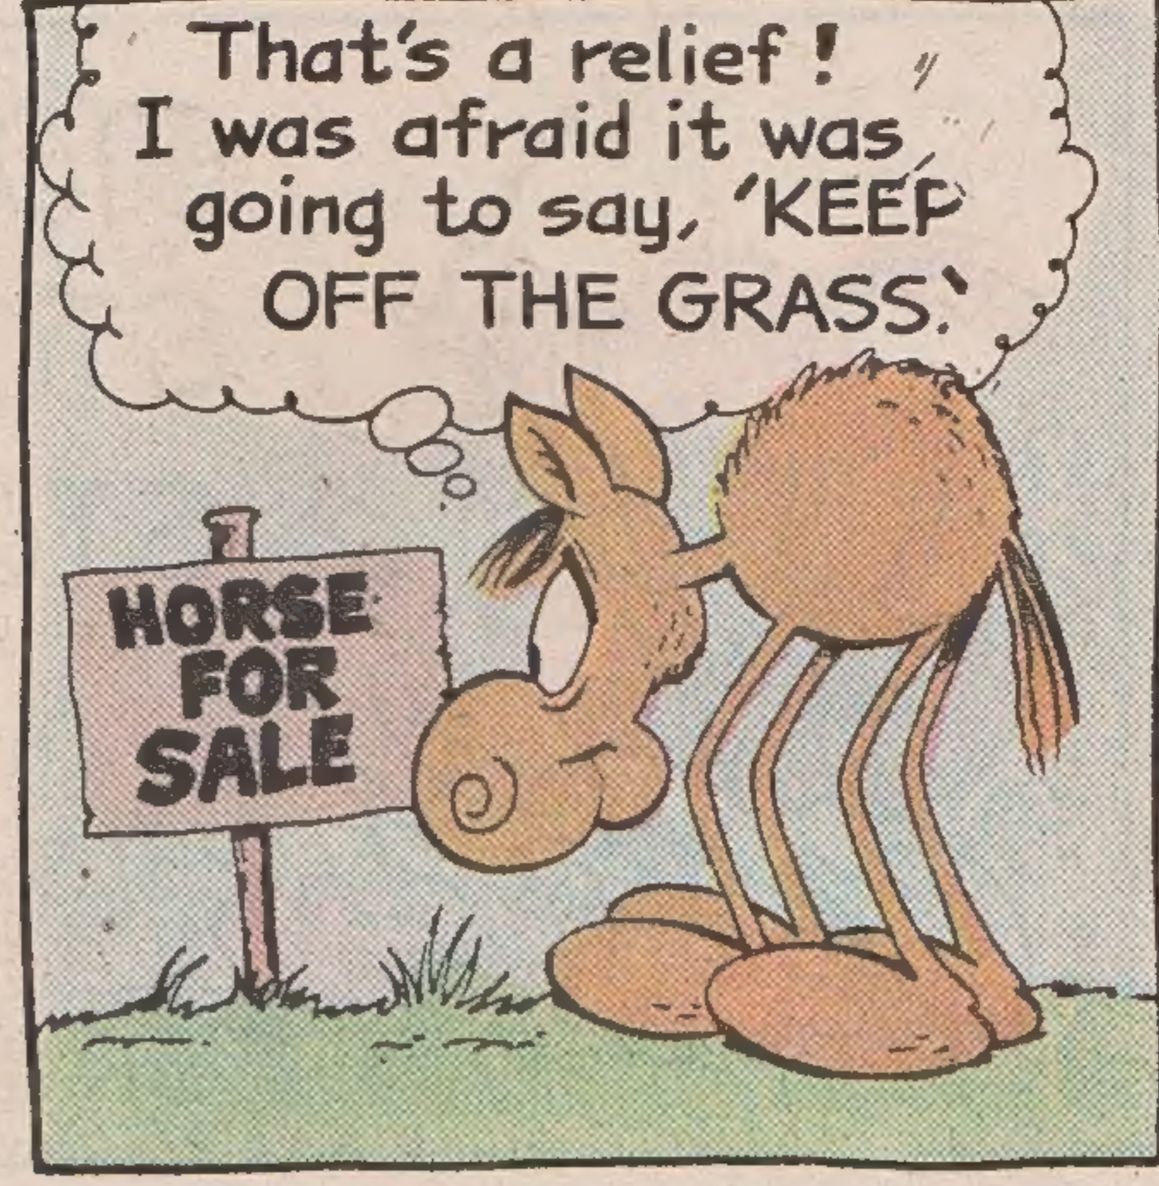
I'm going to do something I should have done long ago!

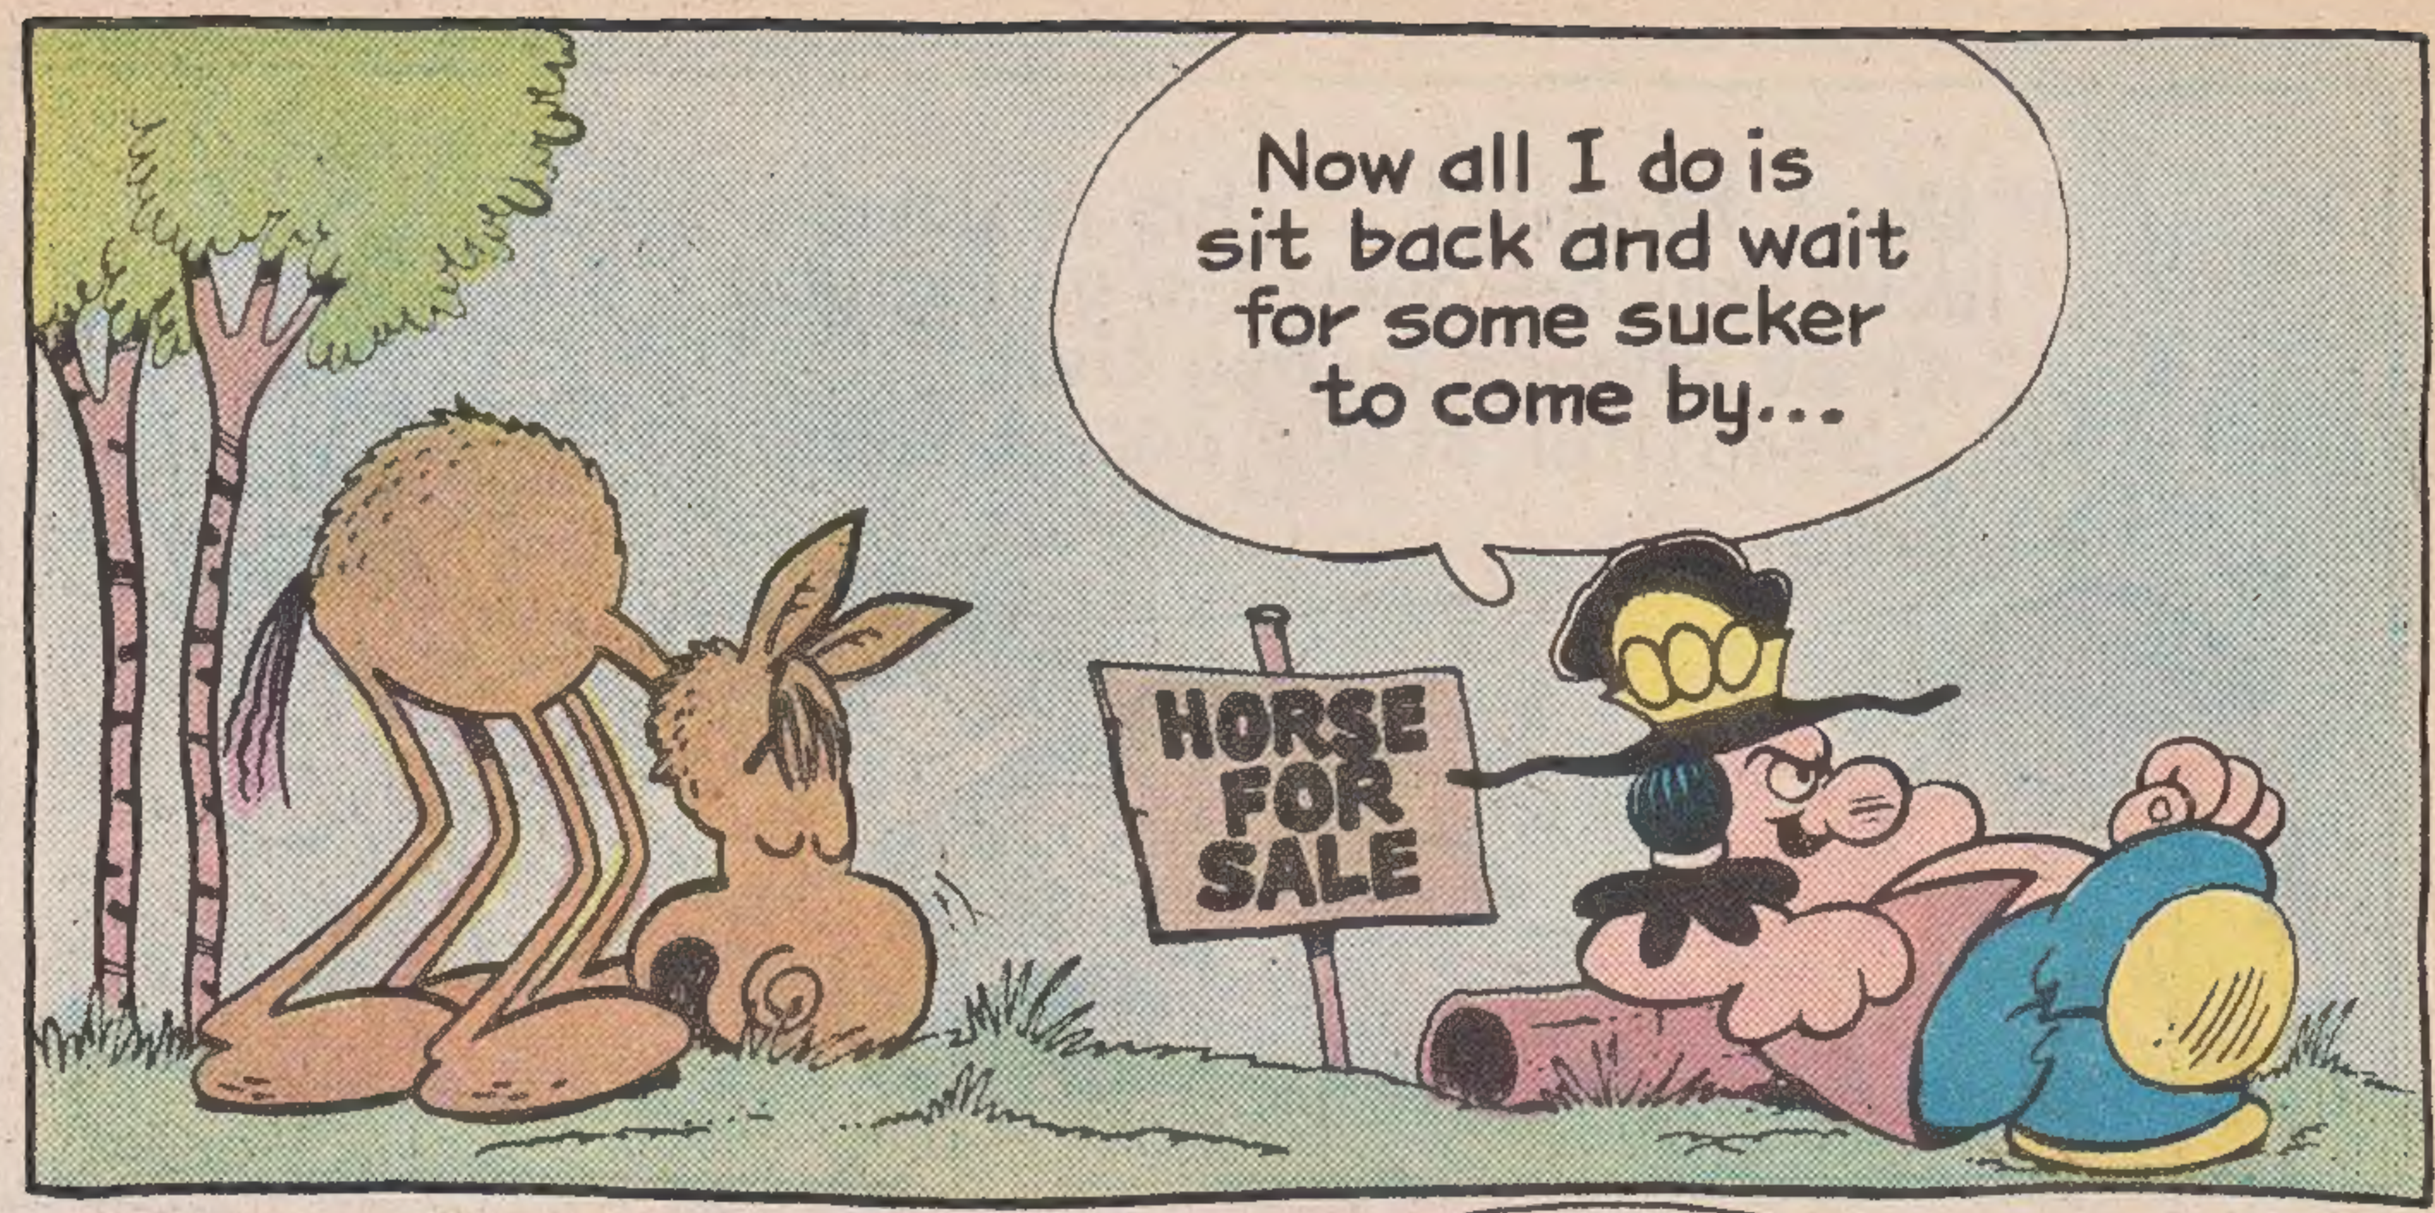


Surely he's not going to hit me in the head with his tomahawk... He values IT too much!
POUND
POUND
Values = Cares about

Okay, Mister Smart Guy... Come around and read this sign.



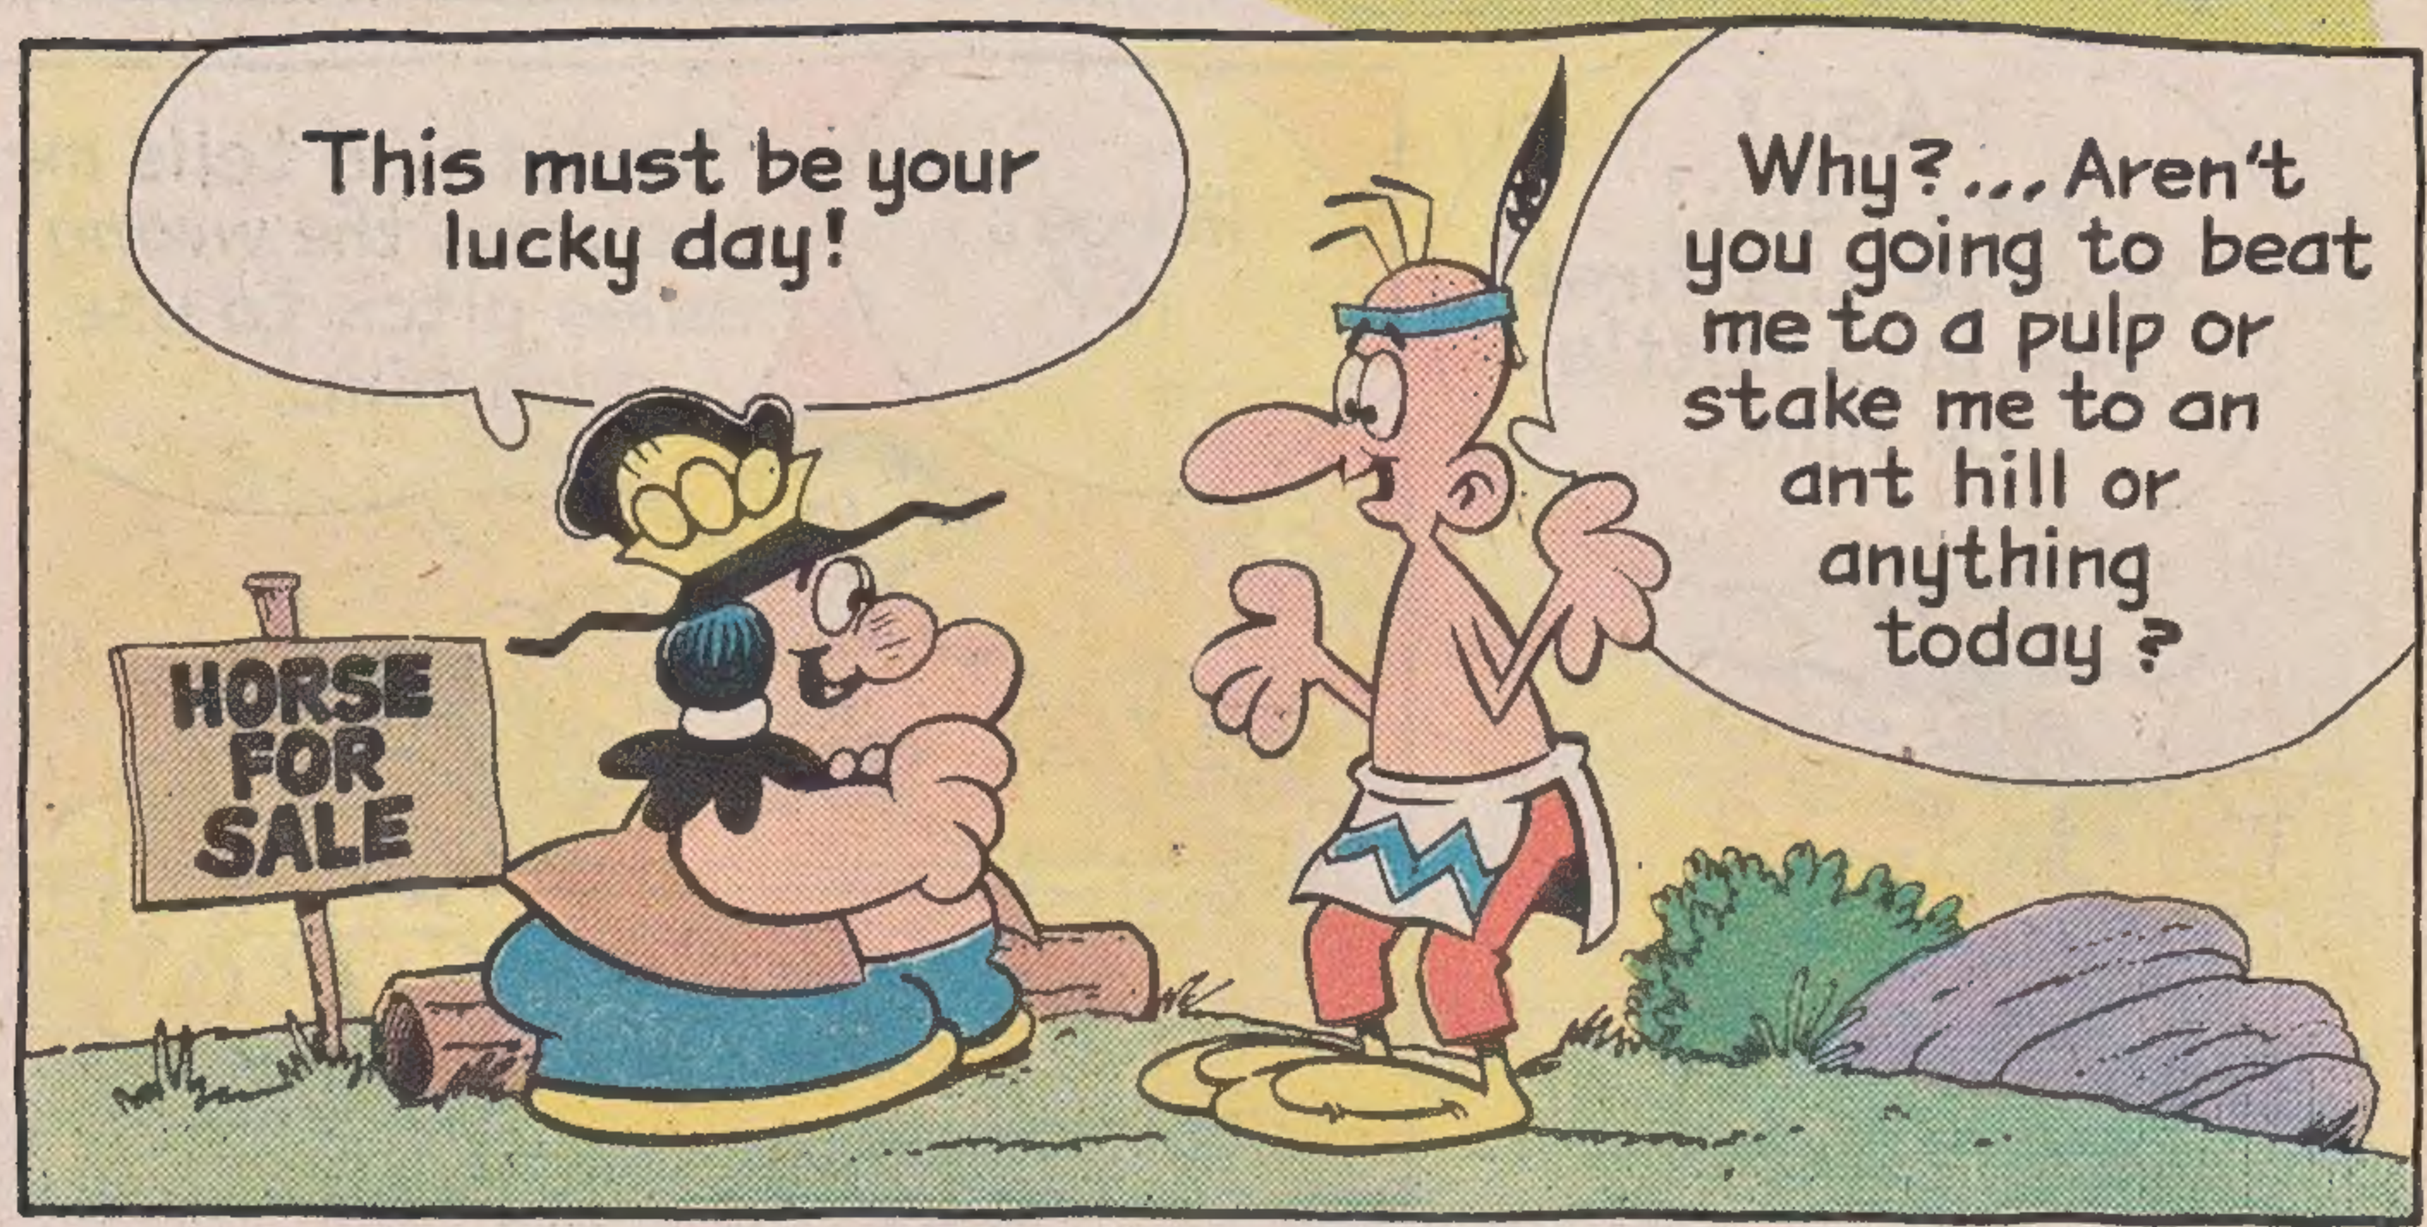
That's a relief! I was afraid it was going to say, 'KEEP OFF THE GRASS.'
HORSE FOR SALE



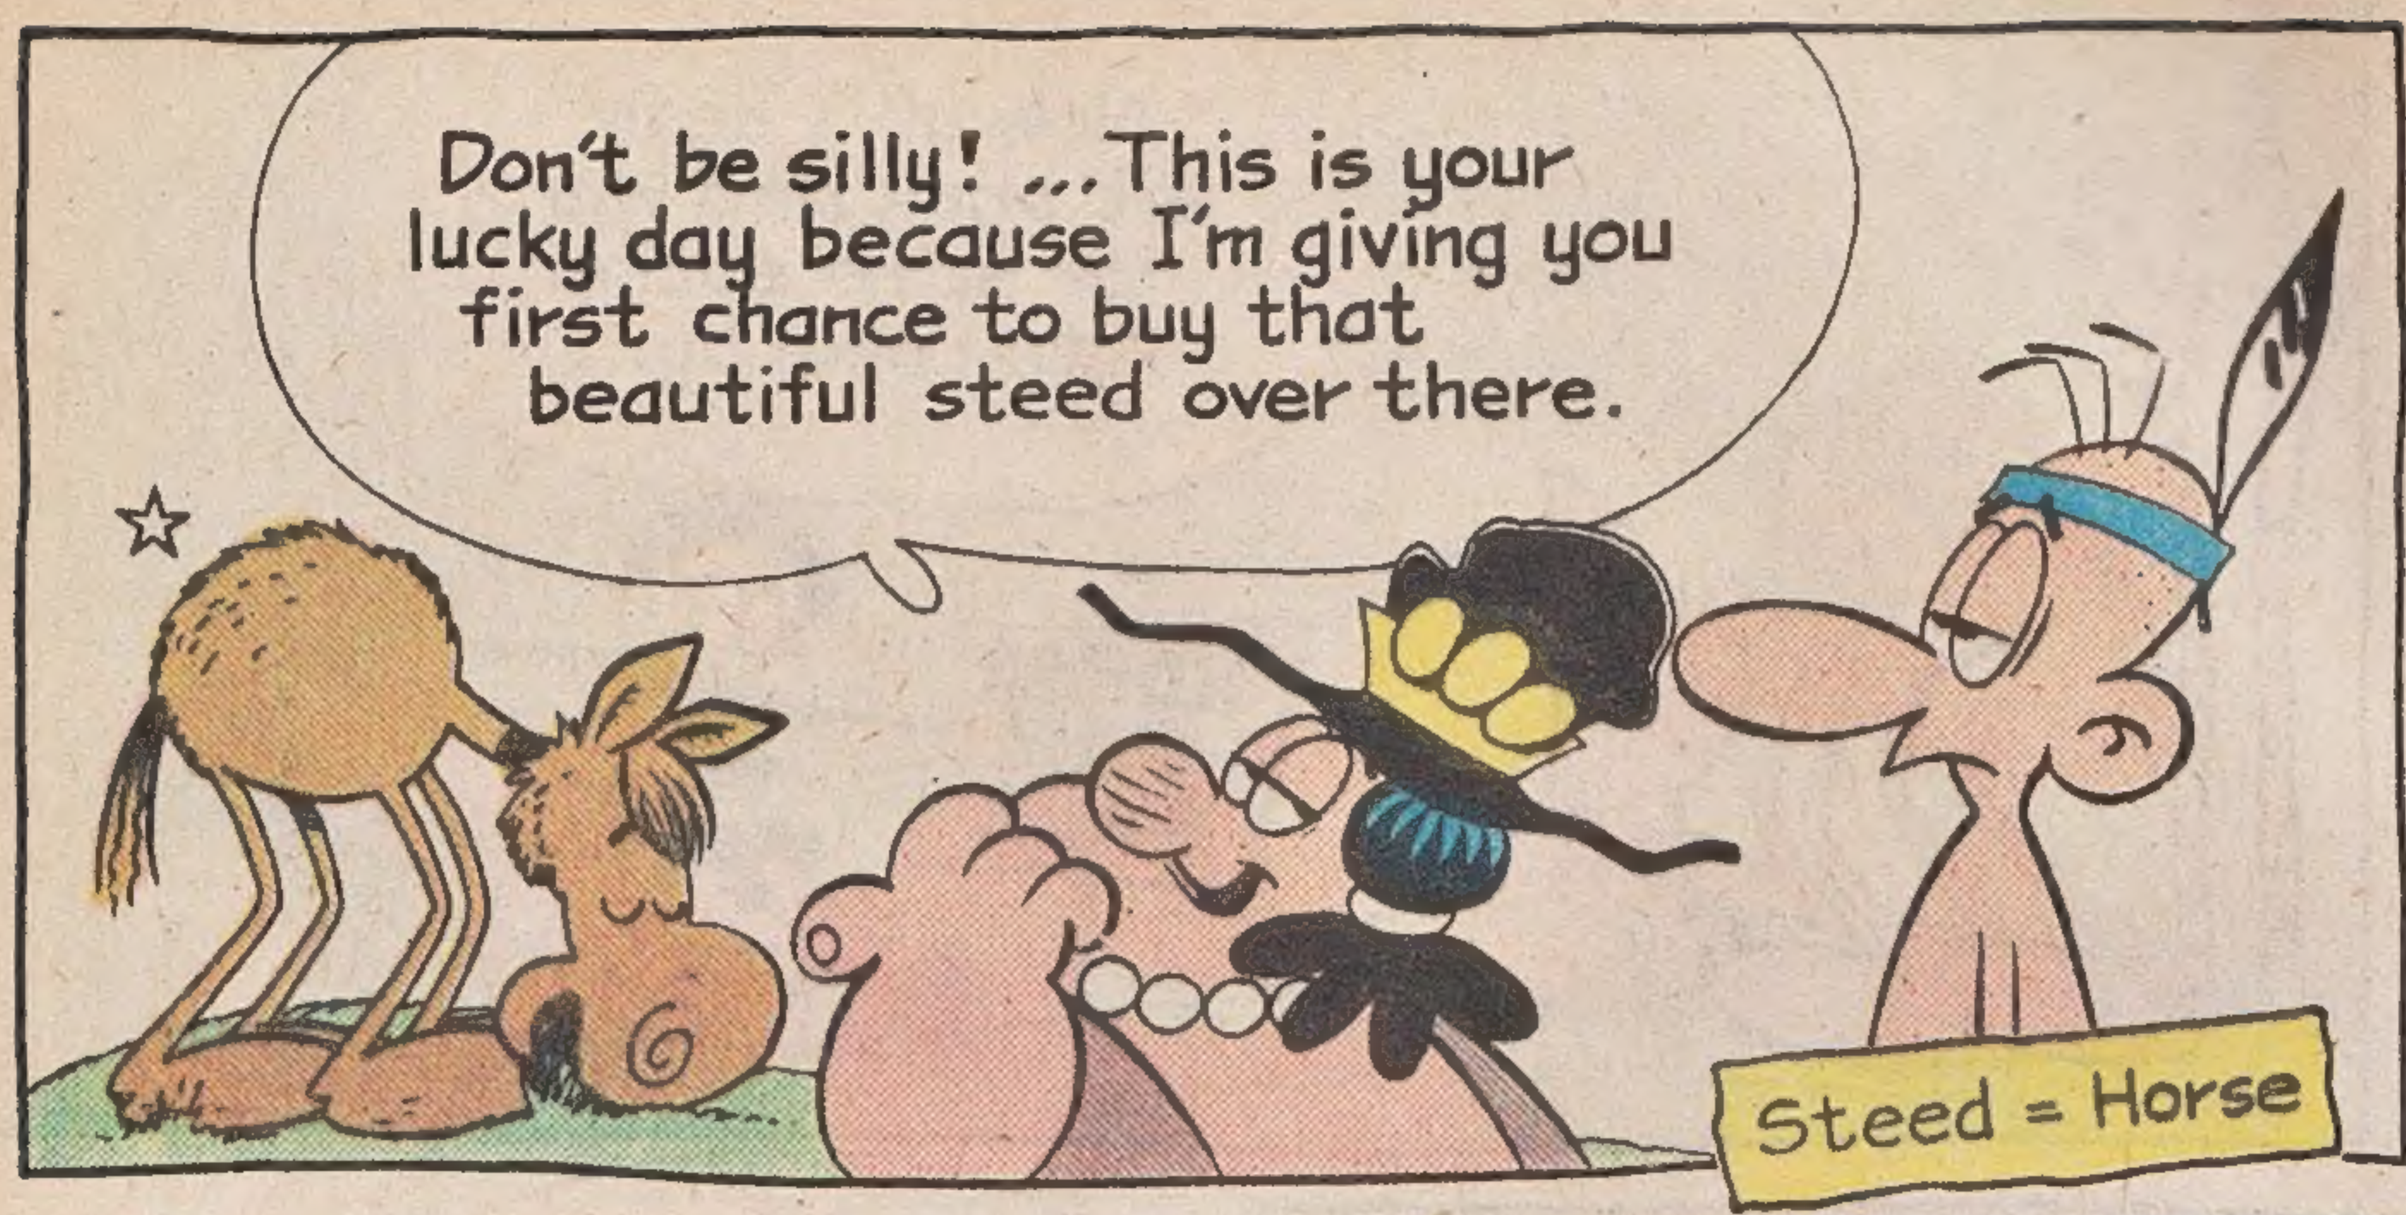
Now all I do is sit back and wait for some sucker to come by...
HORSE FOR SALE

Speak of the Devil...

TANGLEFOOT, Old Friend!



This must be your lucky day!
HORSE FOR SALE
Why?... Aren't you going to beat me to a pulp or stake me to an ant hill or anything today?



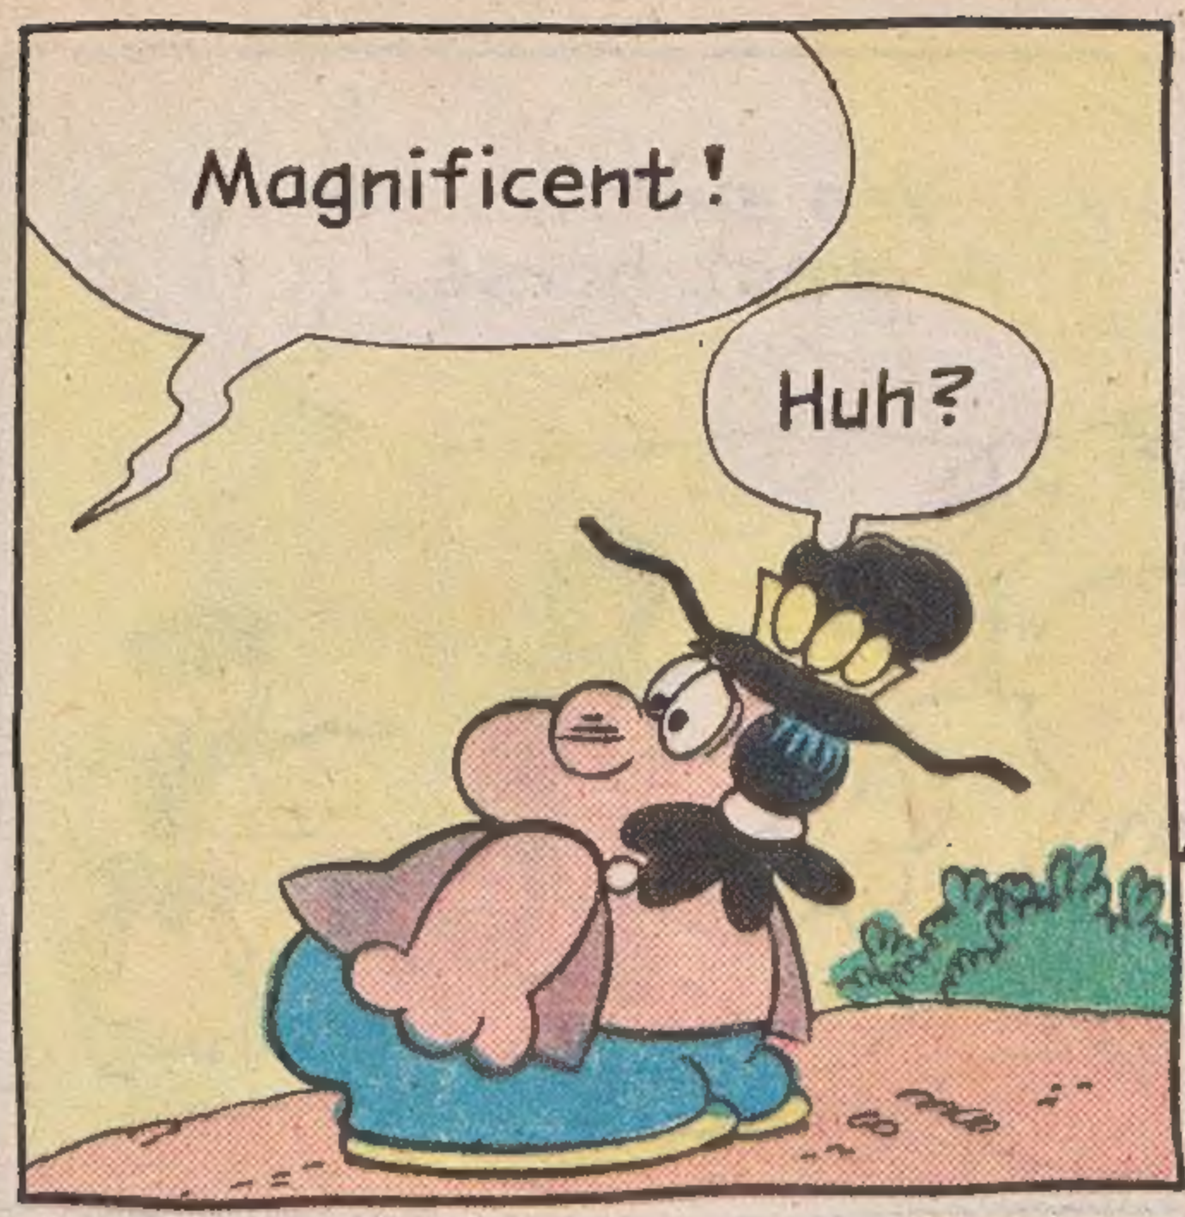
Don't be silly! ...This is your lucky day because I'm giving you first chance to buy that beautiful steed over there.
Steed = Horse

The only reason I'm selling him is I need the money. I really don't want to sell him.

Gee... I don't know... Is he fast?

FAST! Very fast! You'll be the first one into battle on him.

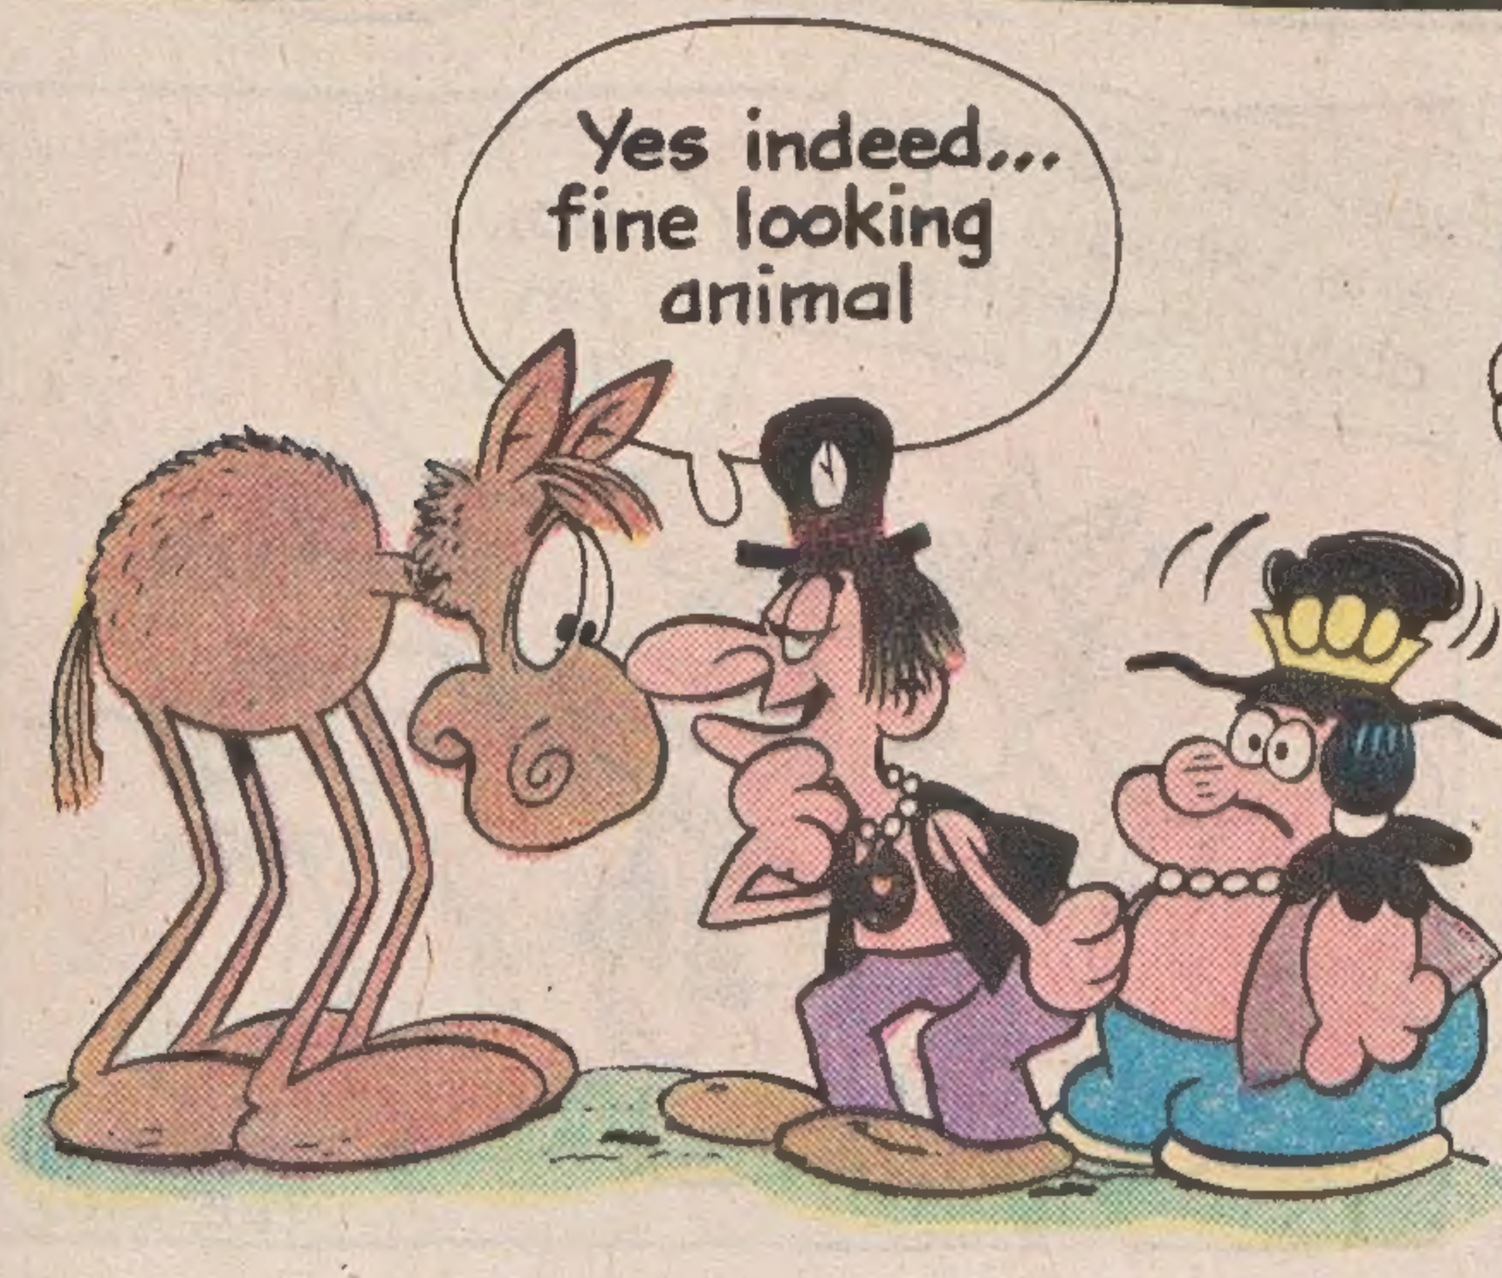
Forget it!
Something tells me that was the wrong sales pitch to use on him.
ZIP



Magnificent!
Huh?

This horse... Is he for sale by any chance?

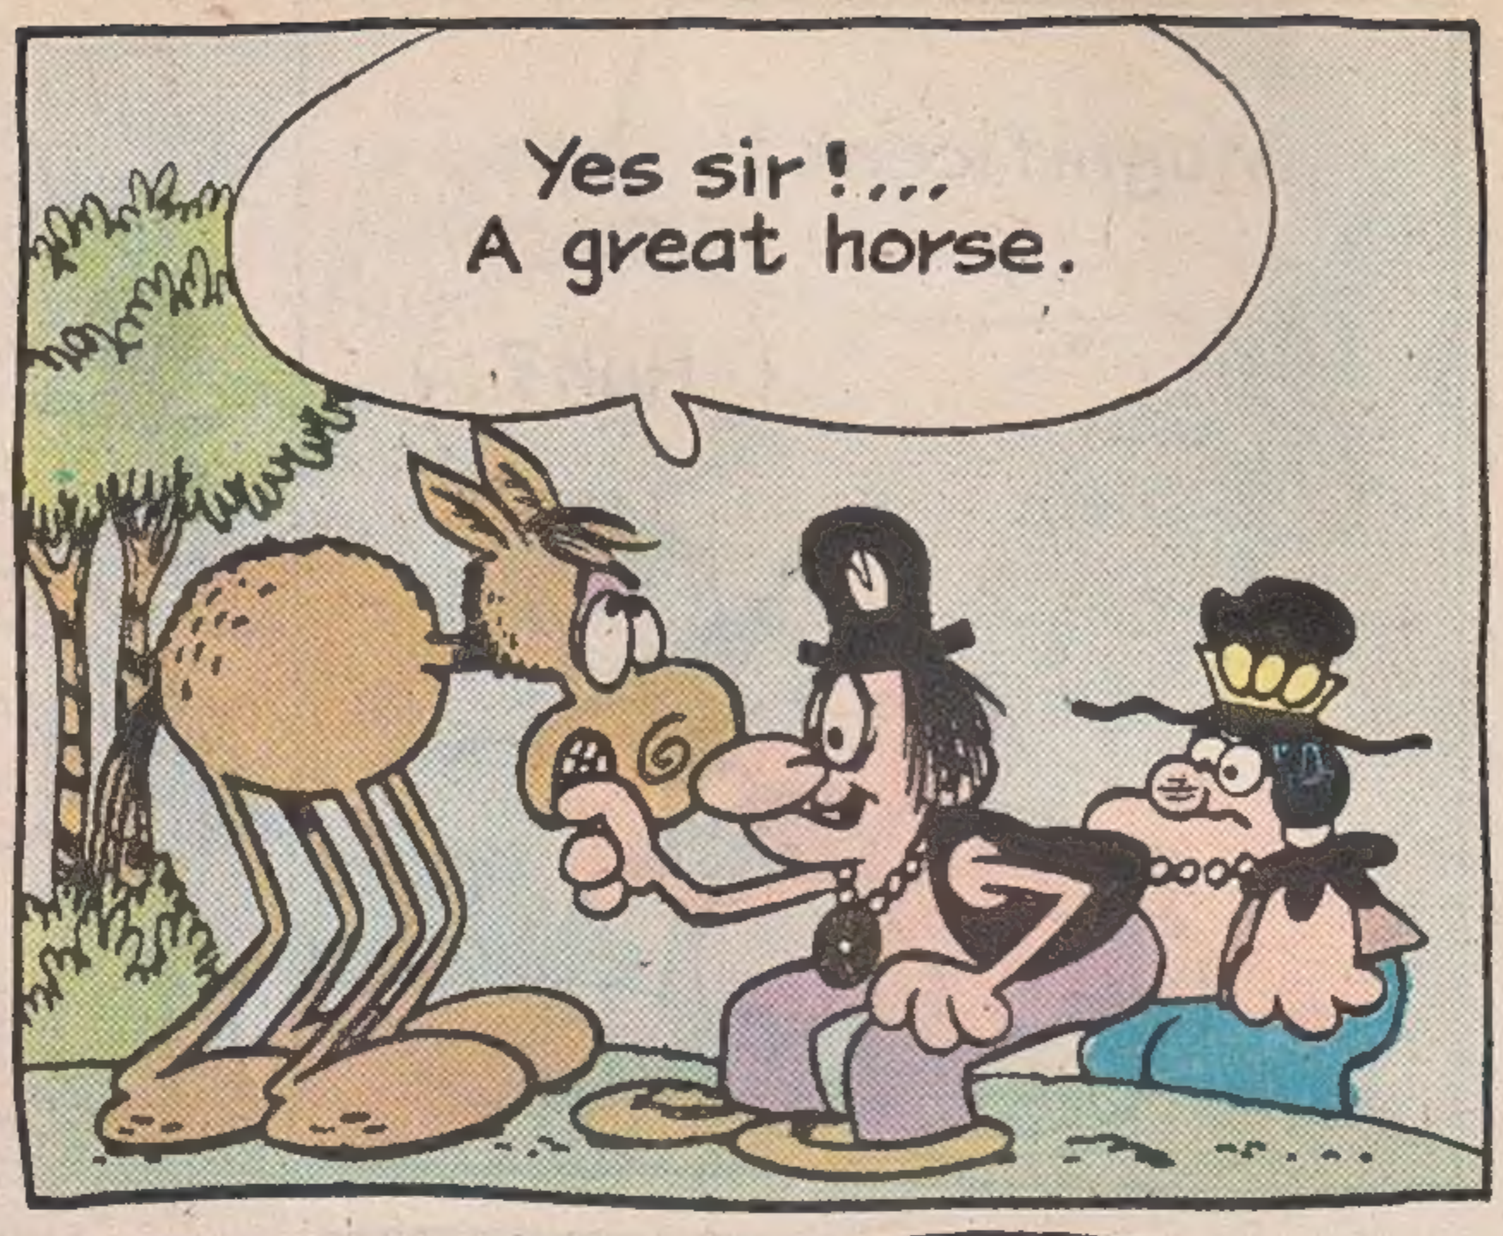
I might consider selling him if the price was right.
KICK
HORSE FOR SALE



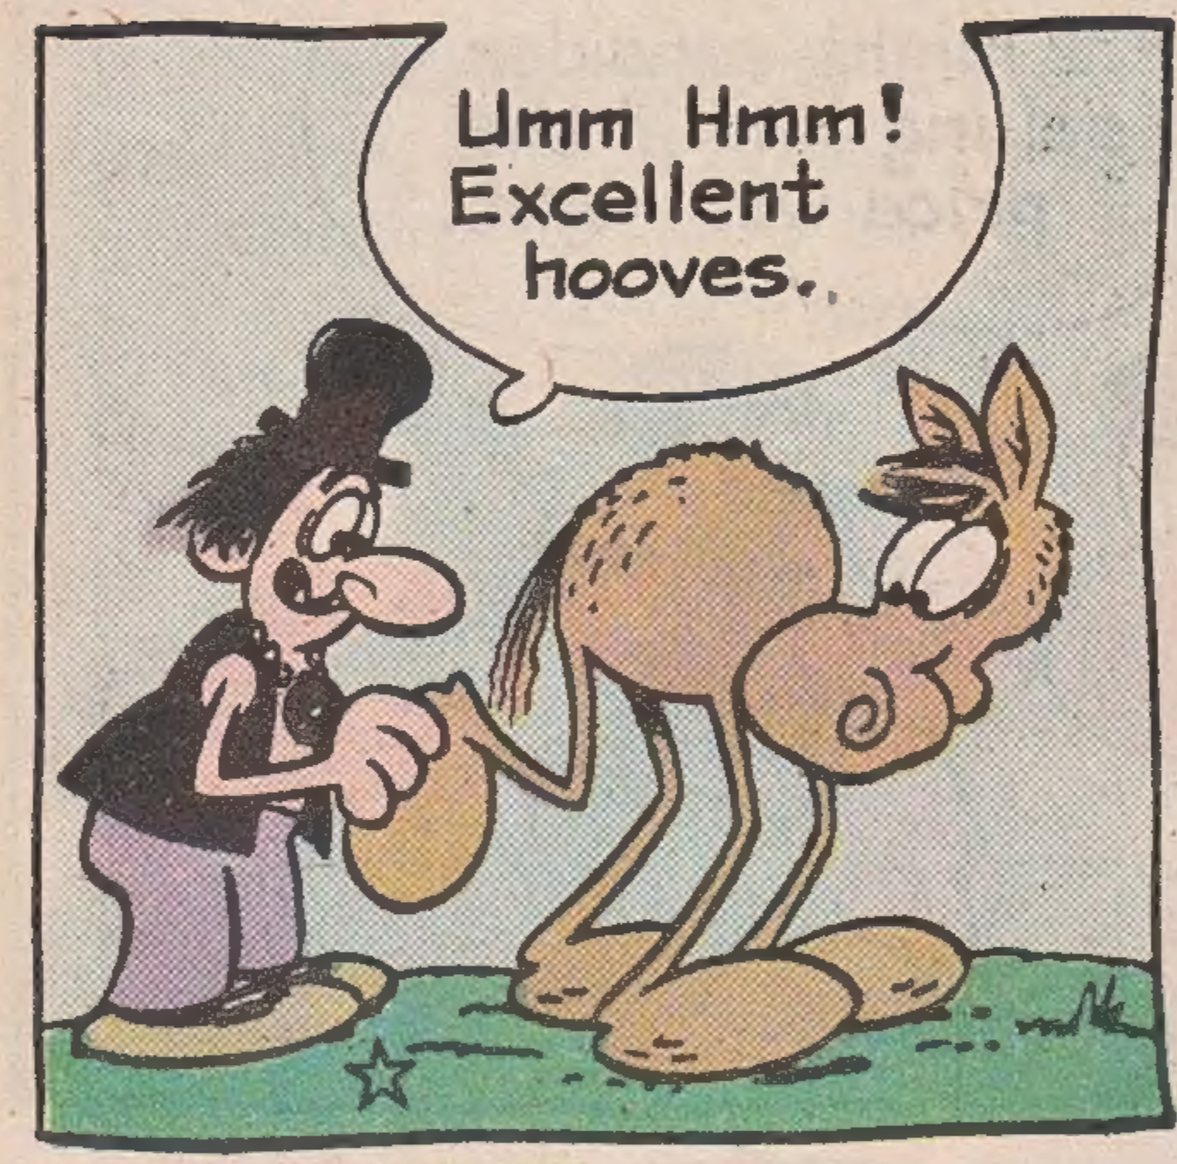
Yes indeed... fine looking animal

Strange... This guy must be crazy!

I'd better be nice to him... He might be violent.



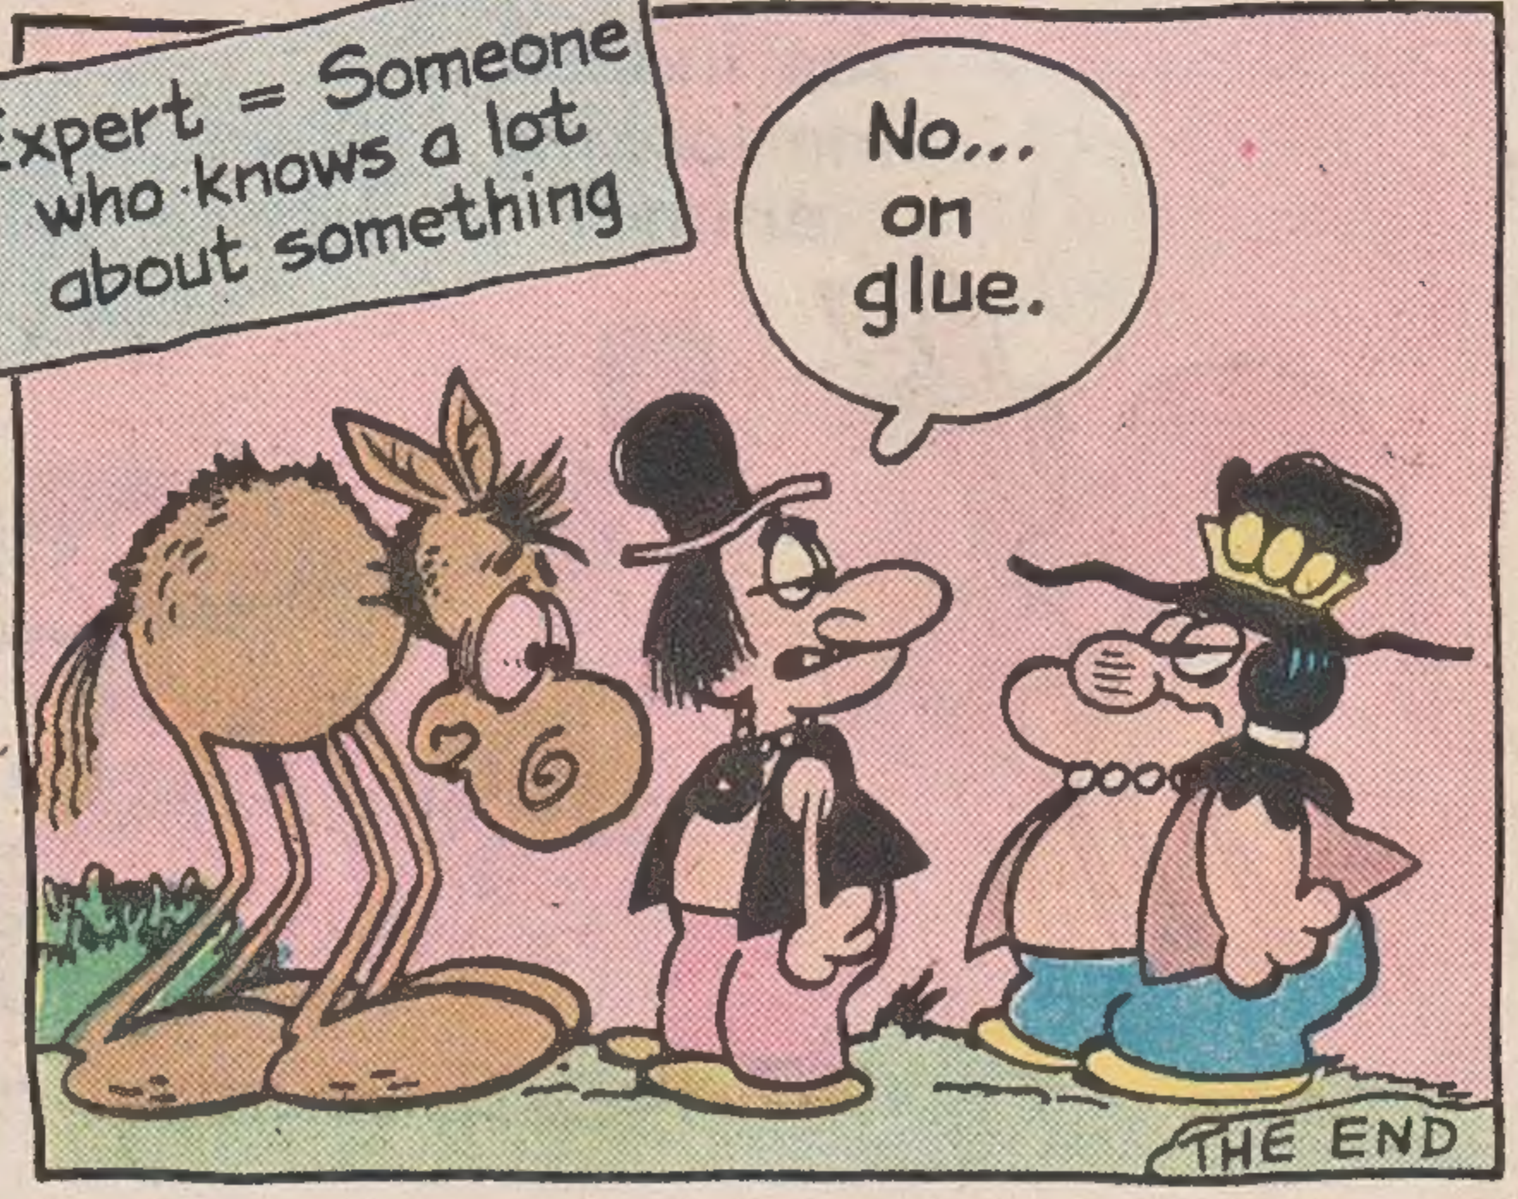
Yes sir!... A great horse.



Umm Hmm! Excellent hooves.

Best looking horse I've seen in a long time!

You must be quite an expert on horses.



Expert = Someone who knows a lot about something
No... on glue.

REDEYE AND POKEY

I'm getting sick and tired of this!

Why should I have to do EVERYTHING?!

No more getting wood or carrying water for me!

There are going to be some changes around here, starting right NOW!

OKAY, YOU TWO! ON YOUR FEET!

There's work to be done and you two lazy ones are going to help!

REDEYE, you get the water!

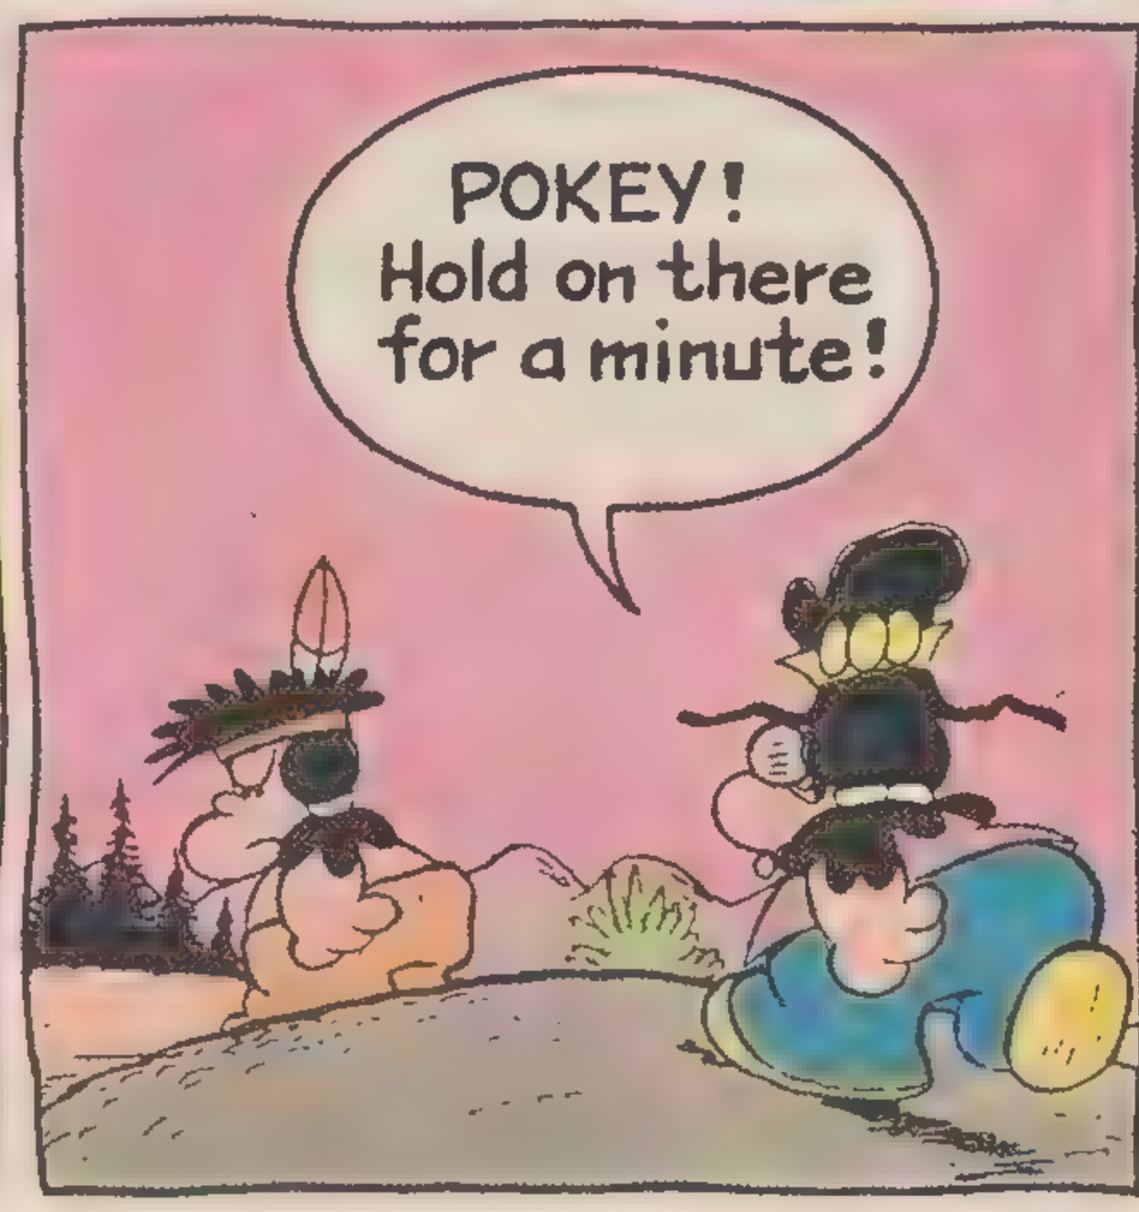
POKEY, you get some firewood.

Get it yourself... I've got other things to do.

Did you hear THAT ?!
Yeah.

He talks to me like that ALL the time.
He does ?

Well? ...Don't you think you'd better speak to him about it?
I'll say I had!



POKEY! Hold on there for a minute!

How in the world do you get away talking to her like that and not get hit in the mouth ?

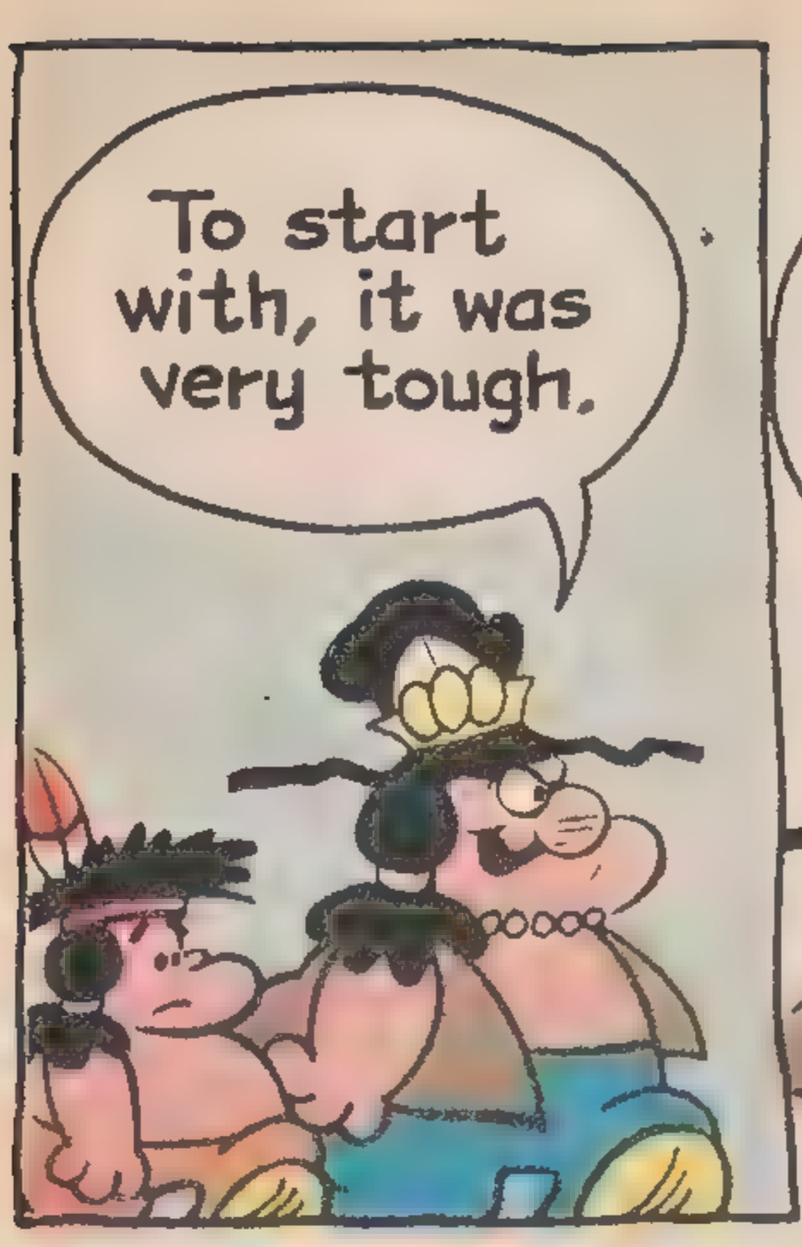
Hold on... You're my father. I thought you were supposed to teach me things!

Yeah... I guess you're right.

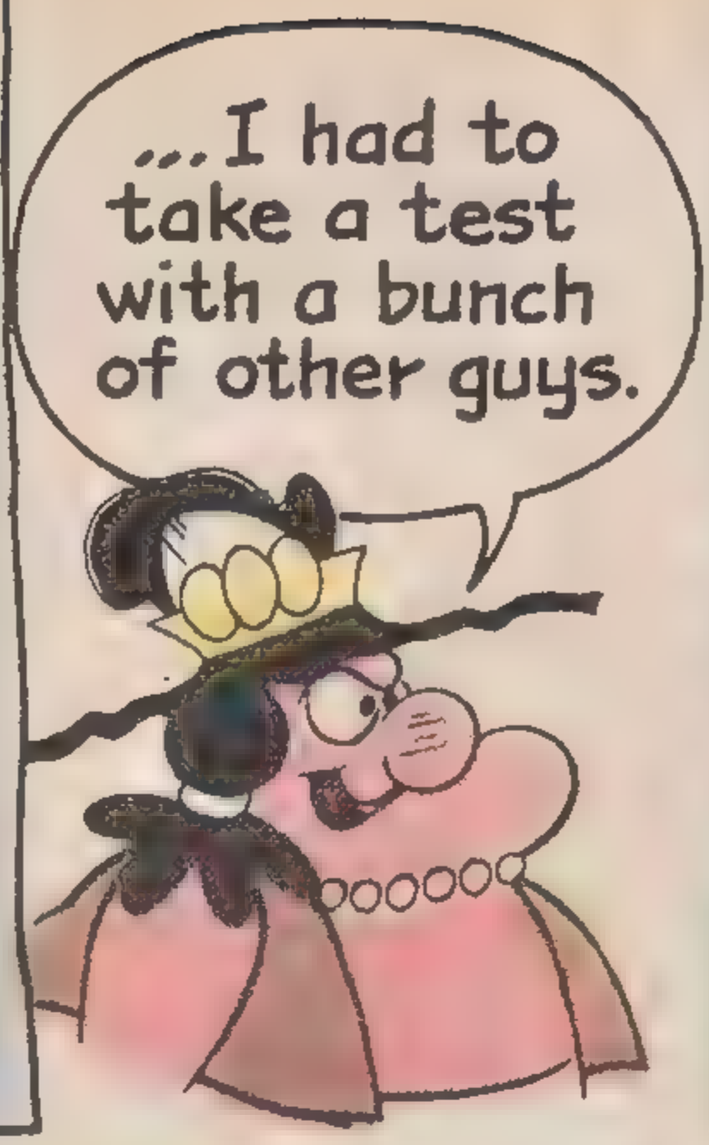
In fact, we'll start today!

Come on, we'll go tell your mother. After all, somebody who is going to grow-up to be chief has lots of things to learn.

Tell me, Father, how did you become chief of this tribe?



To start with, it was very tough.



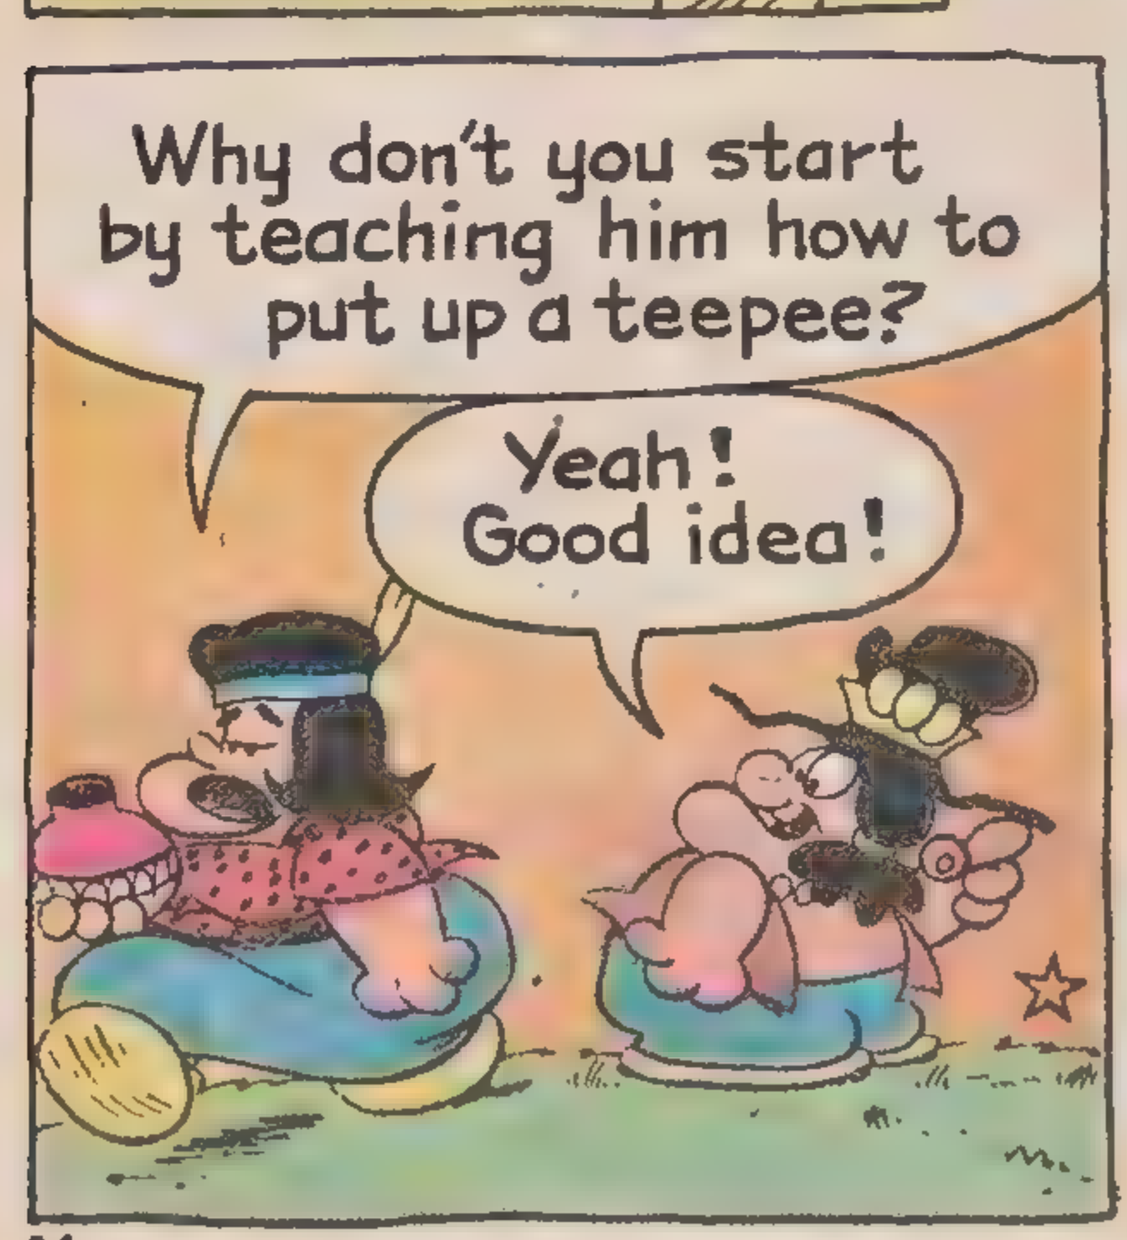
...I had to take a test with a bunch of other guys.

And YOU were the only one to flunk it, right?

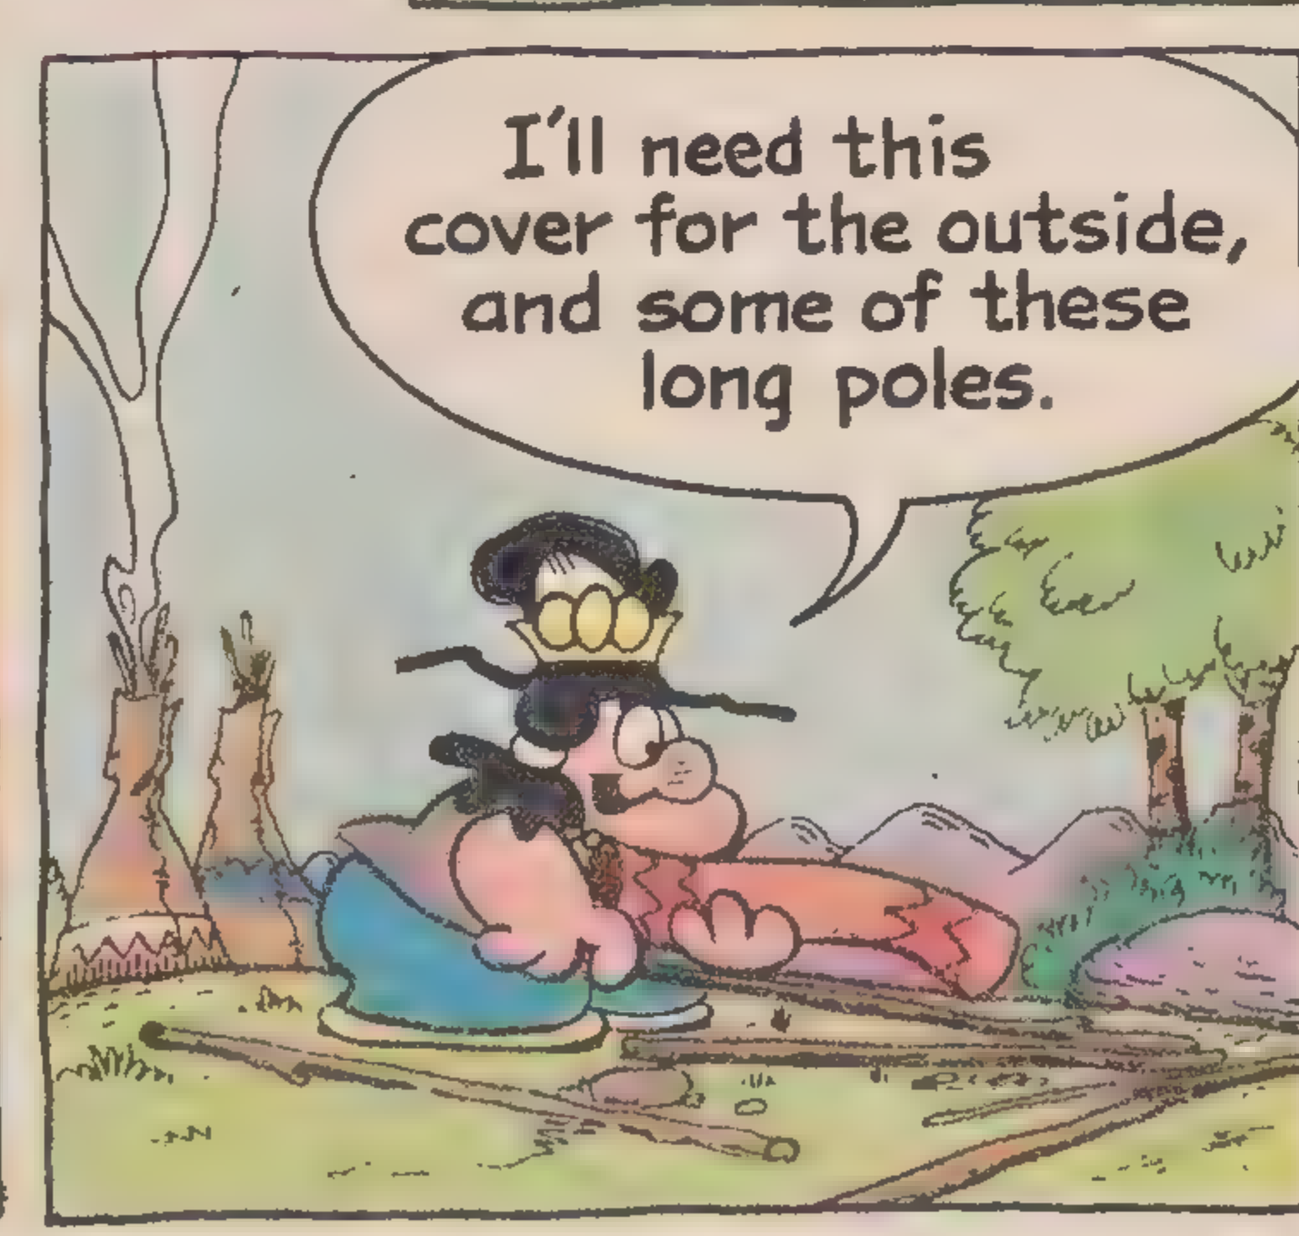
I'm going to take POKEY out and teach him EVERY-THING I know about being an Indian chief.

Okay... I guess I can spare him for FIVE MINUTES.

Now, let's see... What should I show him first?



Why don't you start by teaching him how to put up a teepee?
Yeah! Good idea!



I'll need this cover for the outside, and some of these long poles.

Come on, POKEY, time for your lessons... I'm going to teach you something.

Now sit right there and pay close attention.

It shouldn't take you long to learn how to do this.

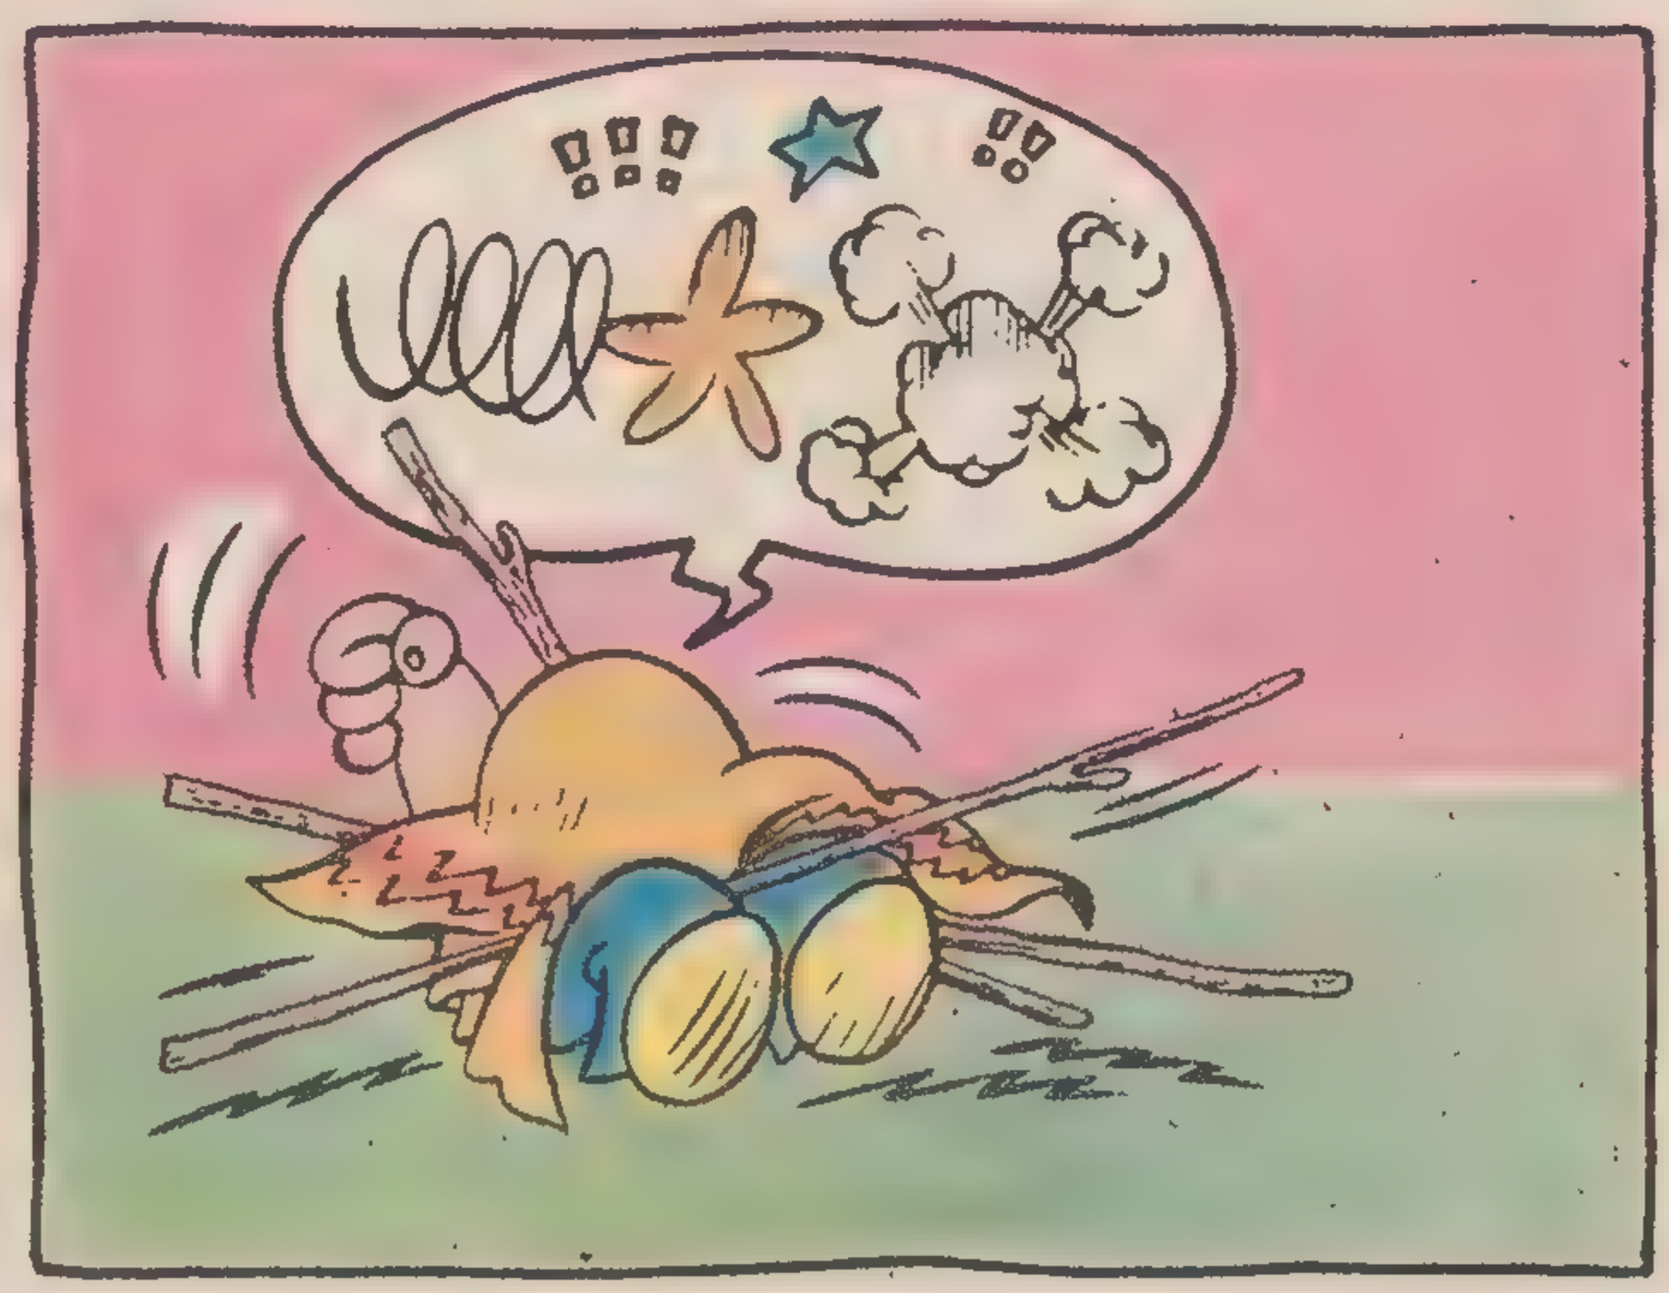
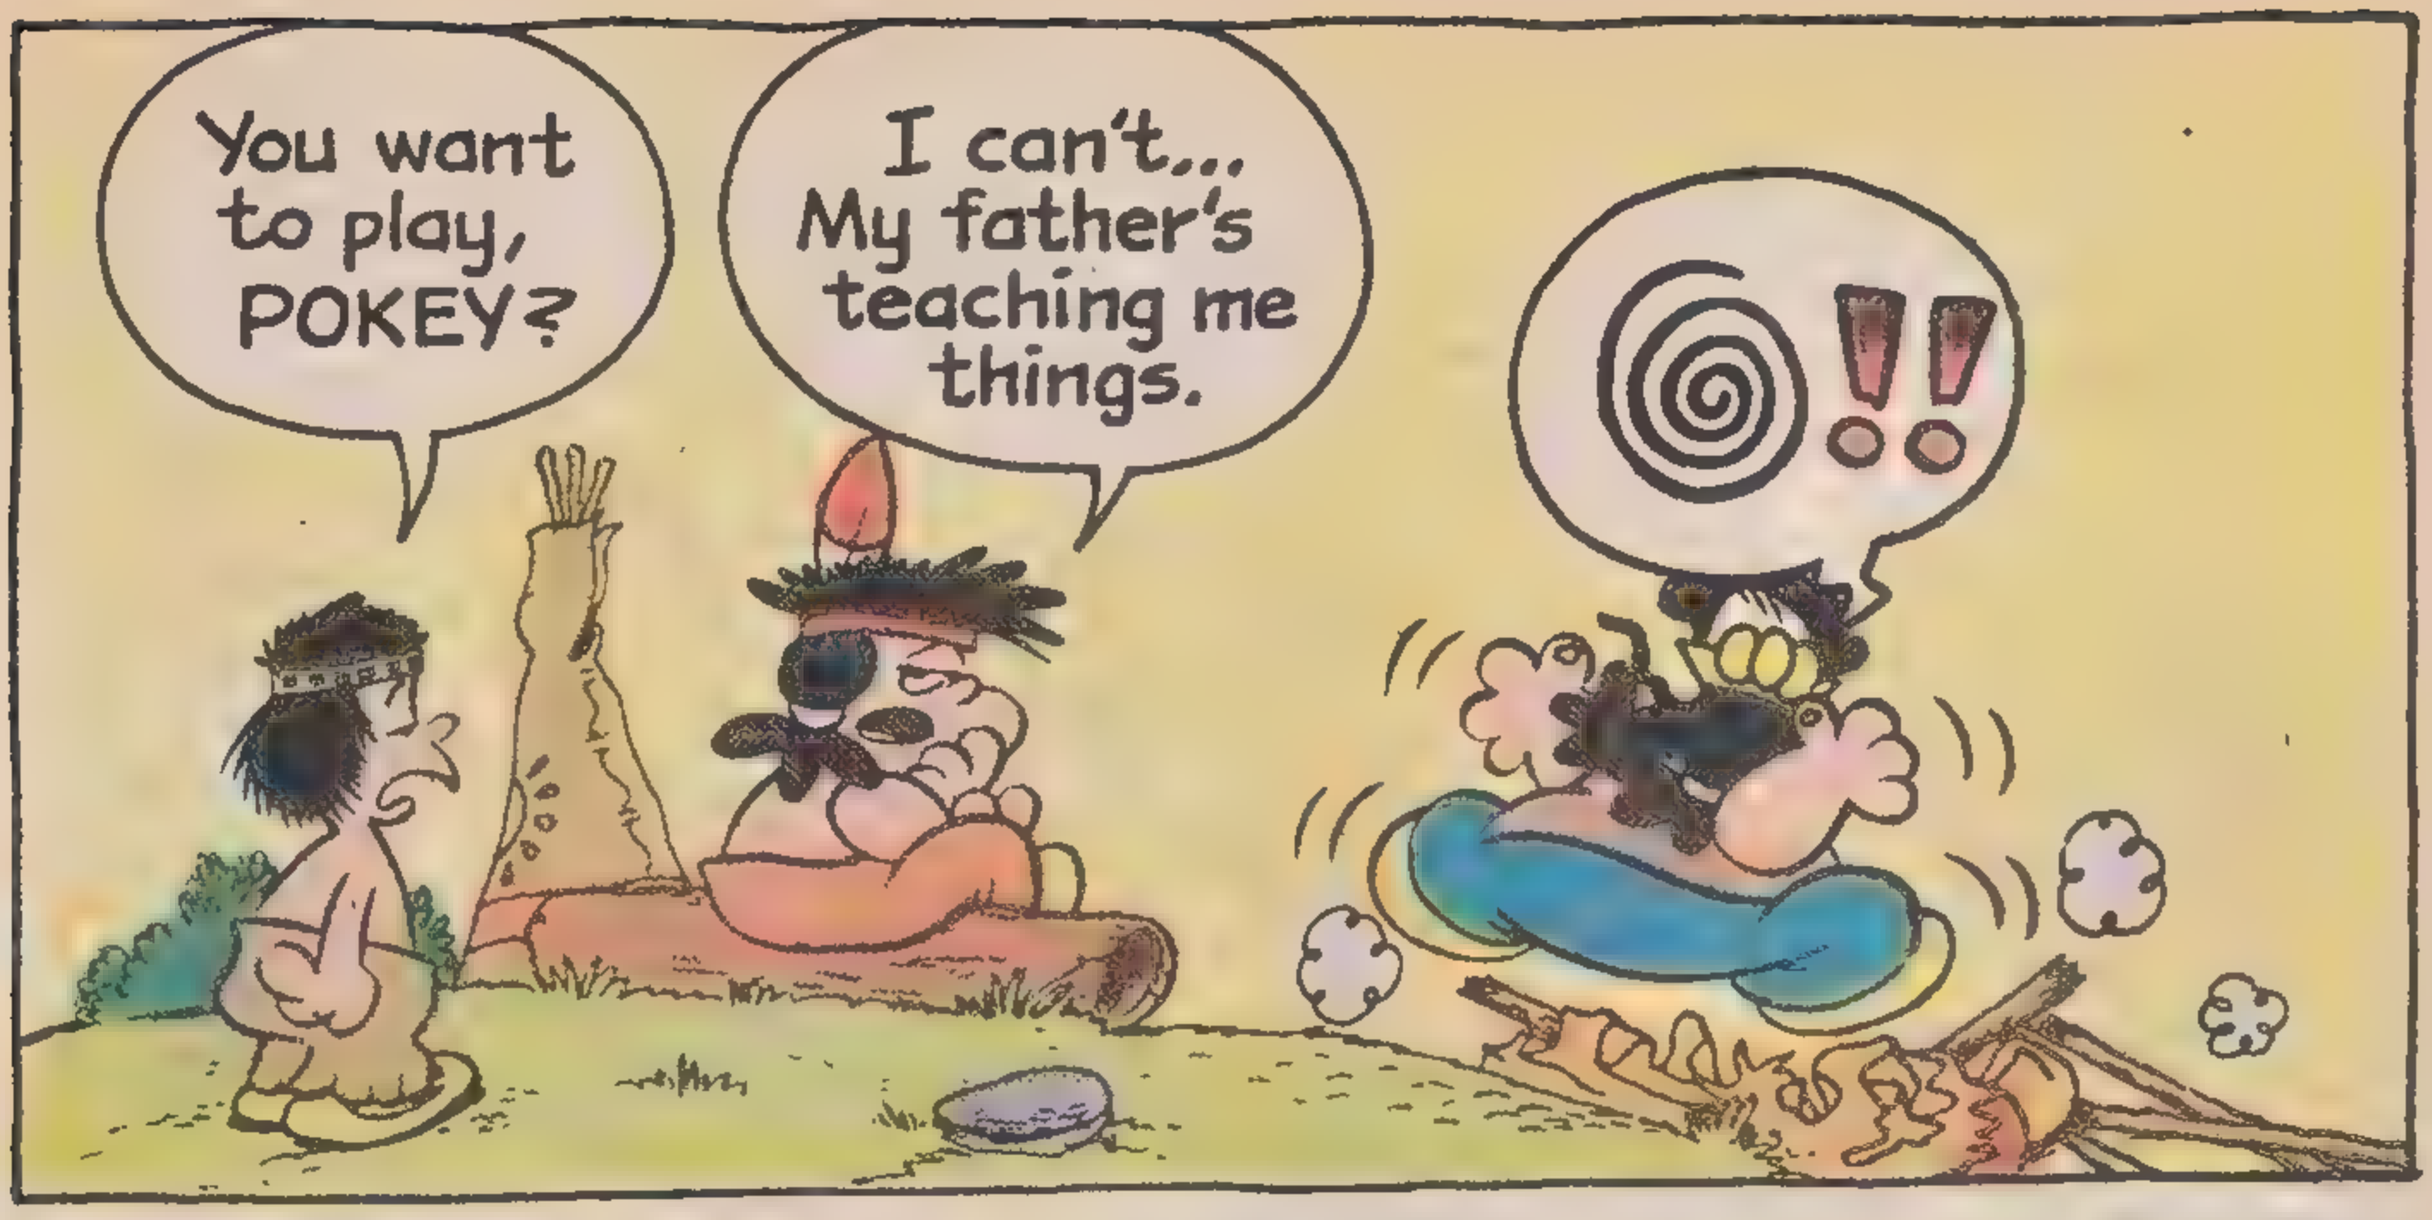
CRASH

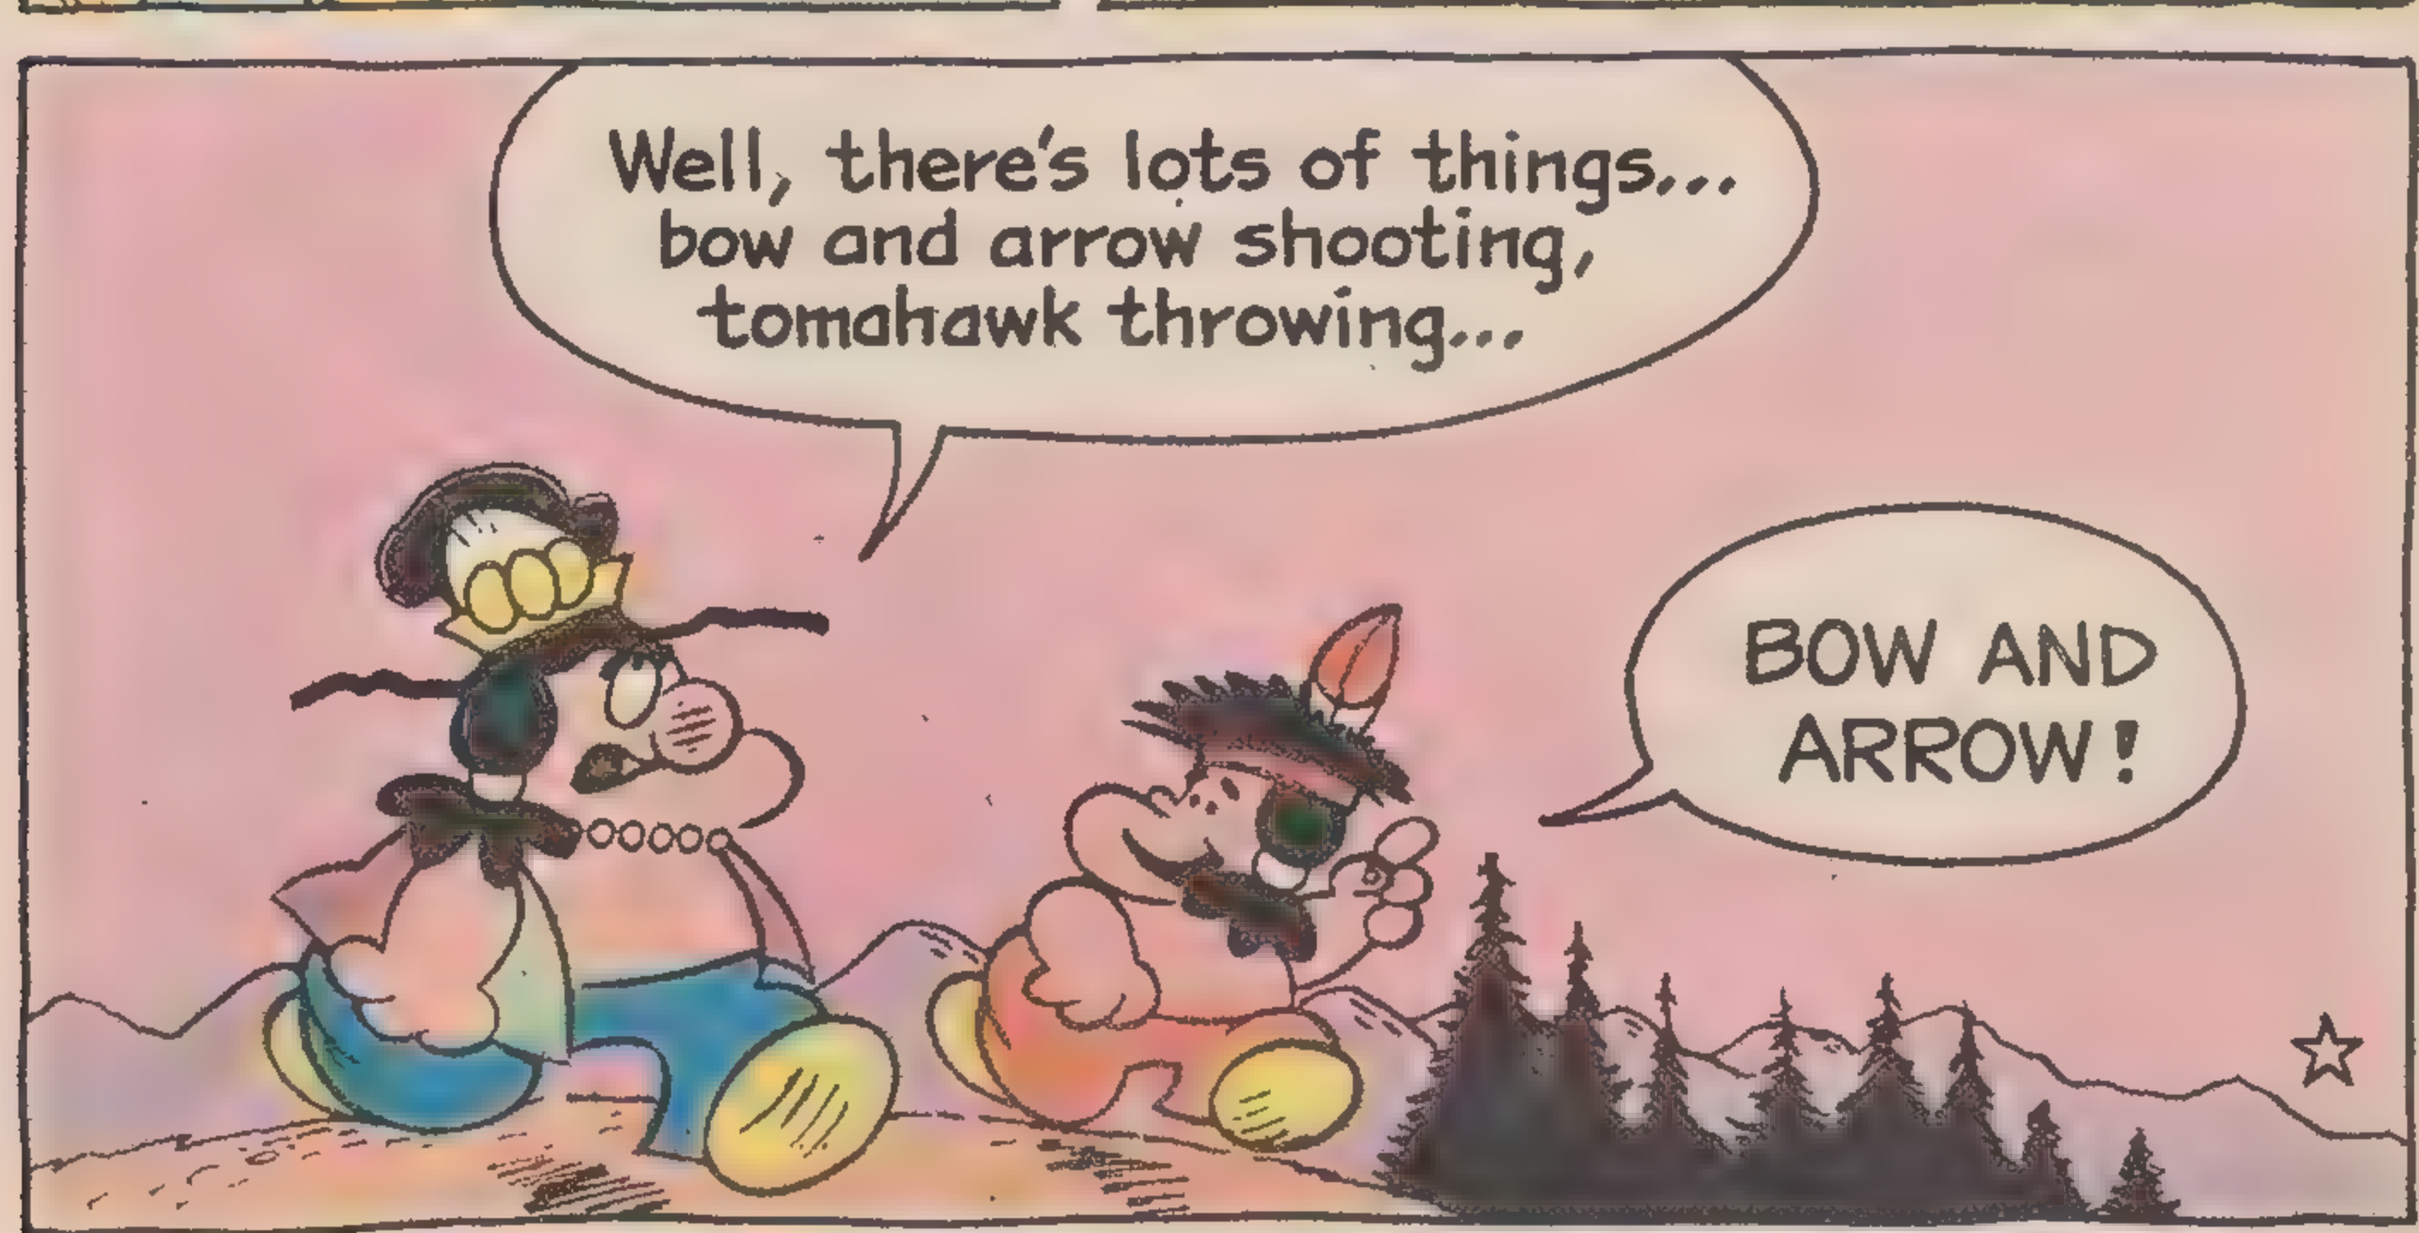




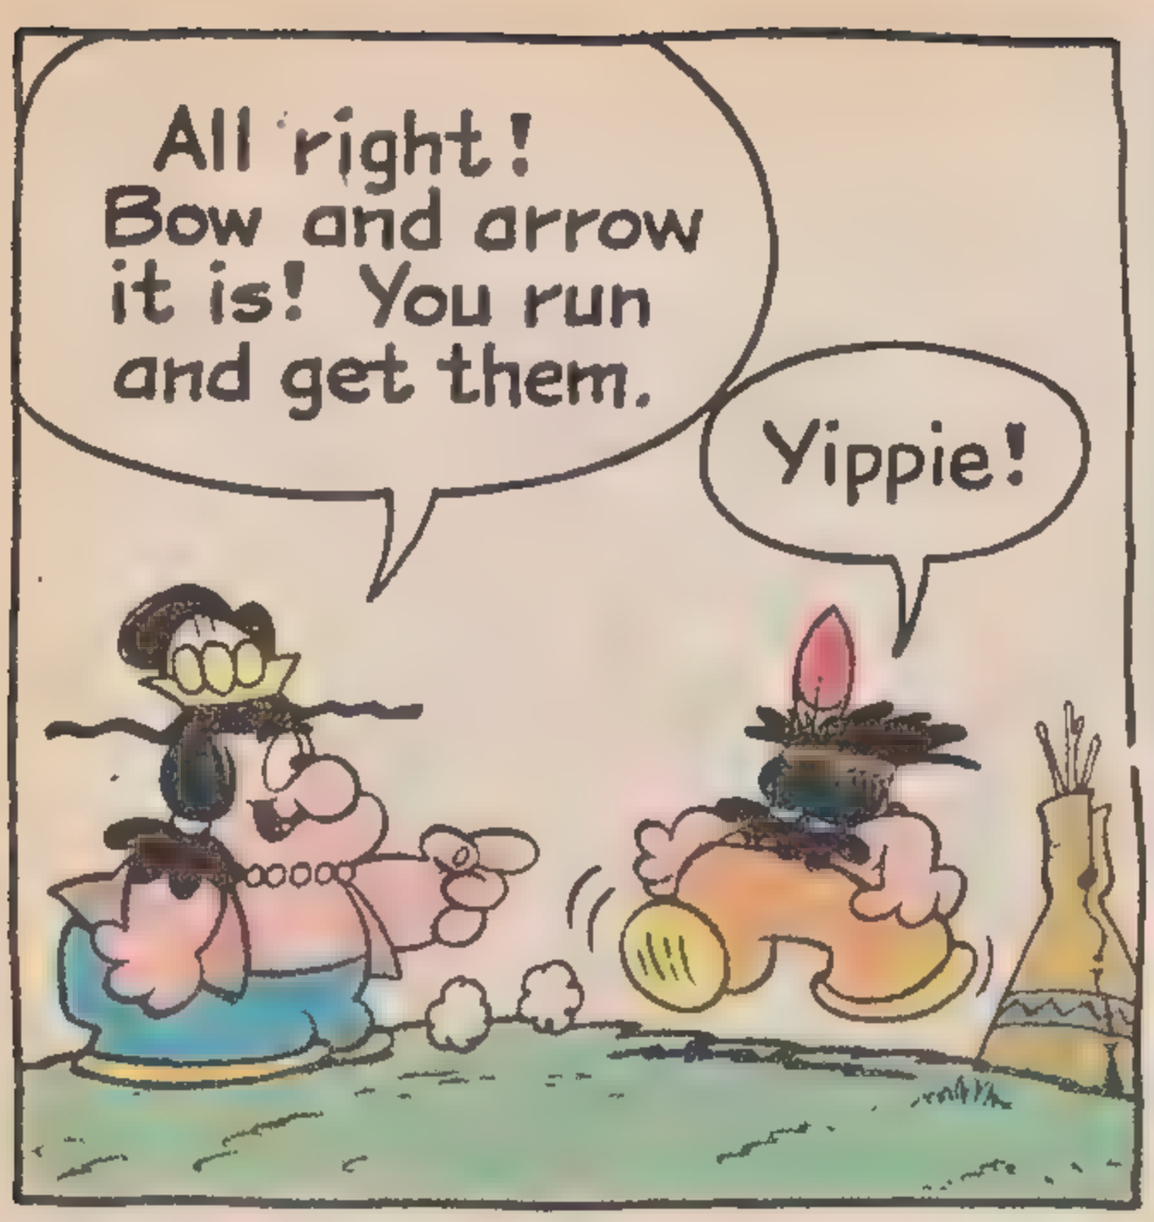
You want to play, POKEY?
I can't... My father's teaching me things.
!!

Come on, we'll try something else...That's probably a little too hard for you anyway.

What are we going to do now?



Well, there's lots of things... bow and arrow shooting, tomahawk throwing...
BOW AND ARROW!

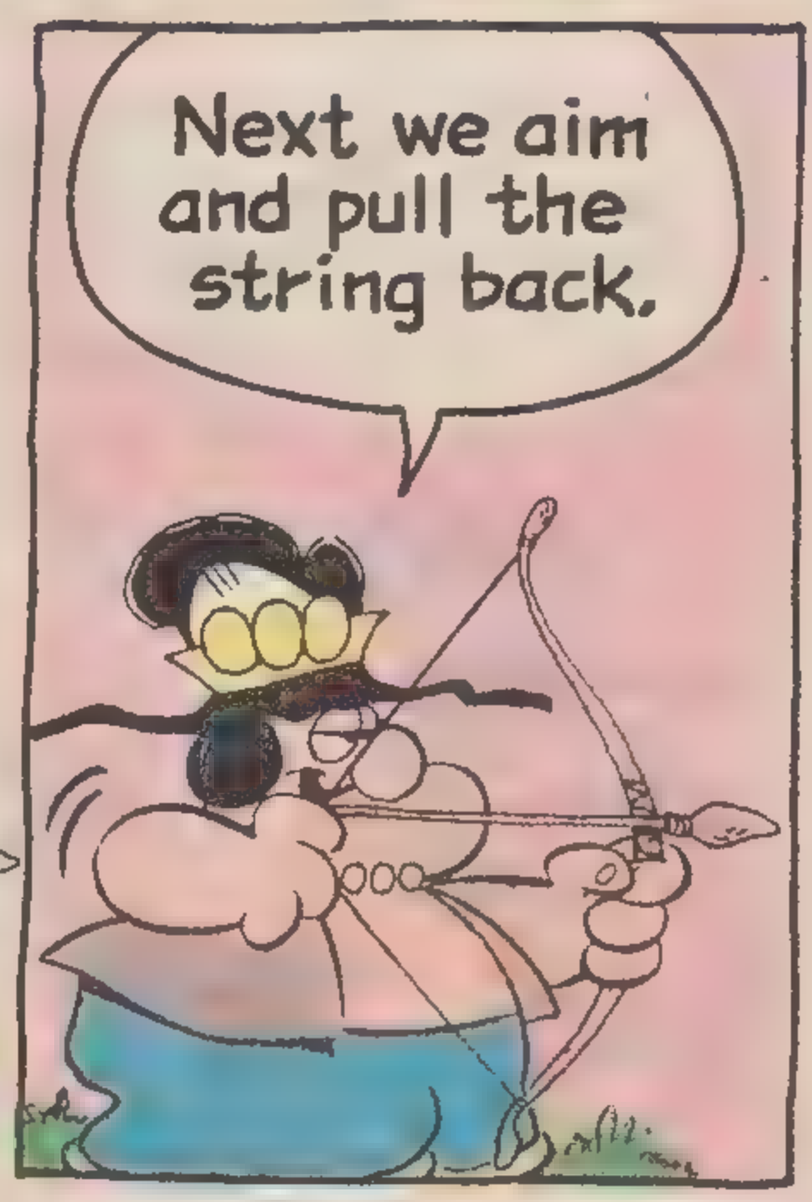


All right! Bow and arrow it is! You run and get them.
Yippie!

Here they are!

I'll shoot one first and you watch and see how it's done.

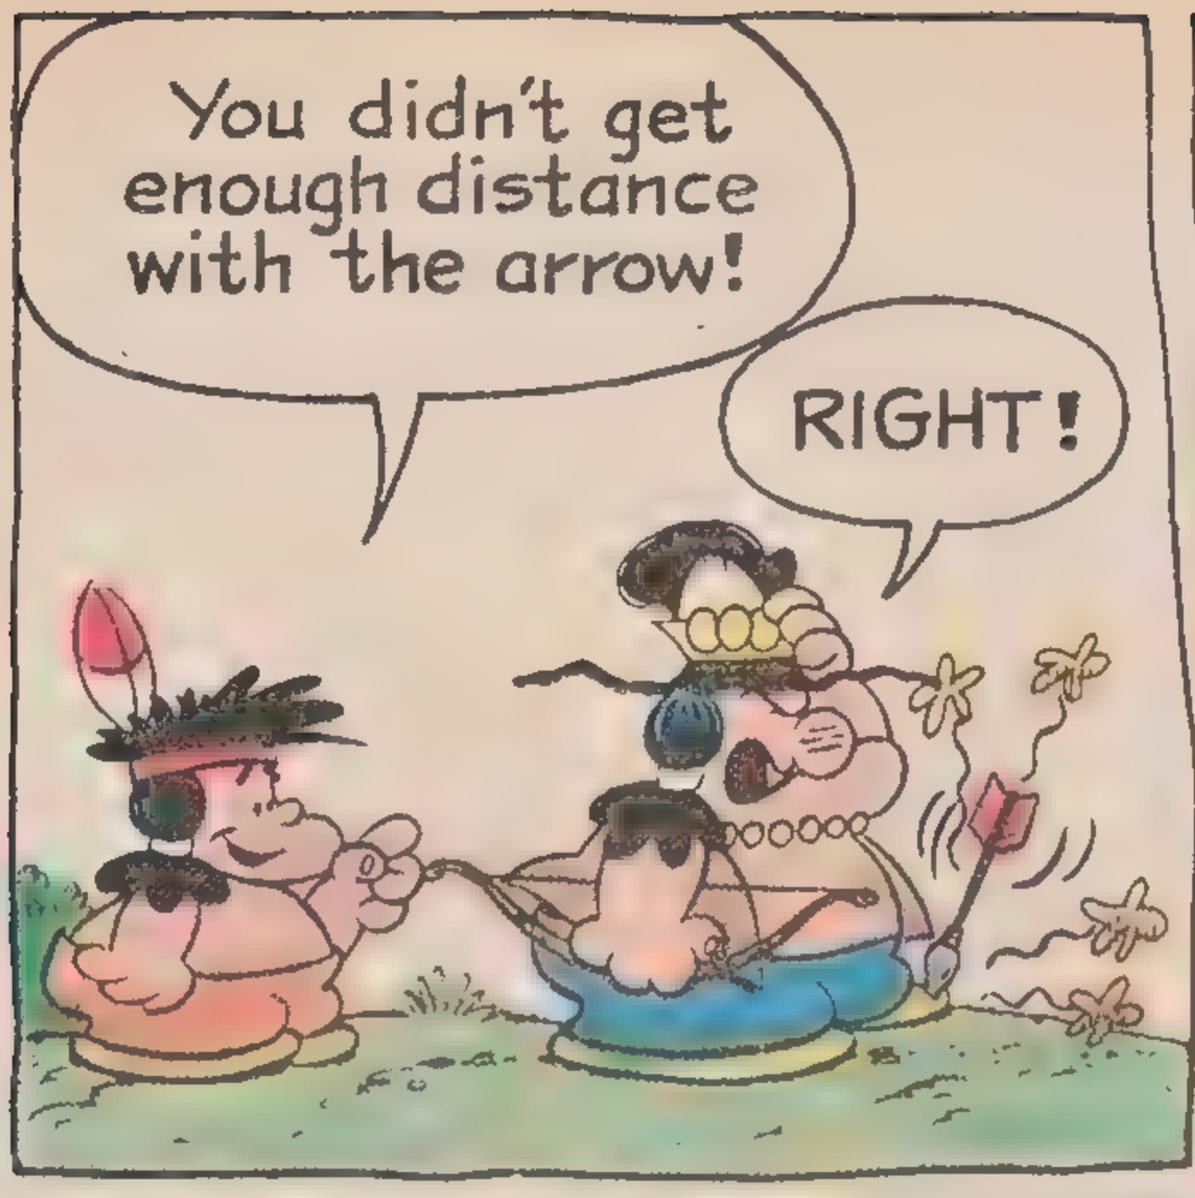
We place the bow in the left hand and the arrow in the right.



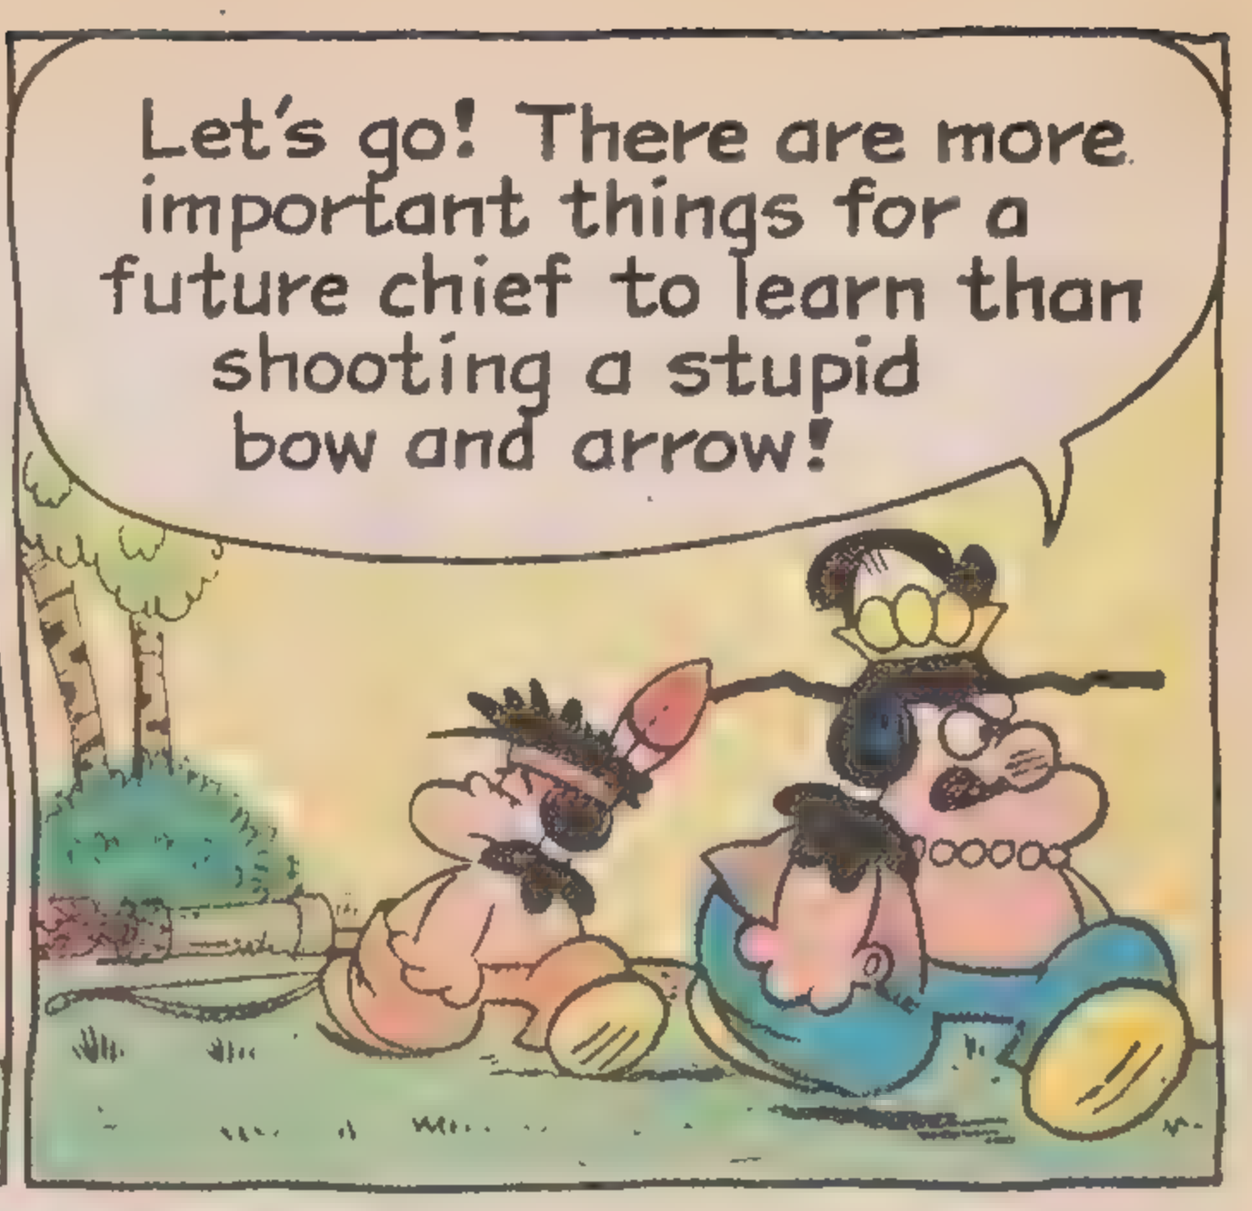
Next we aim and pull the string back.

Then we let her fly!
TWANG

Now then... There was ONE thing wrong with that shot... Can you tell me what it was?



You didn't get enough distance with the arrow!
RIGHT!



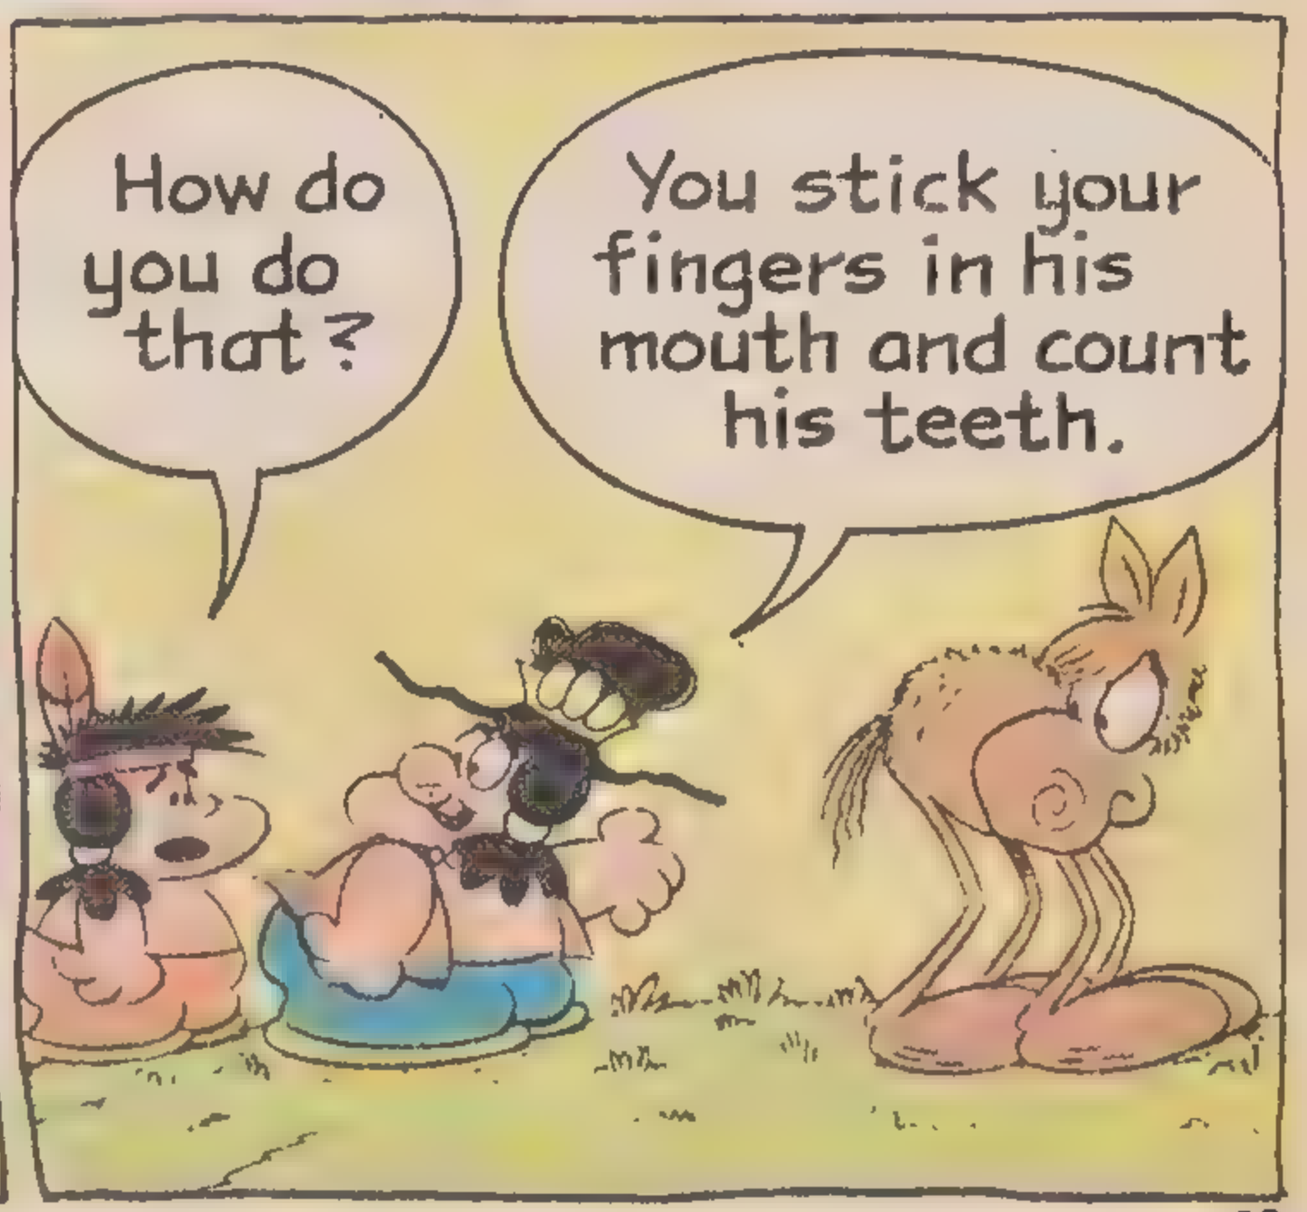
Let's go! There are more important things for a future chief to learn than shooting a stupid bow and arrow!

It would be good for you to learn some Indian Lore.

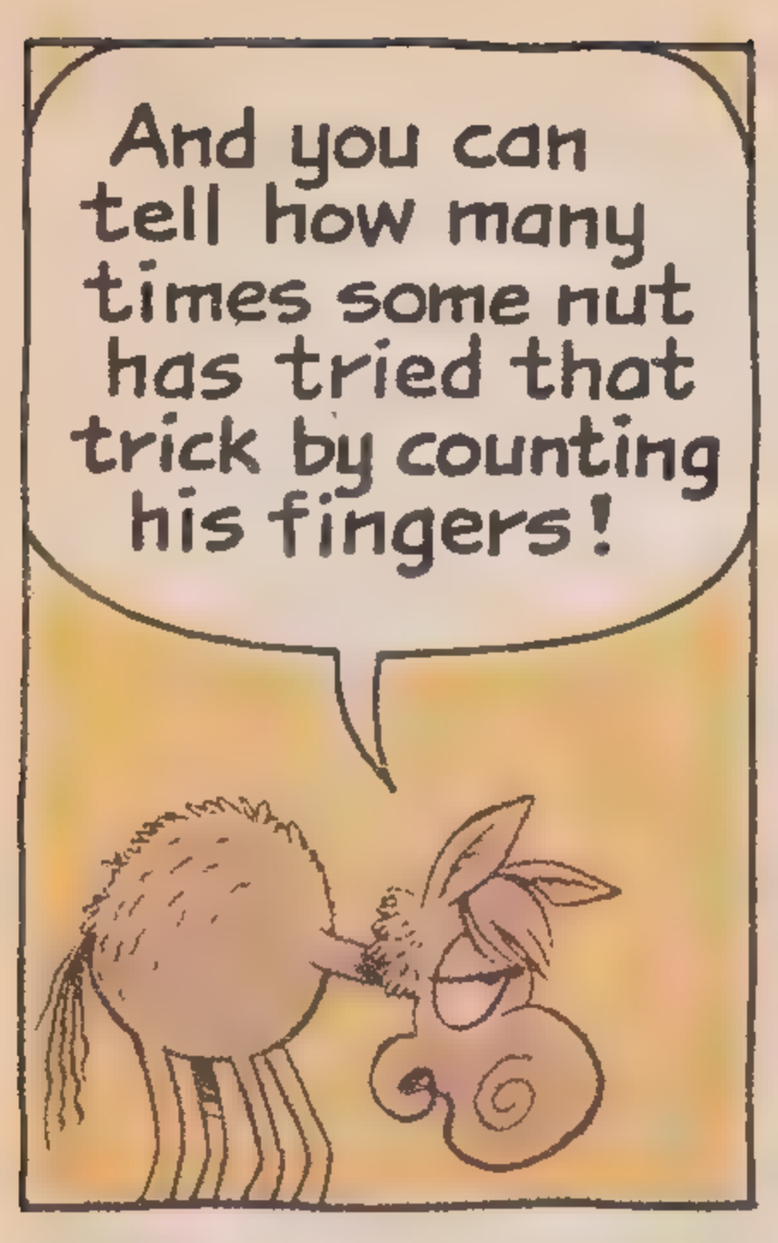
What does 'Indian Lore' mean?

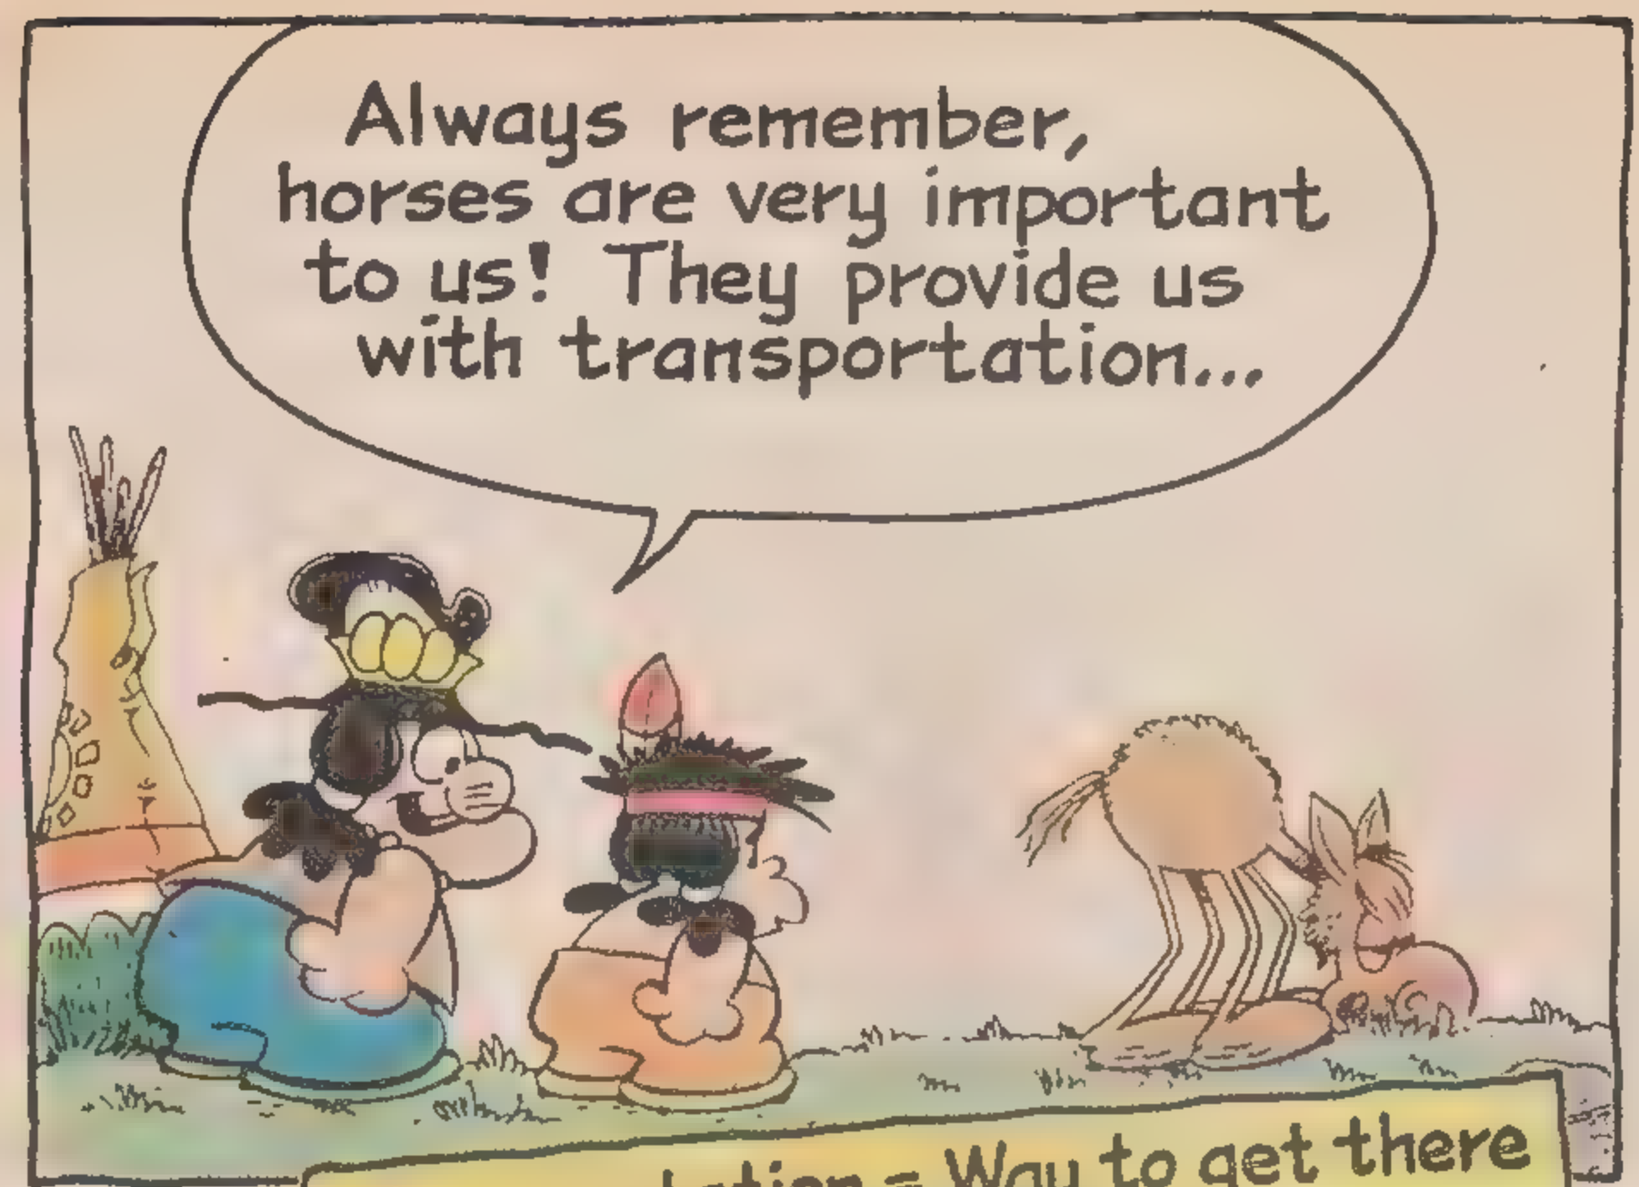
It's things like being able to tell how old a tree is by counting the rings in its trunk.

Another is knowing how to tell a horse's age.

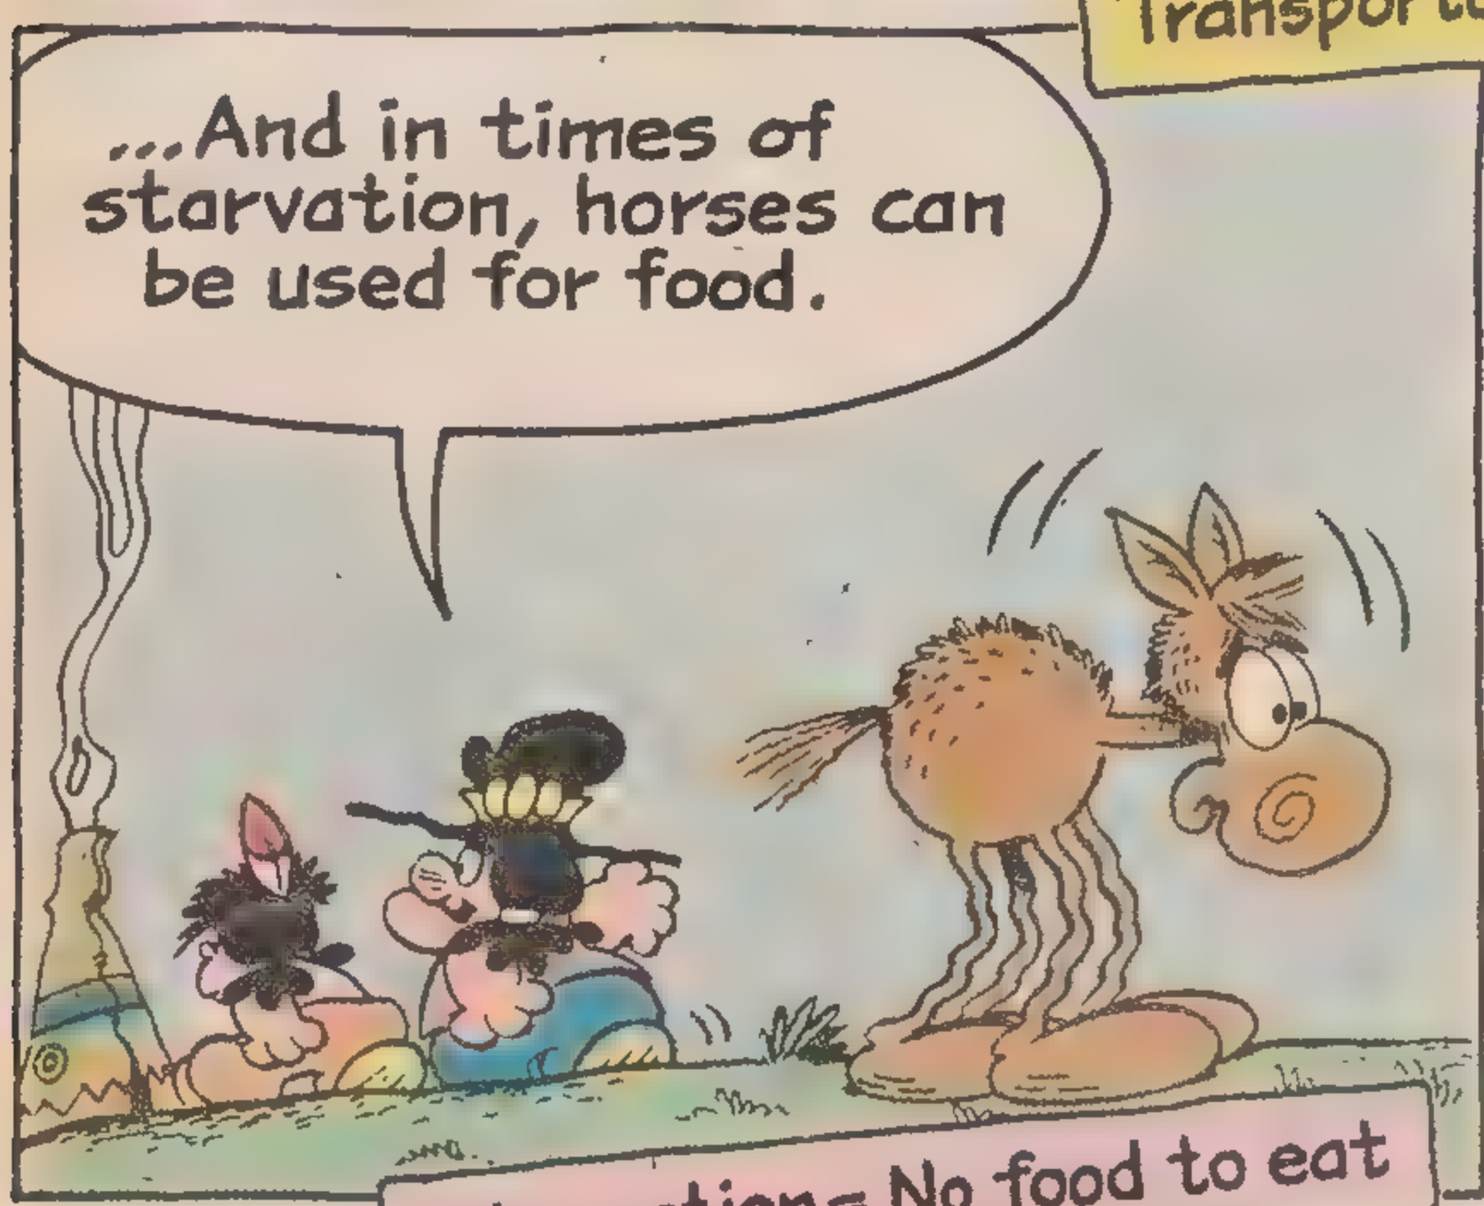


How do you do that?
You stick your fingers in his mouth and count his teeth.

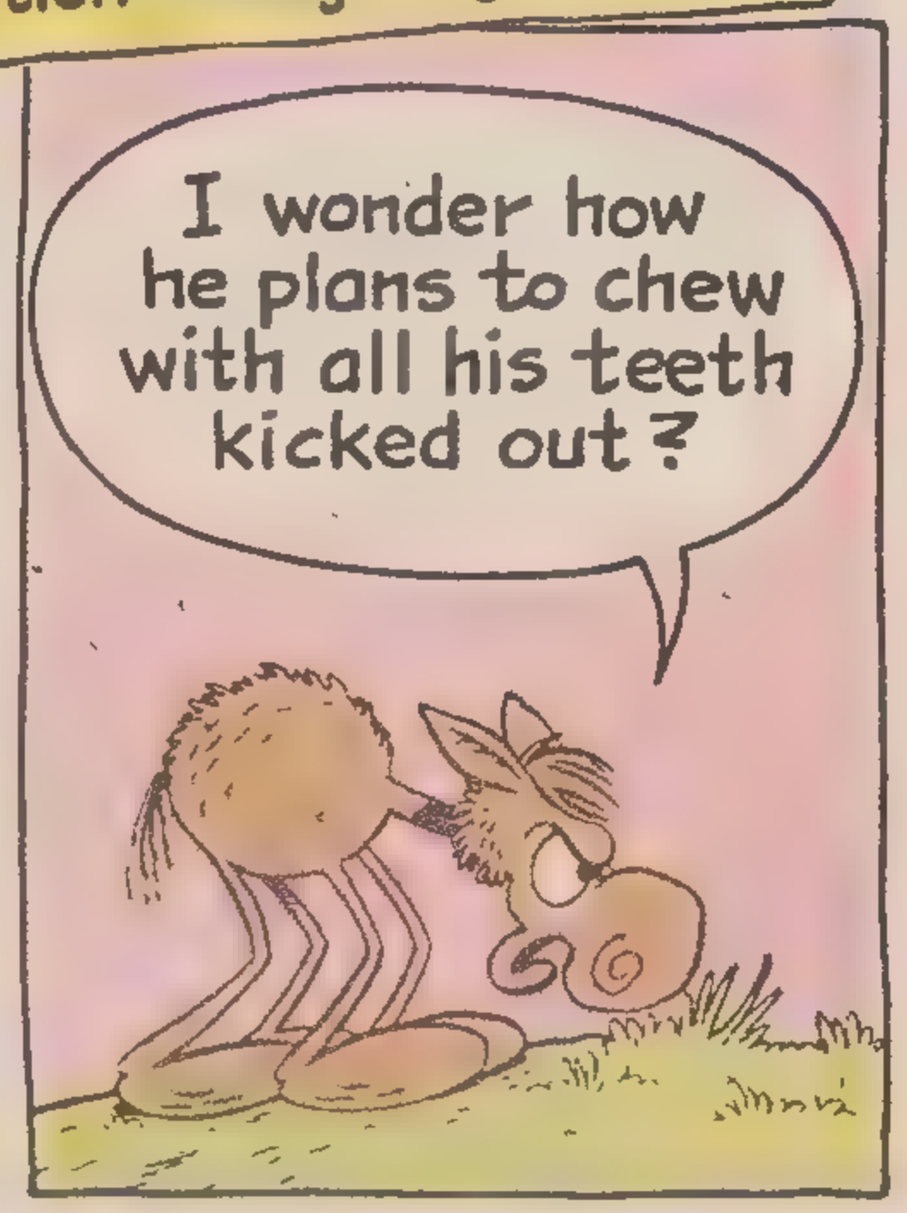




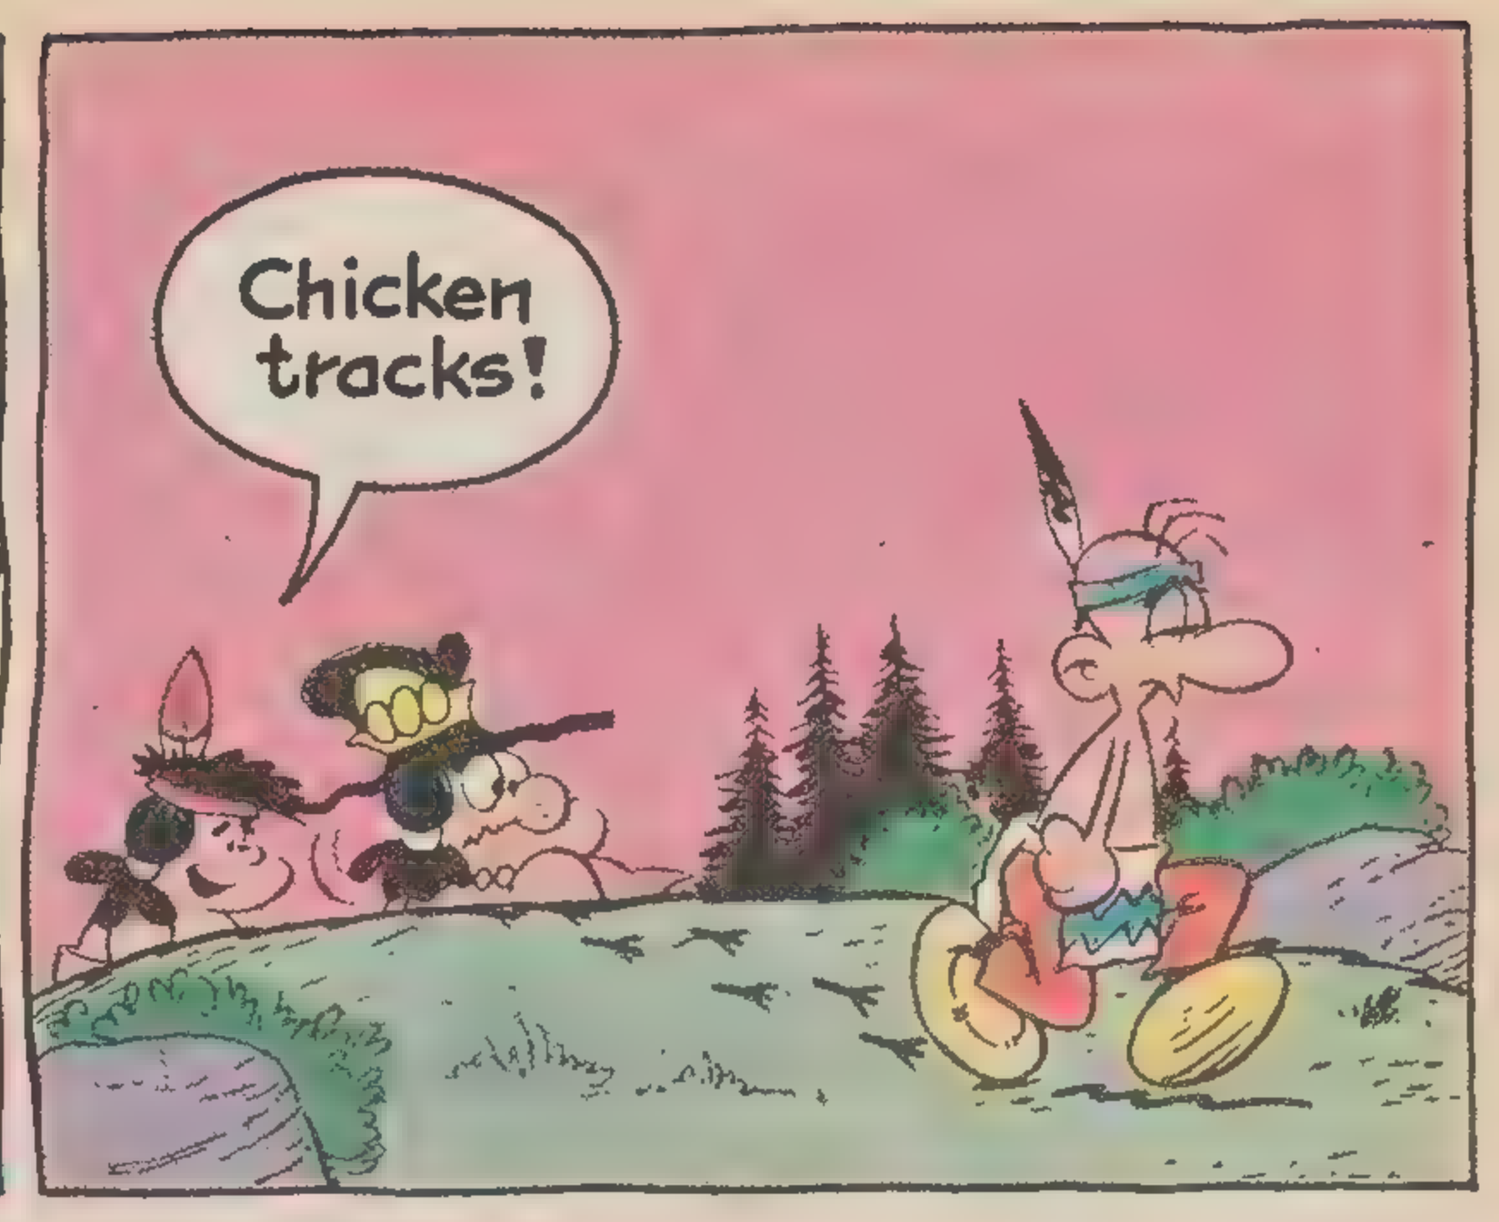
Transportation = Way to get there



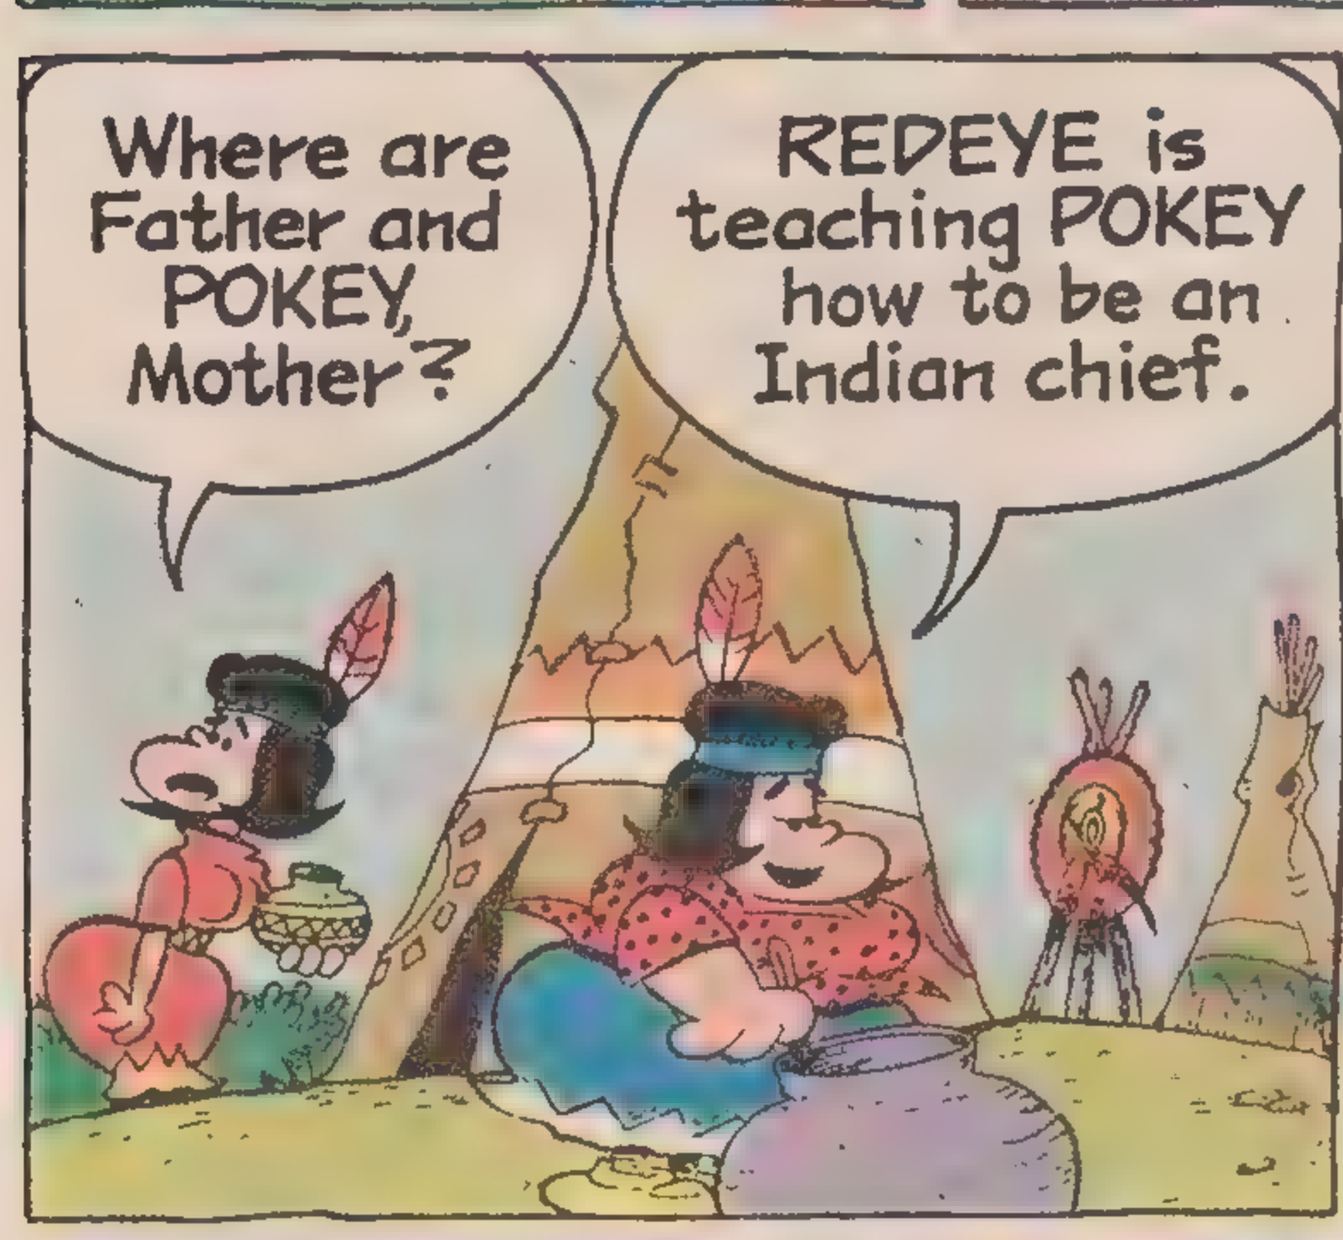
Starvation = No food to eat



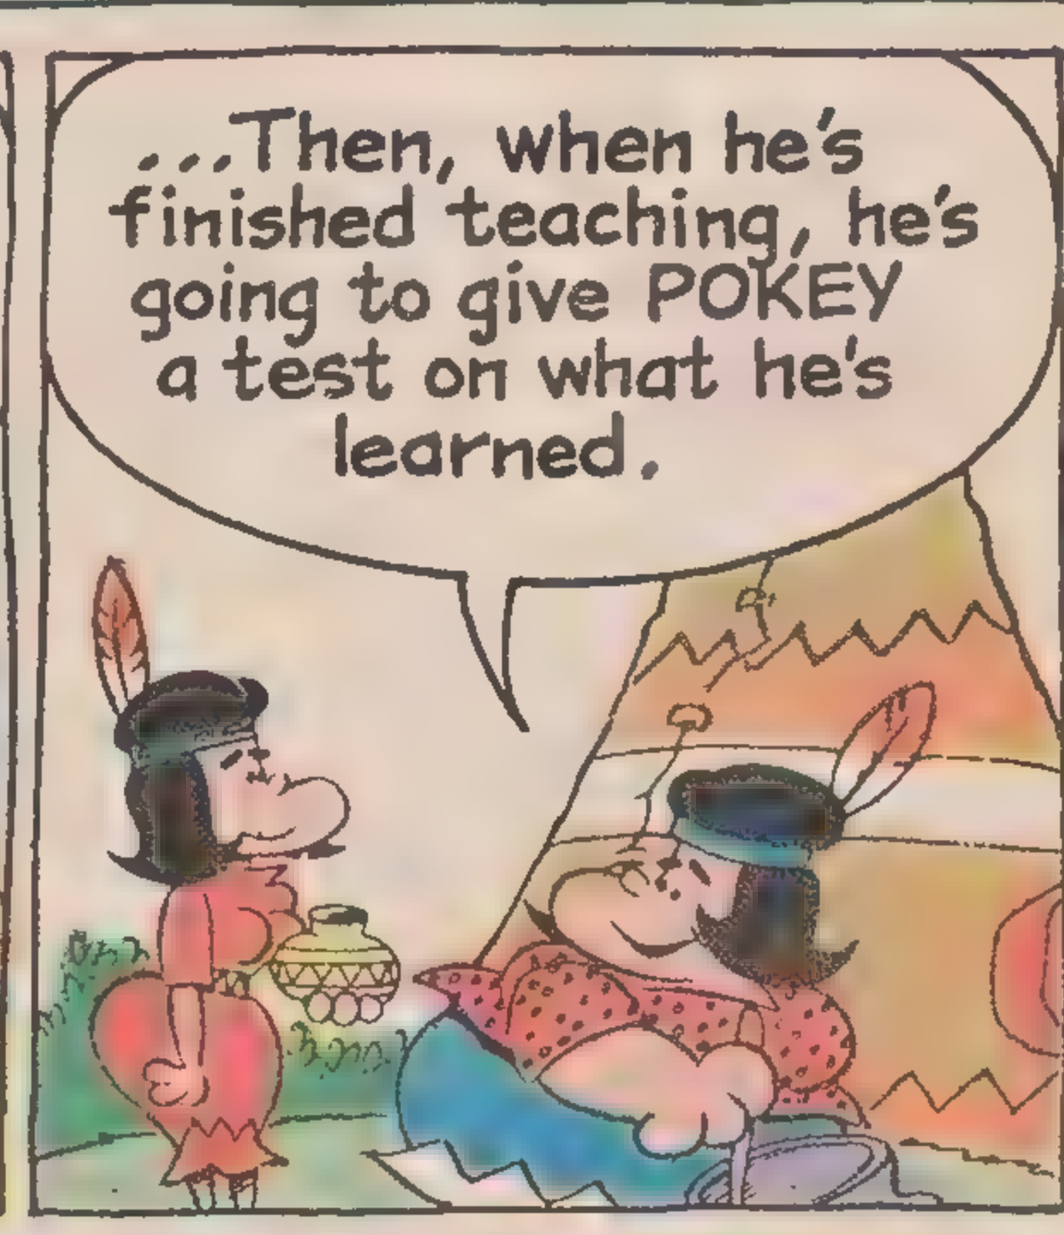
Hey! I know what kind of tracks those are!
Okay, what kind?



Chicken tracks!

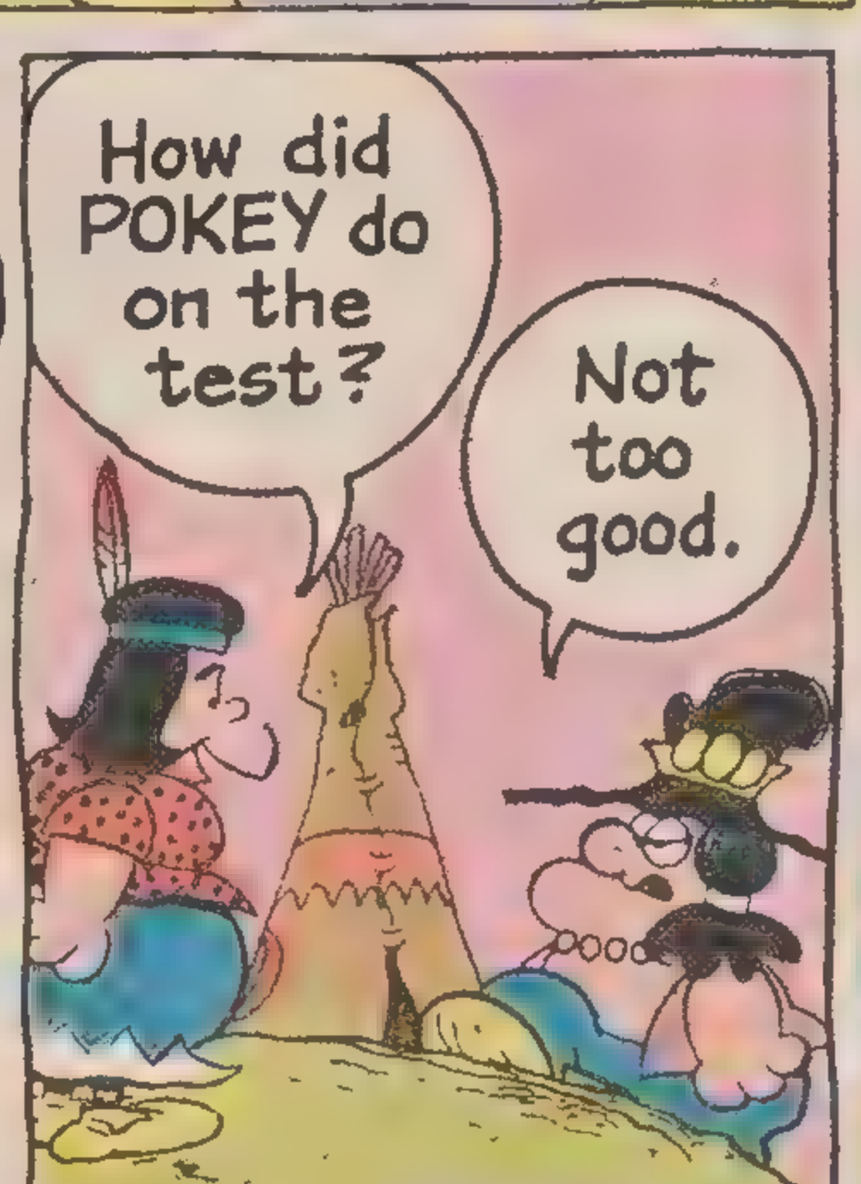


Where are Father and POKEY, Mother?
REDEYE is teaching POKEY how to be an Indian chief.



...Then, when he's finished teaching, he's going to give POKEY a test on what he's learned.

Here they come now.



How did POKEY do on the test?
Not too good.

He flunked 'Peace Talks.'

TIGER HELPS OUT!

Hey, Tiger, I need help!

I can't tie knots.

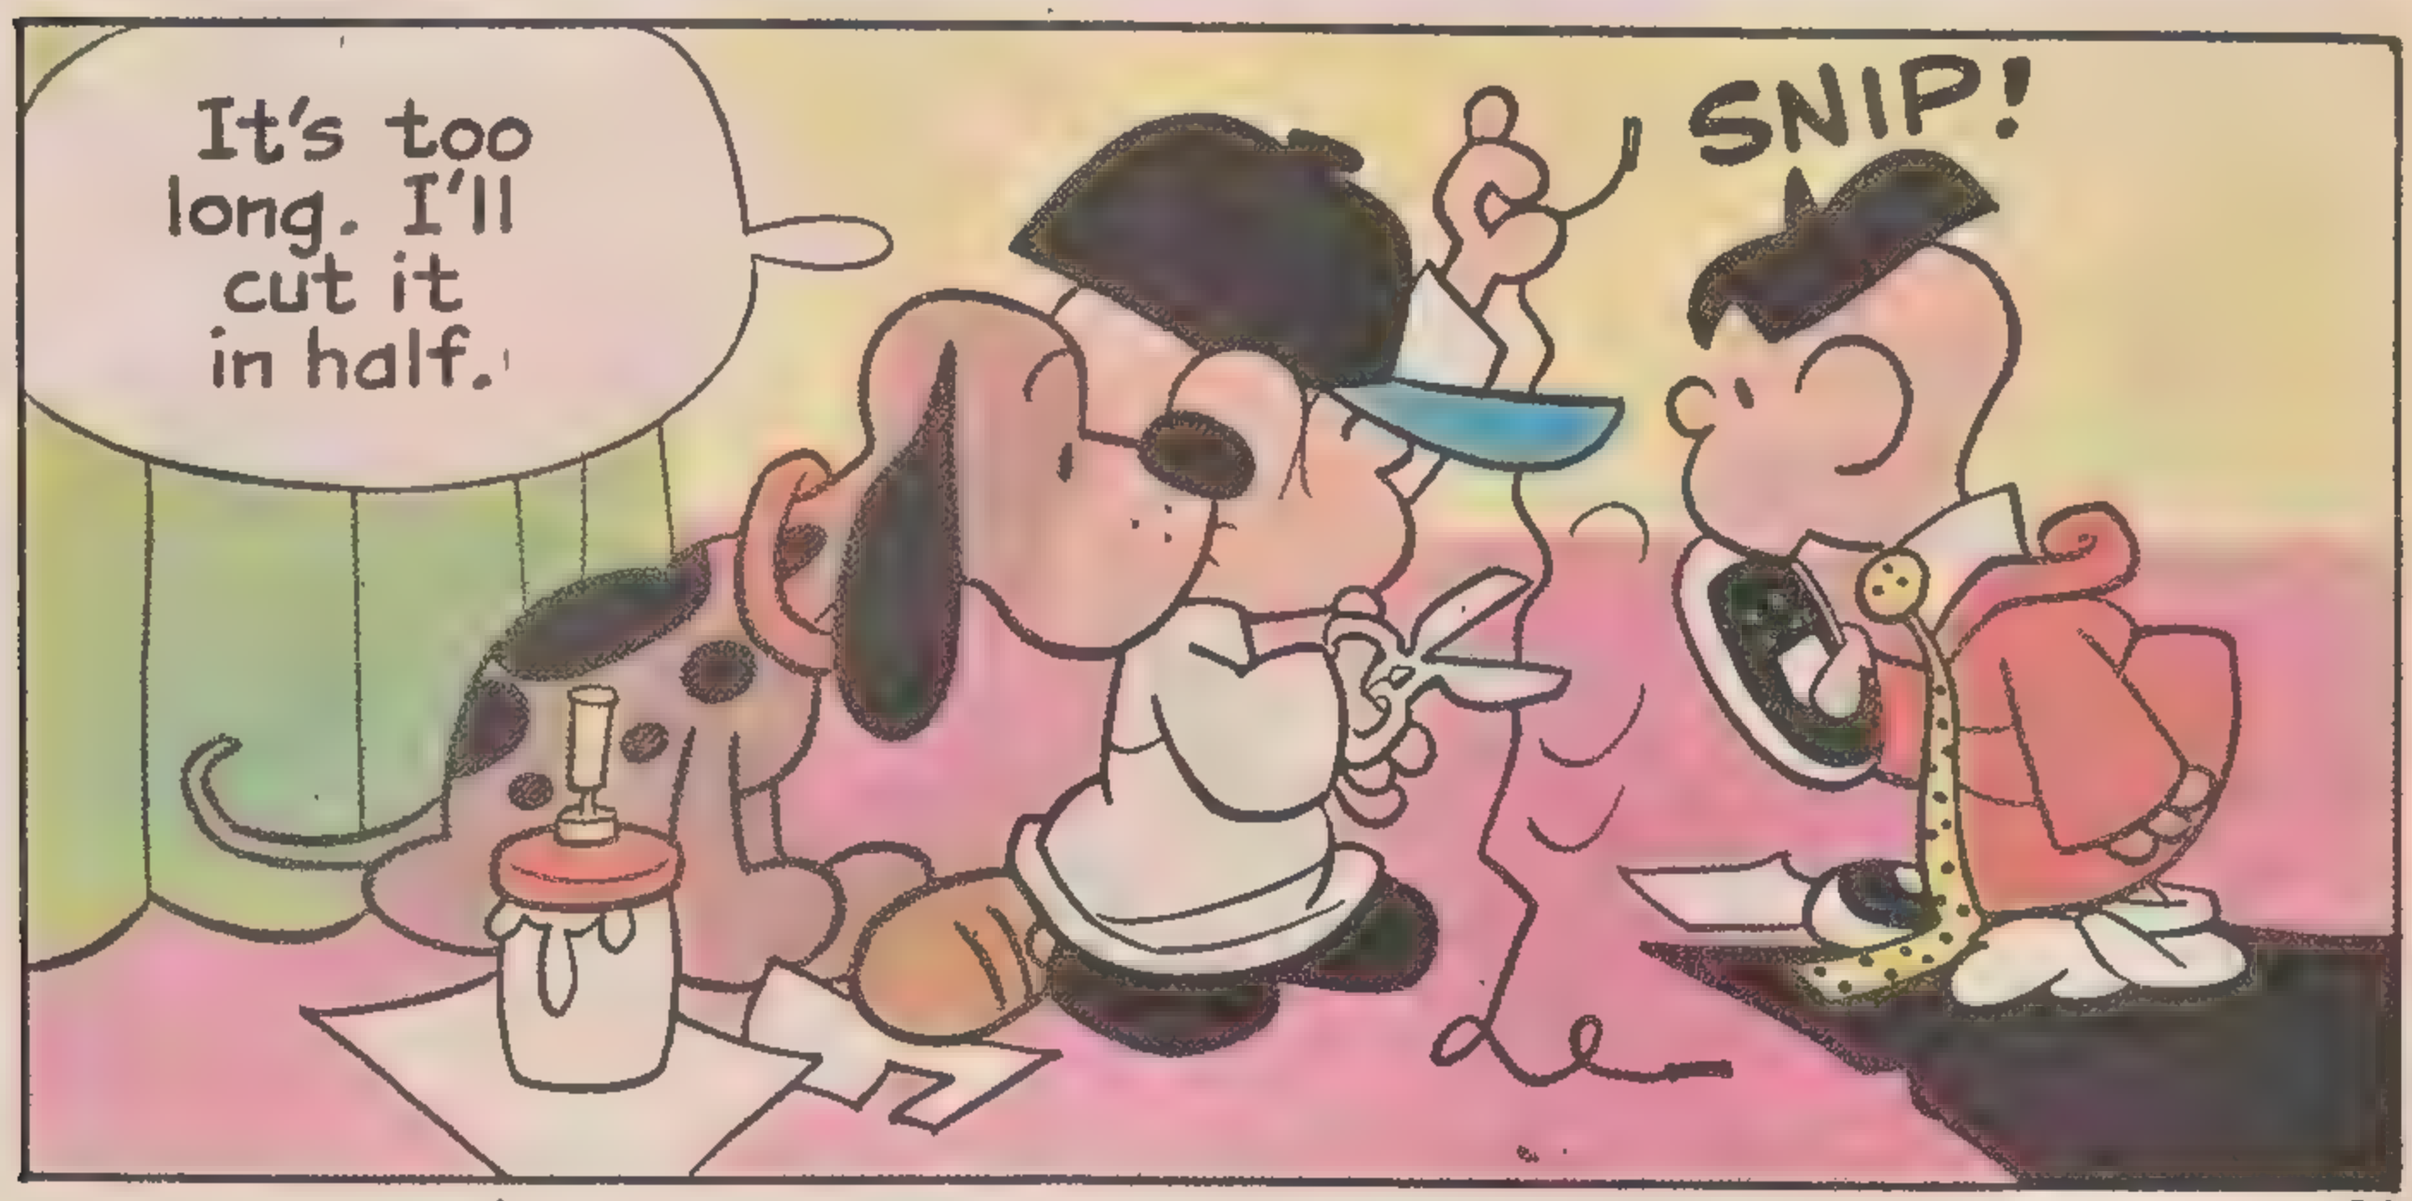
My shoelace broke, Tiger — Can you fix it?

It isn't long enough for me to tie together.

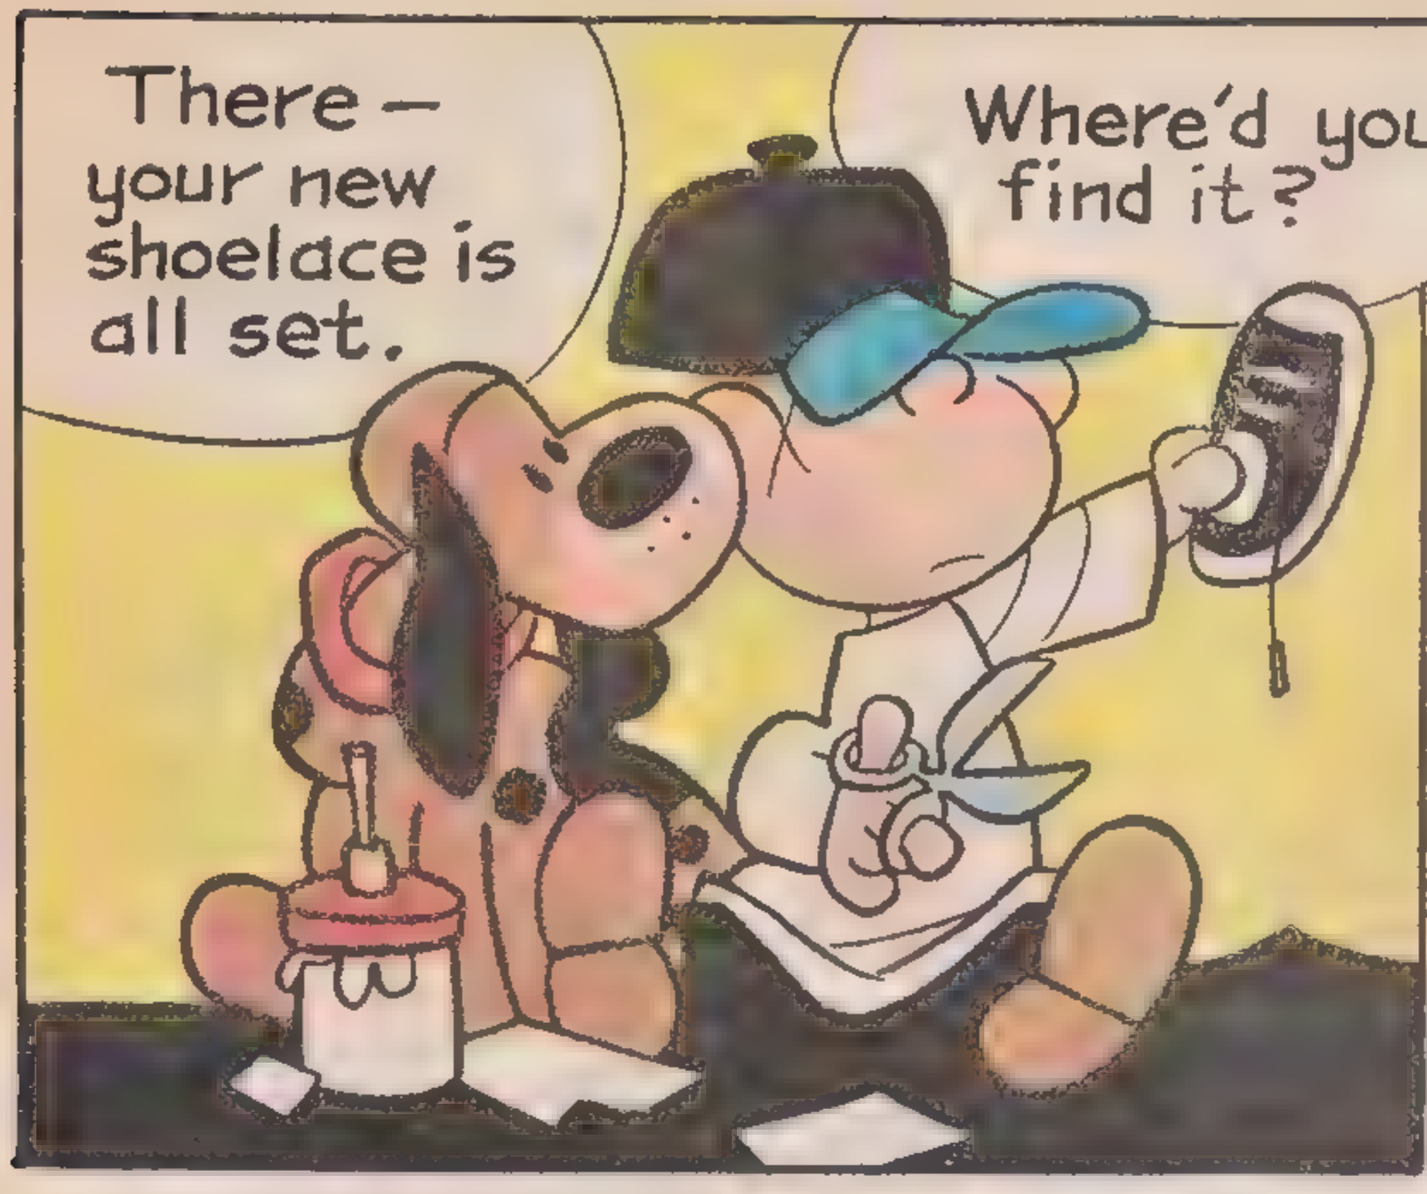
You need a whole new shoelace.

Here, Tiger!

I found one nobody was using!



It's too long. I'll cut it in half.
SNIP!



Where he's taking a nap!

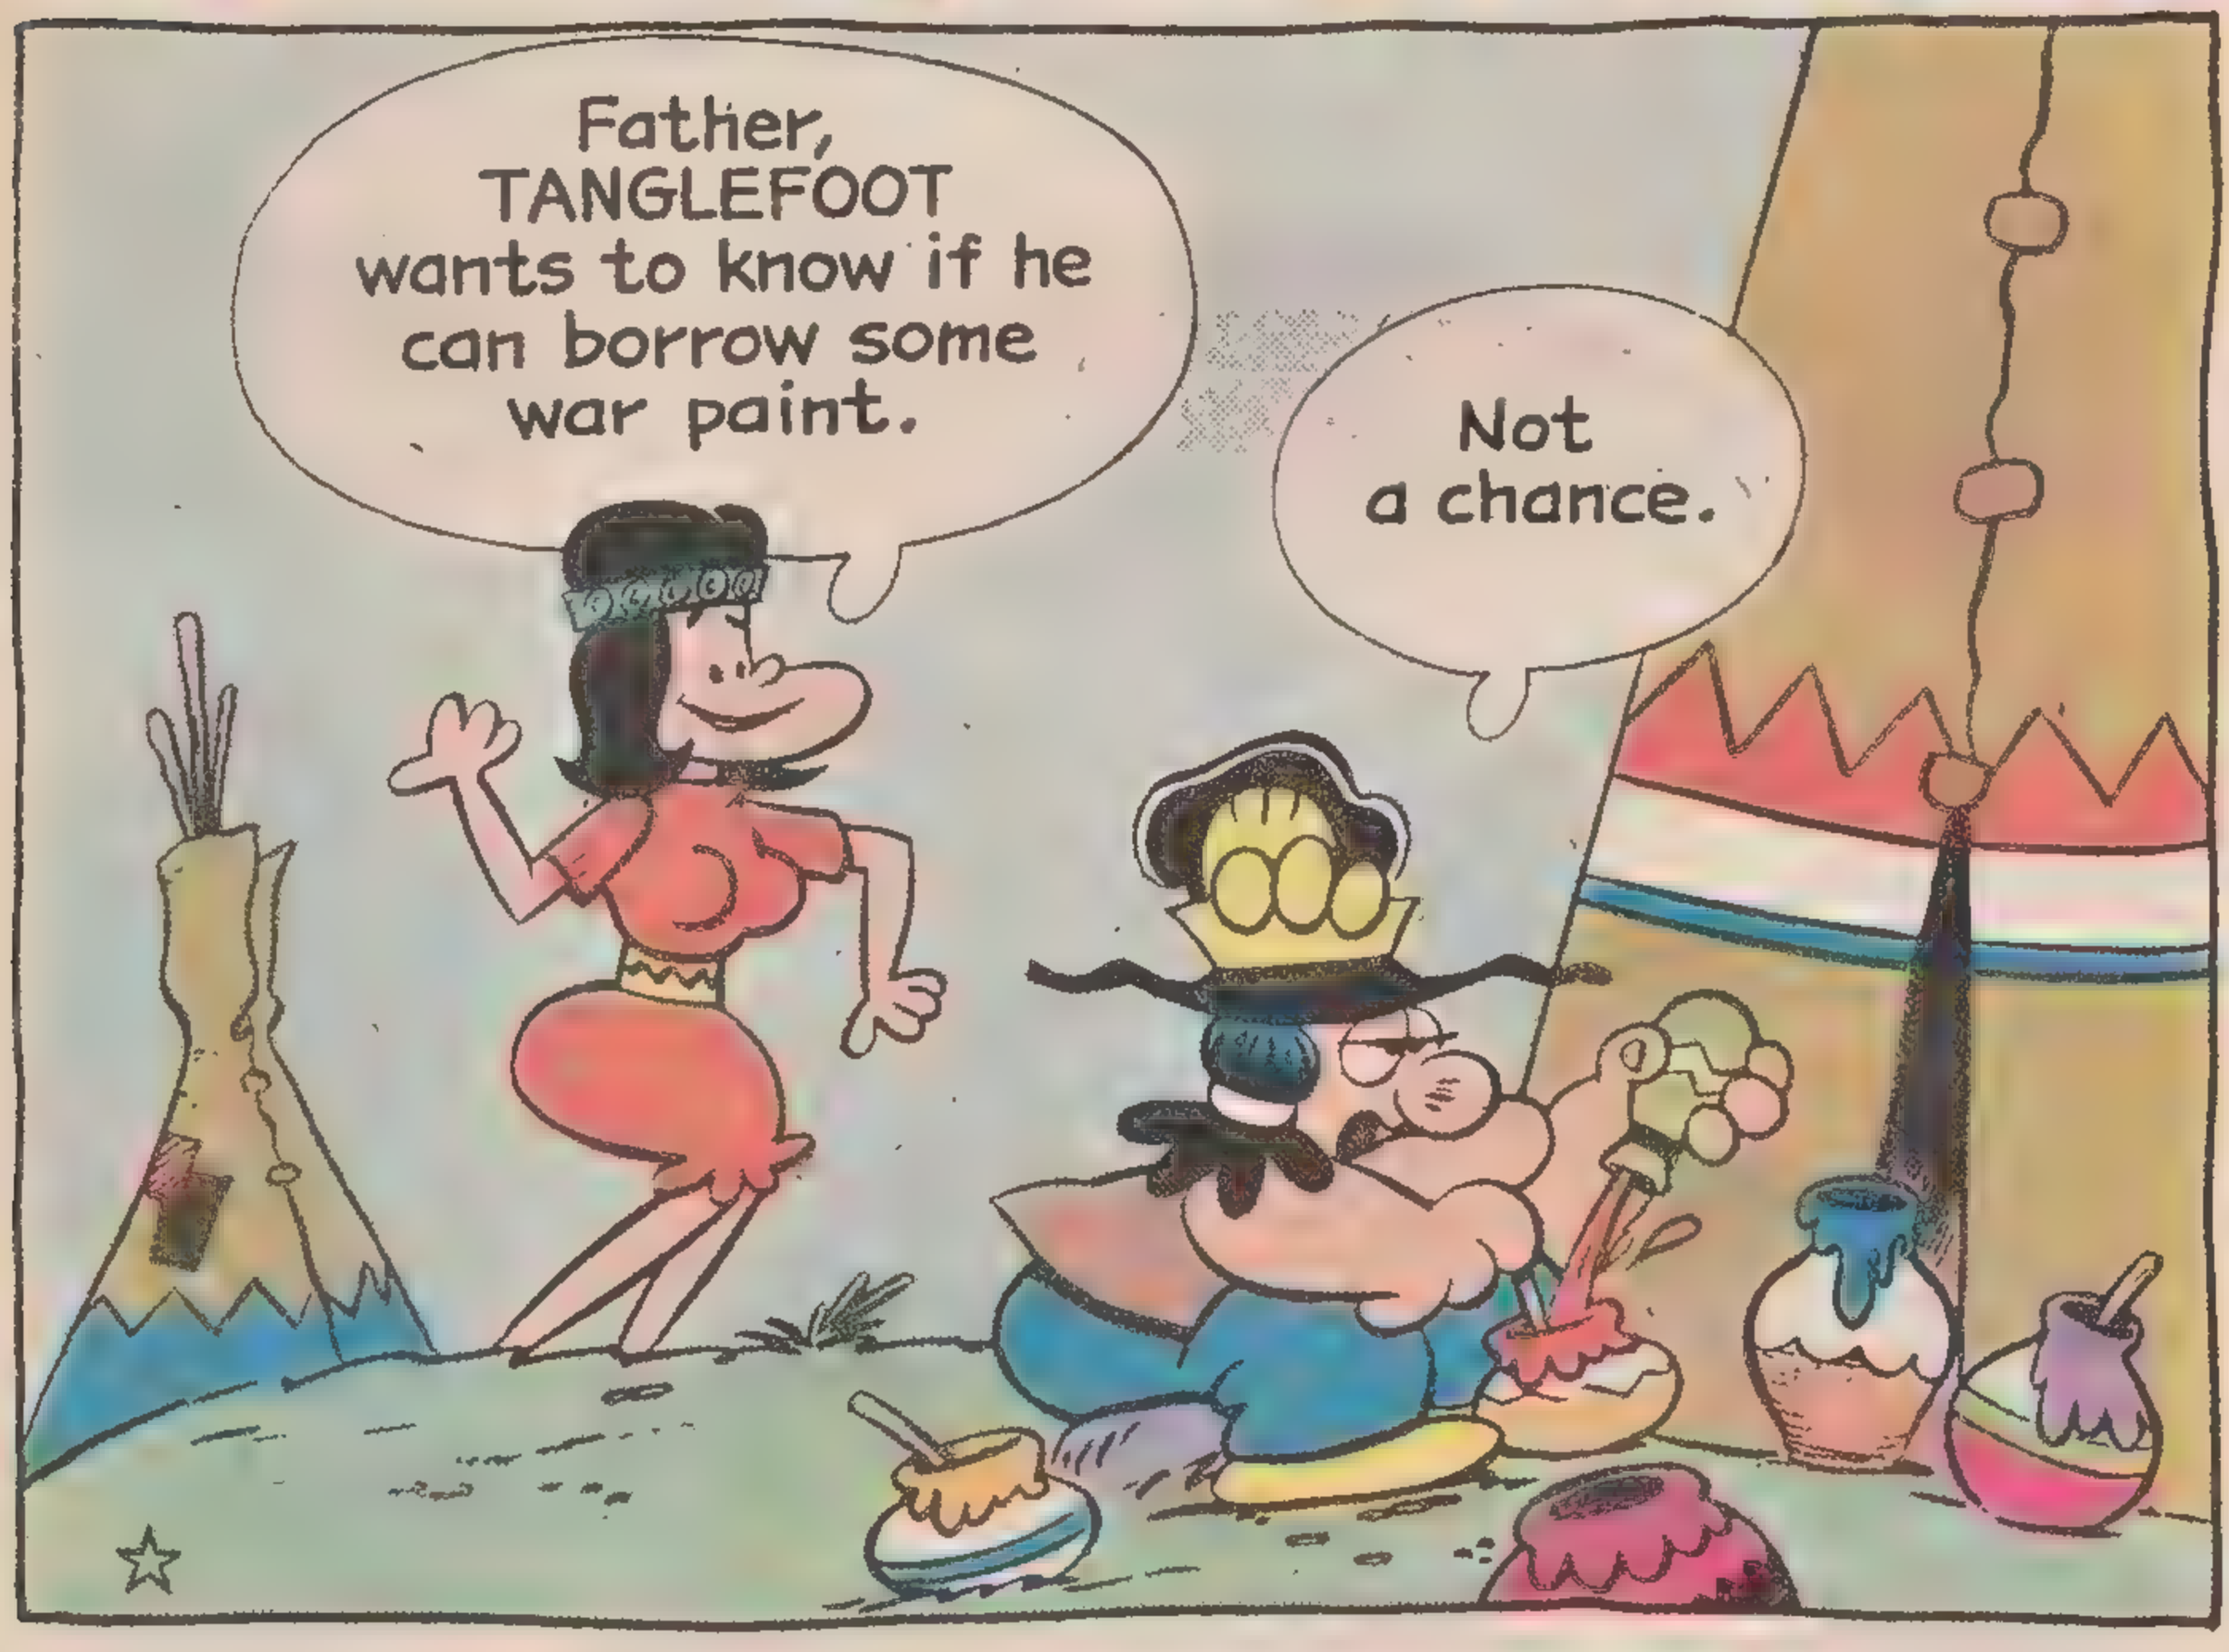
REDEYE in LEADER OF MEN



That wasn't very funny, Father!

I know it wasn't... The way he performs in battle is what's REALLY funny.

Are you saying TANGLEFOOT is a coward?

coward = chicken, scaredy cat

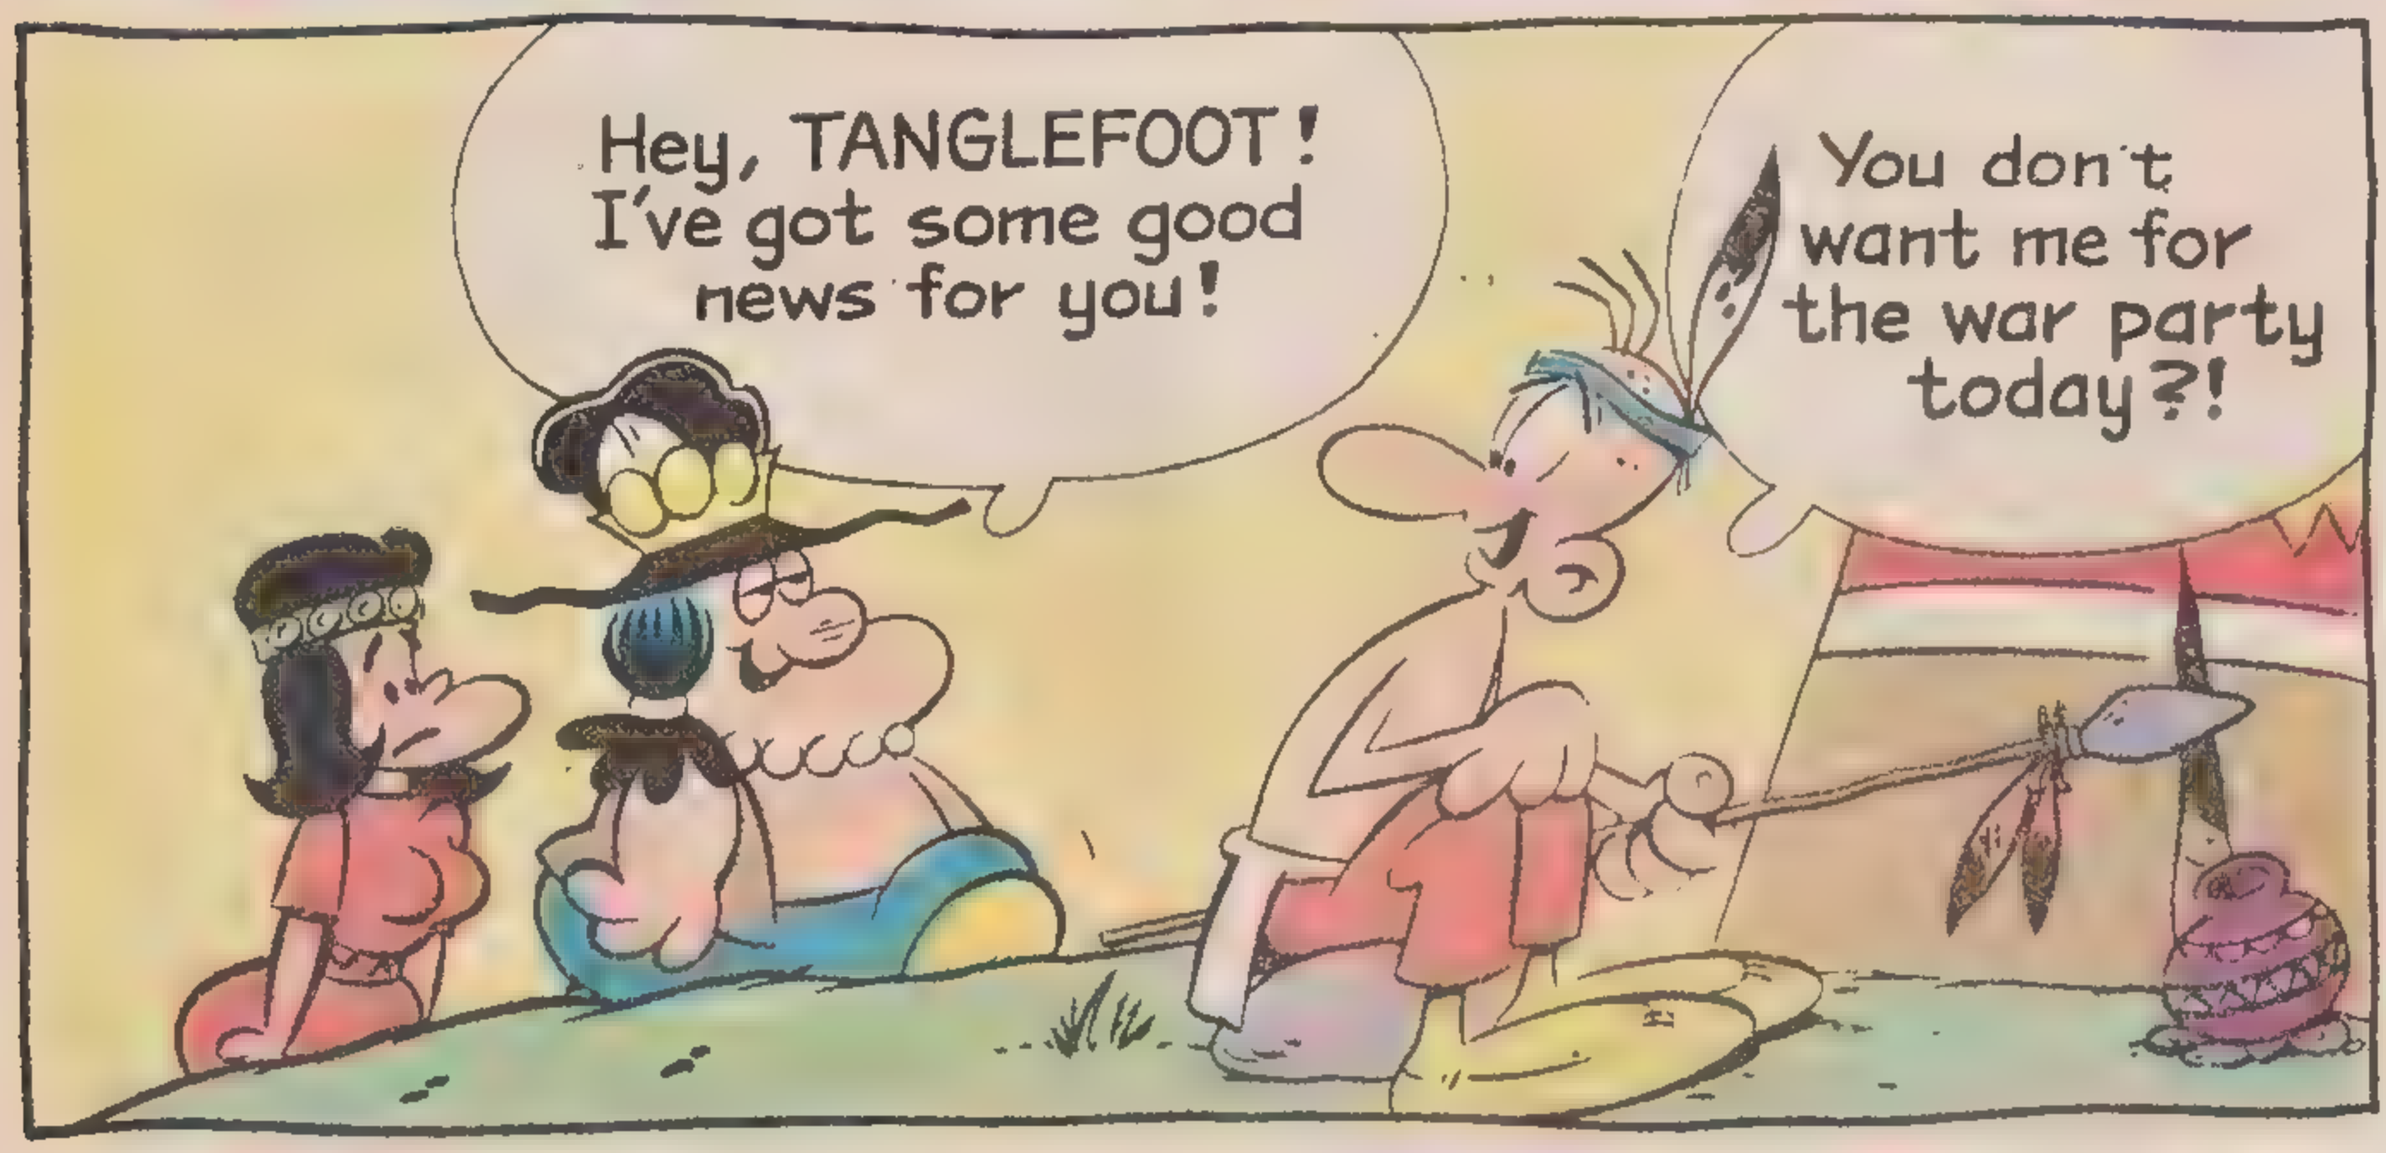
Hey! You're catching on pretty quick, TAWNEE!

TANGLE-FOOT is NOT a coward!

Oh yes he is! ...And I can prove it!

And just how are you going to prove it?

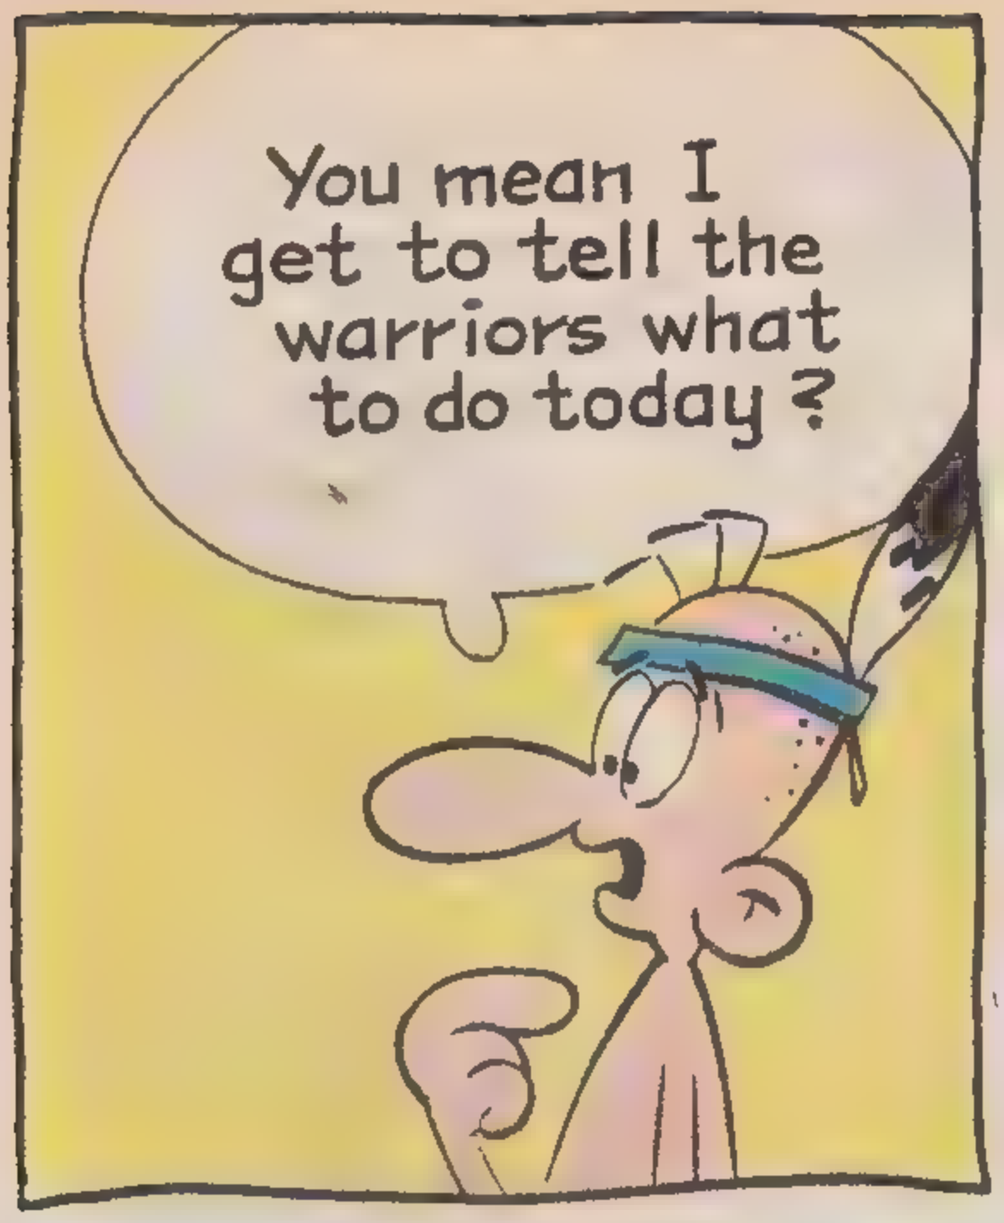
Follow me, little lady.



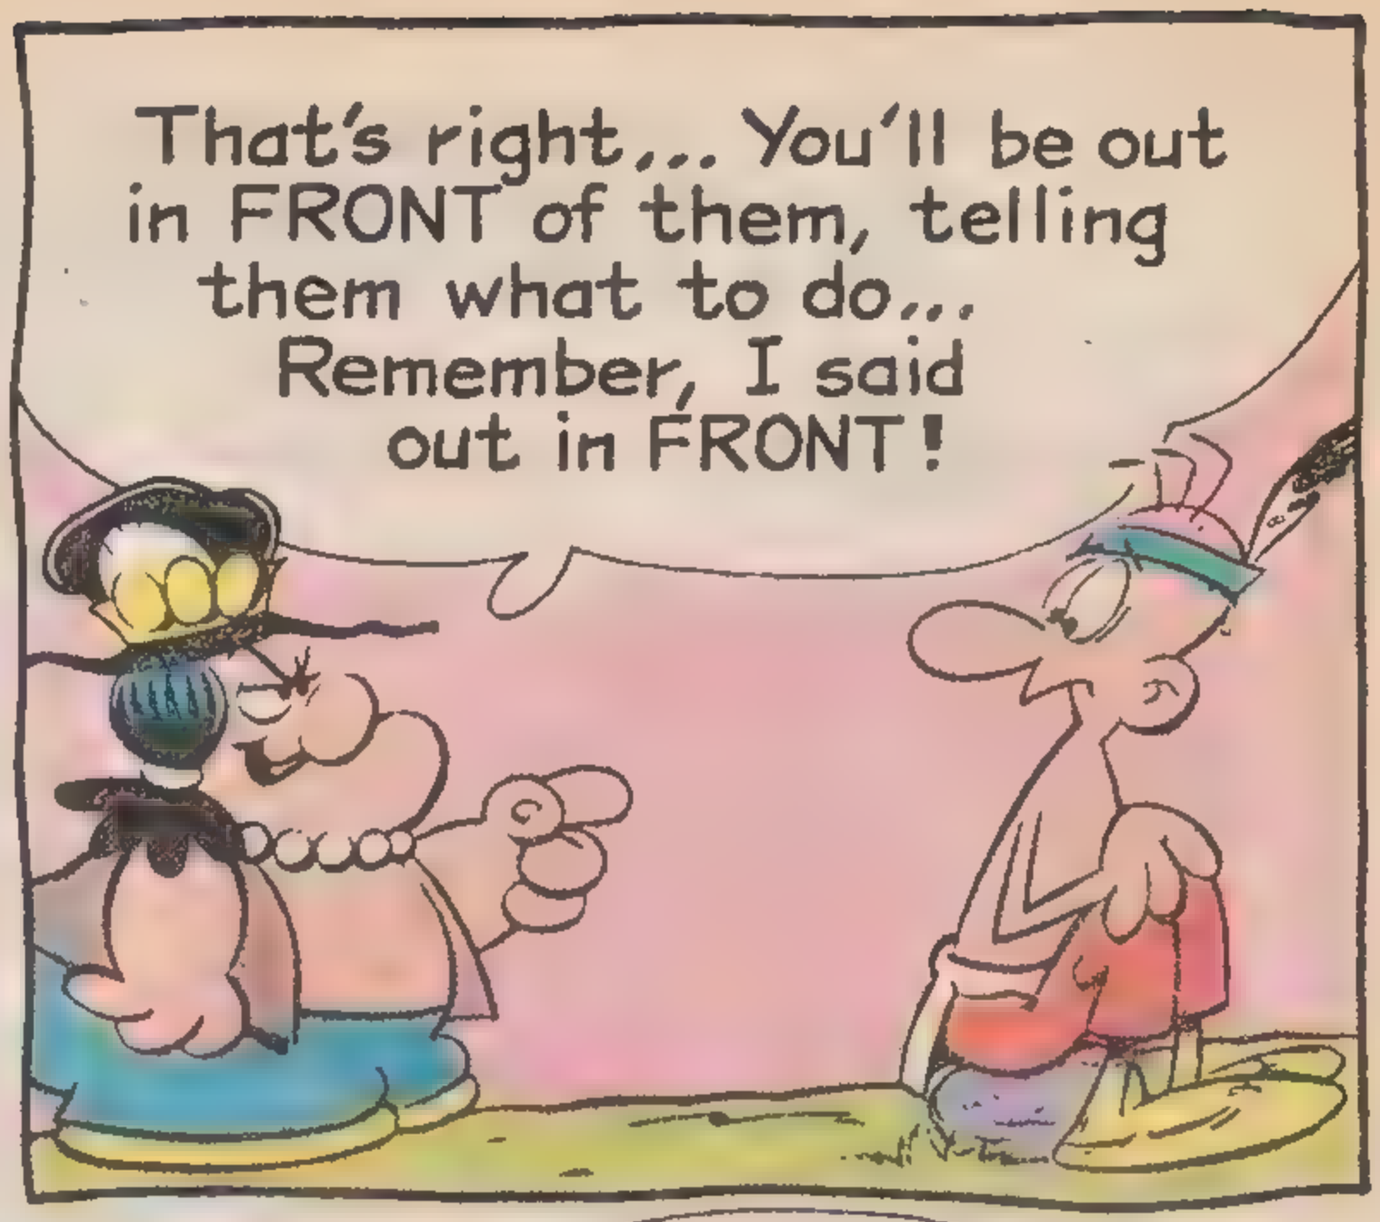
Hey, TANGLEFOOT! I've got some good news for you!
You don't want me for the war party today?!

Don't be silly!...Of course I want you for the war party!

In fact, I want YOU to LEAD the war party!



You mean I get to tell the warriors what to do today?



That's right... You'll be out in FRONT of them, telling them what to do... Remember, I said out in FRONT!

WOW! That's GREAT!

He said, "GREAT!" ...I never thought I'd live to see this day!

Everybody go back home! I'm calling off today's war party!
